Windows 8 Apps Programming Genius: 7 Easy Steps To Master Windows 8 Apps In 30 Days Jason Scotts,2013-10-06 Technology is wonderful. But by the same token, understanding how to use it efficiently is another story. Sometimes the frustration can really get to you. Not to worry! Now you'll have the information that you need to dive right in and actually know what you're doing. Windows 8 Apps Programming Genius: 7 Easy Steps To Master Windows 8 Apps In 30 Days is written in a way that allows for easy comprehension by following the step by step process. It takes into account even the novice with minimal knowledge of operating systems or the use of apps. By the time you've implemented each chapter, you should be good to go and finally feel refreshed about learning how to use this software and its related features. As Microsoft continues to come out with their latest operating systems in the future, you will feel more confident about how to use it and understanding basic principles - just because you would've already gone through the information in this book. It is a keeper for those serious about efficiency when it comes to the use of Windows 8 and its apps.
