Age 8-50yrs+. Please note that the paperback contains a little more information than the ebook since it seems to cost quite a lot to print and deliver a real book.This book should be used as an essential strategy guide and roadmap for playing Survival Mode. It does NOT replace the comprehensive guides produced by Mojang themselves,

it compliments them. For example, this book may refer to using a particular tool but not go into much depth on it, therefore, Mojang's set of books should be part of your reference collection. About Minecraft Bedrock Edition covers Android, VR, Xbox, Windows, IOS, Nintendo Switch and Kindle and allows players from any of those platforms amongst others to play together in the same Minecraft game using a feature called crossplay. Crossplay in Minecraft is seamless. You wouldn't know that someone was using a different type of device unless they told you. PlayStation and Java Edition versions of Minecraft will operate slightly different to Bedrock so it is important to check with the sites and sources that are mentioned to adapt your gameplay to make sure things work as you want them to if you do use this book on those platforms.
