But after a botched attempt to rob a pensioner's flat, Meg, along with her partner in crime, Belch, ends up in a very sticky situation. Meg's soul is up for grabs as the divine and the demonic try every underhanded ploy imaginable to claim it. Her only chance for salvation is the Wish List. An unforgettable and gritty tale of life, death and an unexpected hereafter.

Sorority Genevieve Sly Crane, 2018-05-01 Sisterhood is forever...whether you like it or not. Prep meets Girls in White Dresses in Genevieve Sly Crane's deliciously addictive, voyeuristic exploration of female friendship and coming of age that will appeal to anyone who has ever been curious about what happens in a sorority house. Twinsets and pearls, secrets and kinship, rituals that hold sisters together in a sacred bond of everlasting trust. Certain chaste images spring to mind when one thinks of sororities. But make no mistake: these women are not braiding each other's hair and having pillow fights—not by a long shot. What Genevieve Sly Crane has conjured in these pages is a blunt, in-your-face look behind the closed doors of a house full of contemporary women—and there are no holds barred. These women have issues: self-inflicted, family inflicted, sister-to-sister inflicted—and it is all on the page. At the center of this swirl is Margot: the sister who died in the house, and each chapter is told from the points of view of the women who orbit her death and have their own reactions to it. With a keen sense of character and elegant, observant prose, Crane details the undercurrents of tension in a world where perfection comes at a cost and the best things in life are painful—if not impossible—to acquire: Beauty. A mother's love. And friendship...or at least the appearance of it. Woven throughout are glimmers of the classical myths that undercut the lives of women in Greek life. After all, the Greek goddesses did cause their fair share of destruction...

Wishlist RANGEESH CHANDRASEKAR, 2022-11-25 My Dream India" Here's my Lovely India which got freedom finally in 1947. My Sweet India is a land of Festivals and Historical Places. All Indians are here like their own families, filled with love and trust. But Still, India is suffering from various crimes like unemployment, corruption, etc in higher rates. Many attacks happened in India and many soldiers lost their lives in protecting India from Terrorists and other rivals. But you know what nowadays, Government is trying to capture Indian's Rights with the Black laws and many more corrupted officers, who don't obey their rules and Regulations and spoiling humanity by wearing uniforms. Taking Bribes and beating honest people, those who are struggling daily for their food and basic needs. So first of all, Indian Officers need to get replaced by honest ones to obey their duties professionally and honesty. Corruption is the main poison for our country, which is followed from many decades that are eating the roots of our Culture and Indian Constitution. Democracy is still on its roots, India is not a Democratic country, but teaching students that India is democratic etc, etc, but it's not true, all the rights and duties are given to specific castes and other castes are made they are used-less today. The major reason today's Youth is leaving India just because of corrupt system, otherwise India would be very peaceful and respectful Nation. At Last, TV Serials are the weirdest reason to raise Crime Rate higher in India. People are trying to copy the same living standard from Serials. But they actually fail since they don't know that it's just the Camera life, not Reality. We need to make our India like a Heaven where everyone can enjoy their life without any fear and tear, tensions and filled with happiness and Cheerful days... So, we all need to be alert and understand what's reality is and what not. I'm not proud to say I'm an Indian unless this dream comes true. I strongly believe that this dream shall come true one day or the other.

Read Dangerously Azar Nafisi, 2022-03-08 The New York Times bestselling author of *Reading Lolita in Tehran* returns with a guide to the power of literature in turbulent times, arming readers with a resistance reading list, ranging from James Baldwin to Zora Neale Hurston to Margaret Atwood. [A] stunning look at the power of reading. ... Provokes and inspires at every turn. —Publishers Weekly (starred review) Remarkable. ... Audacious. —The Progressive Stunningly beautiful and perceptive. —Los Angeles Review of Books What is the role of literature in an era when one political party wages continual war on writers and the press? What is the connection between political strife in our daily lives, and the way we meet our enemies on the page in fiction? How can literature, through its free exchange, affect politics? In this galvanizing guide to literature as resistance, Nafisi seeks to answer these questions. Drawing on her experiences as a woman and voracious reader living in the Islamic Republic of Iran, her life as an immigrant in the United States, and her role as literature professor in both countries, she crafts an argument for why, in a genuine democracy, we must engage with the enemy, and how literature can be a vehicle for doing so. Structured as a series of letters to her father, who taught her as a child about how literature can rescue us in times of trauma, Nafisi explores the most probing questions of our time through the works of Toni Morrison, Salman Rushdie, James Baldwin, Margaret Atwood, and more.
