The Book of Mac Donna-Claire Chesman, 2021-10-26 An album-by-album celebration of the life and music of Mac Miller through oral histories, intimate reflections, and critical examinations of his enduring work. "One of my most vivid memories of him is the way he would look at you while he was playing you a song. He tried to look you right in the eyes to see how you were feeling about it." -Will Kalson, friend and first manager Following Mac Miller's tragic passing in 2018, Donna-Claire Chesman dedicated a year to chronicling his work through the unique lens of her relationship to the music and Mac's singular relationship to his fans. Like many who'd been following him since he'd started releasing mixtapes at eighteen years old, she felt as if she'd come of age alongside the rapidly evolving artist, with his music being crucial to her personal development. "I want people to remember his humanity as they're listening to the music, to realize how much bravery and courage it takes to be that honest, be that self-aware, and be that real about things going on internally. He let us witness that entire journey. He never hid that." -Kehlani, friend and musician. The project evolved to include intimate interviews with many of Mac's closest friends and collaborators, from his Most Dope Family in Pittsburgh to the producers and musicians who assisted him in making his everlasting music, including Big Jerm, Rex Arrow, Wiz Khalifa, Benjy Grinberg, Just Blaze, Josh Berg, Syd, Thundercat, and more. These voices, along with the author's commentary, provide a vivid and poignant portrait of this astonishing artist—one who had just released a series of increasingly complex albums, demonstrating what a musical force he was and how heartbreaking it was to lose him. "As I'm reading the lyrics, it's crazy. It's him telling us that he hopes we can always respect him. I feel like this is a message from him, spiritually. A

lot of the time, his music was like little letters and messages to his friends, family, and people he loved, to remind them of who he really was.”  
-Quentin Cuff, best friend and tour manager

*Unbreakable* Jay Glazer,2022-01-25 Hey Teammate, We all face obstacles—physical, emotional, between the ears. The good news is that everything we have fought back against can empower us, IF WE KNOW HOW TO USE IT. My obstacles happen to be anxiety and depression. I call it living in the gray, and I've been mired in it my whole life. To be honest, it sucks. But I have also recently recognized that this same gray that has held me down has also empowered me to make my wildest dreams come true. You have probably overcome many of your own obstacles, but you’ve been too close to the conflict to clearly see what you’ve accomplished. We are all UNBREAKABLE, no matter what we do, who we are, or what traumas we may have experienced. We just need to admit that we can’t walk this walk alone. --Jay Glazer After years of rejection but with constant hustle, Jay Glazer has built a career has one of the most iconic sports insiders, earning himself a spot on the Emmy award-winning Fox NFL Sunday, a role as the confidant of coaches and players across the league, and a role as himself alongside Dwayne “The Rock” Johnson on HBO series *Ballers*. His gym, Unbreakable Performance Center, attracts some of the biggest names in Hollywood, and is the headquarters to the powerful charity MVP (Merging Vets and Players) that Jay founded in 2015. MVP began as a

weekly physical and mental health huddle with combat veterans and retired athletes has expanded to seven locations, helping soldiers and players transition to a new team. In *Unbreakable*, Jay Glazer talks directly to you, his teammates, and shares his truth. All of his success from his screeching-and-swerving joy ride through professional football, the media, the fighting world, Hollywood, the military-warrior community, comes with a side of relentless depression and anxiety. Living in the gray, as Jay calls it, is just a constant for him. And, in order to work through the gray and succeed, Jay has to maintain an Unbreakable Mindset. With this book, you can too. · Be of Service—help others and help yourself in the process · Build Your Team—give support, get support · Never Underestimate the Power of Laughter—never take yourself too seriously · Be Proud of Your Scars—our trauma makes us who we are Throughout *Unbreakable*, Jay will use his stories—featuring some of the biggest, baddest, and most fascinating characters in the public eye today—to show how he walks this walk, has learned that while the gray is very real, it doesn't have to define him. And it doesn't have to define you either.

He later earned a degree in music production and engineering. Today Charlie is one of the country's most popular pop performers.
