Smart Parenting In Digital World Shashank Johri, This book is all about Smart Parenting in the world of Technology. Today, we must know how children behave and how they should be managed. Every Parent must understand how they can make their child a smart child using latest technology without letting them misusing it. Every Parent must have the basic understanding about the psychology of their child and management of the technology for the child. Parent can not and should not take their child away from the technology but they must understand how they can manage it for them. So, here we have the book Smart Parenting In Digital World, Written by National Award winning author, Mr. Shashank Johri. He is in the field of Technology for more than 20 years

and he worked with Cyber Police and Cyber cells. He has taken Workshops about the Cyber security in different places and Now here he is introducing the parenting strategy of future. In this book you will be learning about different types of children and their behaviour. Also you will be learning about how to understand and behave with them. You will also get the basic information about Computer, Internet, Network and Security, Ergonomics, Cyber Yoga and Cyber Crime Protection. All these knowledge at very minimal cost.

LIFE Wisdom Tim Frentz,2019-08-30 This book is full of lesser known knowledge, guides, advice and facts surrounding the culture of the United States circa 2020. In this book you will also find my recommendations for some of the latest products and technology that improves our standard of living. The best way I can summarize IT all is to just call the book, LIFE Wisdom. The following pages share my efforts to organize and shed light on the most useful information in my life. This book categorizes the knowledge based on whether IT involves helping, simplifying, making, stretching, spending, living or sharing something. The main objectives of this book are: 1. Educate the reader. 2. Connect with sponsors and increase funding for the Helping Hands Network volunteer and emergency cause programs. 3. Connect with global connections to help establish international programs. Please submit any product or other helpful information you would like to see included in future editions. At times the line may be blurred between opinion and fact but I do the best I can. My definition of fact refers to a first encounter experience by myself or another credible source. Some of your experiences surrounding certain wisdoms may not hold up to my experiences I share in this book. Updates after publishing can be followed at [freeHelpingHands.wordpress.com] We look forward to publishing many more editions. The proceeds from sales go to help fund our programs so if you are given a copy please consider contributing to our cause through paypal id tfrentz@hotmail.com or mailing a check payable to Tim Frentz.

CompTIA A+ 2010 Home Study C.V. Conner,
