*Oh, Whistle, and I'll Come to You, My Lad (Fantasy and Horror Classics)* M. R. James, 2013-04-25 M. R. James was a prolific and hugely successful author, now credited with having redefined the ghost story for the 20th century by abandoning many of the formal Gothic clichés of his predecessors and using more realistic contemporary settings. Originally published in 1904, 'Oh, Whistle, and I'll Come to you, My Lad' ranks amongst his best and most underrated tales. Many of the earliest ghost stories and tales of hauntings, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Whistle for Willie** Ezra Jack Keats, 1977-02-24 Since it was first published in 1964, *Whistle for Willie* has delighted millions of young readers with its nearly wordless text and its striking collage artwork depicting the story of Peter, who longs to whistle for his dog. The New York Times wrote: Mr. Keats' illustrations boldly, colorfully capture the child, his city world, and the shimmering heat of a summer's day.

*Wolf Whistle* Lewis Nordan, 2003-10-05 ALA Notable Book; 1994 Mississippi Writers Award for Fiction; 1994 Southern Book Critics Circle Award for Fiction. In *WOLF WHISTLE*, Lewis Nordan unleashes the hellhounds of his prodigious imagination on one of the most notorious racial killings of the century, the Emmett Till murder. Soon we're on a magical mystery tour of the Southern psyche of the mid-1950s and the dawning of guilt and recognition in a whole generation of white Southerners. An immense and wall-shattering

display of talent. WOLF WHISTLE will help usher Lewis Nordan into the Hall of Fame of American Letters.--Randall Kenan, The Nation.

Louis Armstrong Scott Allen Nollen,2004-01-01 Louis Armstrong was not only a virtuoso musician, singer, composer and actor, but also a dedicated writer who typed hundreds of letters and reminiscences, carrying a typewriter with him on his constant travels around the globe. The man never stopped creating, and constantly communicated with friends and acquaintances. His unique verbal, musical and visual content and style permeated everything he touched. Included in this extensive career biography are the major events of his life, his artistic innovations and cultural achievements, a detailed survey of his recordings and live performances, and in-depth discussions of his screen performances--not only his Hollywood feature film appearances, but his performances in short films, European concert films, and dozens of television shows broadcast from Hollywood, New York and Europe.

*Whistle in the Dark* Susan Hill Long,2013-07-31 Clem wants a dog for his thirteenth birthday, but what he gets is a miner's cap. It is the 1920s in Leadanna, Missouri, and Clem must become a man, leaving school and joining Pap in the lead mines--money is tight in the Harding household. Meanwhile, Lindy, whose face bears a scar from an accident that left her motherless, is forced to help her abusive father sell moonshine. As Clem searches for another way to support his family, the two become friends. Then disaster strikes: a death, a mining accident, and then a tornado. In the aftermath, Lindy takes advantage of her chance to flee Leadanna, and Clem is torn between following her and staying behind to help his family. This beautifully written coming-of-age novel shines with true characters, a vivid setting, and heart-felt relationships.

**When I Whistle** Shusaku Endo,2012 One of Endo's most unusual and powerful novels is set largely in a modern hospital, with themes and scenes that eerily seem to predate *Never Let Me Go*. A jaded businessman has a chance encounter with the doctor son of his best friend at school, Ozu, and memories are stirred of a former love interest of Ozu's, Aiko. The son of his friend proves to be contemptuous of the outmoded values of his father's world and ruthless in pursuit of success at his hospital. The story reaches a terrible climax when Aiko, now a middle-aged cancer-sufferer, is admitted to the hospital and Ozu leads the way in experimenting on her with dangerous drugs.

**Fun with the Tin Whistle** WILLIAM BAY,2015-10-26 This beginning method/songbook is designed for the D tinwhistle. Includes music theory, fingering diagrams, note studies, and plenty of songs for practice. the stereo recording features tinwhistle, guitar, and keyboard and contains many of the solos featured in the book.

**Mama Seeton's Whistle** Jerry Spinelli,2015-04-14 Without even thinking about it,Mama Seeton puckered her lips and whistled.It was not a loud whistle.Or a fancy whistle. Just a simple two-note whistle. When Mama Seeton whistles, her children run home for chocolate cake, hugs, kisses, and shared memories. But as time passes, they travel farther and farther away from the familiar sound. Can mama's whistle be heard all over the world, and bring her children home one more time? Newbery Award-winning author Jerry Spinelli's sweet lyrical text and New York Times bestselling illustrator LeUyen Pham's charming illustrations show the timeless love between a mother and her children.

**Whistling While They Work** Peter Roberts,Alexander Jonathan Brown,Jane Olsen,2011-09-01 This guide sets out results from four years of research into

how public sector organisations can better fulfil their missions, maintain their integrity and value their employees by adopting a current best-practice approach to the management of whistleblowing. This guide focuses on: the processes needed for public employees and employees of public contractors to be able to report concerns about wrongdoing in public agencies and programs; and managerial responsibilities for the support, protection and management of those who make disclosures about wrongdoing, as part of an integrated management approach. The guide is designed to assist with the special systems needed for managing 'public interest' whistleblowing-where the suspected or alleged wrongdoing affects more than the personal or private interests of the person making the disclosure. As the guide explains, however, an integrated approach requires having good systems for managing all types of reported wrongdoing-including personal, employment and workplace grievances-not least because these might often be interrelated with 'public interest' matters.
