After the story pages, there is a big picture page, for the children to complete with all the missing items ? and also to add some extra ones. The Silly Sentences section encourages children to experiment and create their own fun sentences, with the aid of colour-coded nouns, verbs and adjectives. Finally children can use stickers to create their own mix-and-match characters, about whom they are then encouraged to tell stories. Six sticker sheets, containing more than 50 stickers, are bound into the centre of each book. They are printed on tear-resistant paper, and are perforated, so that they can easily be removed and used with the appropriate page of the book.

Among the humans fighting for their future are Micah Sparrow, a widower who uncovers a plot to return mankind to the dark ages; Tasneem Kyoh, who undergoes life-extension treatments and begins the search for humanity's next home; and David Dewbury, a prodigy who believes he knows where that home might be. But in space, the rules aren't the only things that have changed. Man himself has changed, and with the Earth in tatters behind him, man turns his attention to the one thing left to destroy: himself.
