Noted Memories Larry Farber, 2021-10-10 How A Kid From Charlotte Had A Moment With Tony, Aretha, Bonnie, Sheryl And More Larry Farber has devoted his life to music - playing in bands, booking bands, opening Middle C Jazz Club and bringing legends to town through Music With Friends concerts. A native of Charlotte, N.C., he supports a number of charitable causes and has organized many successful events for his faith home, Temple Beth El. Larry and his wife, Sherri, live in Charlotte. They have three adult sons and three grandchildren. This is his first book.

Money Rock Pam Kelley, 2018-09-25 “An ambitious look at the cost of urban gentrification.” —Atlanta-Journal Constitution “Kelley could have written a fine book about Charlotte’s drug trade in the ’80s and ’90s, filled with shoot-outs and flashy jewelry. What she accomplishes with Money Rock, however, is far more laudable.” —Charlotte Magazine “Pam Kelley knows a good story when she sees one—and Money Rock is a hell of a story. . . like a New South version of The Wire.” —Shelf Awareness Meet Money Rock—young, charismatic, and Charlotte’s flashiest coke dealer—in a riveting social history with echoes of Ghattoside and Random Family Meet Money Rock. He’s young. He’s charismatic. He’s generous, often to a fault. He’s one of Charlotte’s most successful cocaine dealers, and that’s what first prompted veteran reporter Pam Kelley to craft this riveting social history—by turns action-packed, uplifting, and tragic—of a striving African American family, swept up and transformed by the 1980s cocaine epidemic. The saga begins in 1963 when a budding civil rights activist named Carrie gives birth to Belton Lamont Platt, eventually known as Money Rock, in a newly integrated North Carolina hospital. Pam Kelley takes

readers through a shootout that shocks the city, a botched FBI sting, and a trial with a judge known as “Maximum Bob.” When the story concludes more than a half century later, Belton has redeemed himself. But three of his sons have met violent deaths and his oldest, fresh from prison, struggles to make a new life in a world where the odds are stacked against him. This gripping tale, populated with characters both big-hearted and flawed, shows how social forces and public policies—racism, segregation, the War on Drugs, mass incarceration—help shape individual destinies. Money Rock is a deeply American story, one that will leave readers reflecting on the near impossibility of making lasting change, in our lives and as a society, until we reckon with the sins of our past.

The Vote Collectors Michael Graff, Nick Ochsner, 2021-10-26 In November 2018, Baptist preacher Mark Harris beat the odds, narrowly fending off a blue wave in the sprawling Ninth District of North Carolina. But word soon got around that something fishy was going on in rural Bladen County. At the center of the mess was a local political operative named McCrae Dowless. Dowless had learned the ins and outs of the absentee ballot system from Democrats before switching over to the Republican Party. Bladen County's vote-collecting cottage industry made national headlines, led to multiple election fraud indictments, toppled North Carolina GOP leadership, and left hundreds of thousands of North Carolinians without congressional representation for nearly a year. In *The Vote Collectors*, Michael Graff and Nick Ochsner tell the story of the political shenanigans in Bladen County, exposing the shocking vulnerability of local elections and explaining why our present systems are powerless to monitor and prevent fraud. In their hands, this tale of rural corruption becomes a fascinating narrative of the long clash of racism and electioneering—and a

larger story about the challenges to democracy in the rural South. At a time rife with accusations of election fraud, *The Vote Collectors* shows the reality of election stealing in one southern county, where democracy was undermined the old-fashioned way: one absentee ballot at a time.

Say No! To College Debt Russ Stevens,2020-06-18 Would you like to: - Avoid the crushing bondage of college debt? - Employ God's principles to get through college debt-free? - Achieve freedom upon graduation to pursue the vision God has placed in your heart? Debt is not inevitable. There are ways to get through college without borrowing money. There are also good, legitimate ways to get out of debt if the money has already been borrowed, whether or not you completed your desired degree. This book is designed to help future students, current students, graduates, those who didn't graduate, and the parents and grandparents of all of them to get out of the bondage that comes with borrowing large sums of money to pay for post-secondary schooling. This book offers hope to those who feel hopeless. Current news is full of the difficulties of those who have taken on too much debt to get through college. You won't see hope in the newspapers or in the rhetoric of the politicians who try to use the crisis for political gain. There is hope-also answers and solutions if you know where to find them. There are ways to complete college without going into the bondage of student loans, and there are ways out of the post-graduation debt quagmire by applying some basic money principles. Read *Say No! to College Debt* to see how it is possible to get a college education without debt and how to deal with any debt you may already have.

The Juggle Is Real Molly Grantham,2020-04-27 Anchor. Author. Mom. What you don't normally see on television from journalist Molly Grantham is how behind the polished image, she's juggling to keep the balls of life up in the air. The Juggle is Real shines a raw and funny light on the messy realities so many of us face: the constant rotation of whatever's barreling toward us next. Grantham's first book, *Small Victories*, ended beside her mother's hospice bed. That's where this one begins-seeing the circle of life through her children's eyes. From there, it's a chronicle of ups and downs, including endless arguments over what to wear, emergency surgeries, beloved pets, and the hysterical one-kid parade of her son's battery-operated mini ice-cream truck through busy city streets. All interwoven with Grantham's public and often nutty job. Her honesty will have you crying and laughing

out loud at this continuing story of loving kids and a career. Molly Grantham is real. And her authenticity as a mom and a fallible human being shines through every one of her pages in this compelling collection of parenting essays. - The Huffington Post Am I brave enough to admit my mothering-fail moments to the world, especially a world in which people are viciously judgmental about other people's parenting? And even more, would I be willing to do that if I worked in an industry where a polished, perfect appearance is part of the job description? I'm not sure. But thank God, Molly is. Kimmerly Martin, Author, The Queen of Hearts and The Antidote to Everything With humor, heart, and a willingness to bare her soul-even when it might seem a little uncomfortable to do so-Molly proves once again that she is gifted at telling tales at motherhood as she is at delivering the news every night. Theoden James, Charlotte Observer The Juggle is Real deftly captures moments of parenthood and life that are so poignant and beautiful that it stops your heart for a beat. Betsy Thorpe, Literary Services
