**Wings of Destiny: Ziaur Rahman Ansari - A Life** Fasihur rahman,2023-05-10 "... brilliant, well-researched, and highly informative biography ..., a much-needed work to clear the air still befouled by misunderstanding and prejudice". Mani Shankar Aiyar, Former minister, Govt. of India "An authentic biography of an enlightened, secular, grassroot Muslim leader by his son, the closest associate in his journey of life. It provides insight into the hectic political activities and deep churning in Muslim polity of north India during his time...." Sakina Yusuf Khan, Senior Journalist, former Deputy Editor, The Speaking Tree, The Times of India "Wings of Destiny does justice to the life and political activities of Ziaur Rahaman Ansari Sahib. We were ministerial colleagues in Rajiv Gandhi's government. I congratulate the author for writing this gripping biography of so eminent a Congress leader." K. Natwar Singh, former External Affairs Minister, Govt. of India "A son's befitting tribute - Ziaur Rahman Ansari was an outstanding community leader, firmly rooted in his Islamic beliefs and unflinching loyalty towards the Indian National Congress. Fasih clears lot of fog from the controversies that dodged Ansari's otherwise remarkable and inspirational life." Rasheed Kidwai, Senior Journalist and Author "I had the good fortune of working with Ziaur Rehman Ansari saheb when he was minister of state in the ministry of shipping and transport, and I was a joint secretary in the same ministry. He was a thorough gentleman and a competent administrator. He felt sorry when he learned that I was planning to quit the service and tried to persuade me from doing so. But fate had willed otherwise. I am happy that the author has put together his life and times in this very readable book." Yashwant Sinha, former minister for Finance, Govt. of India

*The Wings of Destiny* Molly Odegard Nikolic,2017-02-17 Being a professional actress is not an easy career, but when youve been bitten by the acting bug, youre doomed. Why do I say doomed? Because it can take away so much of what normal life is about. Im talking about the ordinary things in life, like a stable married life with children and a home. I dont know if I was born with the acting bug or if it came later to me, but it certainly ruled the first part of my life. I look at the world of theater and filmoh, I guess they say movies nowand I see the same thing happening. Whats it all for? Its for fame and money, thats what. Its a purely selfish endeavor. In my early days, they hadnt discovered the idea of genetic forces leading people into things unknown. I do understand that Freud played with this field, but regular people didnt know about it. We all just did what we did. Often, people are looked at because of preconceived notions or what was an established family tradition. You swam alone, going into uncharted waters of your own desire and making. Well, thats what I did. Am I sorry? Partially. I left my first husband for it, and I gave up my one and only child.

On the Wings of Destiny Dilbagh Singh,2010 This volume is the life story of Air Chief Marshal Dilbagh Singh PVSM, AVSM, VM written by him before his unfortunate demise. Acknowledged as an outstanding professional fighter pilot and an outstanding commander during his four decades of service in the Indian Air Force, he was an imposing personality, tall, upright, smiling, confident and a born leader who set very high standards for himself and everyone under his command. He possessed great skills not only in operational matters, but also a mature understanding of the key role of the human element in the exercise of leadership.

*Valiant Wings* M. Susan Potter,2023-03-25 The Vile is now targeting the guardians to get to Emma and her men who the teams are pledged to protect with their lives. All the guardians are on red alert knowing the Pantheons will do everything in their power to kill the prophesied humans which they believe will prevent them from losing the war. Jayden has a wedding he can't cancel, and the guardians know the Vile will capitalize on the opportunity. A change in strategy will be required if they have any hope of getting through the next few weeks alive. Vangie, Balior, Gideon and Noah are determined not to fail regardless of the odds against them. This is the final book in the Wings of Destiny series containing violence and adult themes. *Sad Wings of Destiny* Thom Brannan,2014 There comes a time for a superhero when just punching a bad guy in the face just isn't enough. Spring-Heeled Jack has reached that point. Not that he doesn't enjoy the way his nanotech-enhanced fists have made their mark on the underworld, but he knows he could do so much more. His partner, the Archon, knows Jack means well, but he doesn't have the answers he needs to make a decision, and the archangel Uriel, to whom he is bound, has been silent on the matter. Their boundaries are stretched to the limit when a new supervillain appears on the scene and changes the way the game is played.

Defiant Wings M. Susan Potter,2022-12-23 Zahara and her guys have just weathered the worst attack she could possibly imagine. The Vile ambushed them in a way none of the teams had expected, and it was almost successful. All the guardians are trying to cope with the fact that Emma and her men could have died. They had nearly failed in their duties. It was a hard pill to swallow.Caleb has been notified that Command Central is sending three more warriors activated as angels of the apocalypse to reinforce them. Everyone has a different opinion about that and how it might change the dynamic of the teams. There are disturbing indications of a potential traitor in the Lightbringer's office which would be catastrophic. The Vile is now attacking relentlessly in the effort to remove the prophesied humans from the equation. Every day is tense causing friction in the ranks. All they can do is continue to soldier on and fight their hardest to keep the humans alive. Hara hopes she, Jude, Caleb, and Seth can make it to the end of this conflict with their bodies and relationship intact. This is a medium burn, reverse harem romance meant for mature readers.

**On the Wings of Destiny** Nader Omid,2016-06-11 Finding a hidden treasure is an age-old desire of mankind, a shortcut to their wildest dreams and wishes, although for young Katherine, the only wish she cherishes in her simple world is to make her parents happy. but her life completely changes when she learns the location of a treasure and a malicious evildoer gets wind of it, a man who would do anything for the sake of his desire. While Vangie is happy to have Gideon's help guarding Emma, she and Noah both feel guilty and hate seeing Gideon and Balior missing the souls they guarded from birth. At least Gideon's sister and her husbands will be guarding Alex and Jayden rather than an unknown team. The Vile is getter bolder with their attacks on Heaven and Earth. Soon, the team will have to leave Guardian Tower and most of their families behind to escape the enemy. Jude is meant to travel with them however and may not be cleared to fly in time. Noah works to

explore his mystic abilities, concerned he will need to utilize them sooner than later. Their human charges have a radical effect on every angel they acknowledge and have plans of their own about how to turn the tide of the war on the earthly plane while Alex seems to ignore potential danger to himself. Vangie's best friend might actually be alive, but a well-respected guardian she attended academy with is acting strangely, and Gideon is forced to confront someone who betrayed him in the past.
