Tenacity the Left End Story Patsy Palombo,2020-10-04 Left End was a popular rock band from Youngstown, Ohio that boasted a fan base spanning three generations. The band enjoyed regional and national recognition for over three decades. Like the city from which it hailed, Left End faced the high and low points that fate offered with a tenacity that was stronger than may seem rationale. Stories about the band and its flamboyant singer, Dennis T. Menass, are tales of legend. Left End drummer, Patsy Palombo, tells the real stories about the band's roller coaster career, its external and internal struggles, and how the quest for one's dream can be as gratifying as attaining the dream.

Hidden History of Youngstown and the Mahoning Valley Sean T. Posey,2022 Join the author of *Historic Theaters of Youngstown and the Mahoning Valley* and *Lost Youngstown* in an excavation of forgotten stories from bygone days. Beyond steel and rust, Youngstown and the Mahoning Valley share a rich, but often overlooked past. During the late 1910s, the ever-present smoke blanketing the area could not hide the fires from the burning business district of East Youngstown or the city streets deserted from Spanish influenza. Over twenty years later, the Mahoning Valley lived under another dark cloud, the Great Depression, but instead of violence and destruction, the men and women of the WPA busied themselves with building up the region and dreaming of better days. Journalist and historian Sean Posey excavates the history behind familiar landmarks, forgotten institutions, and historic sites that connect Mahoning Valley history to the story of the evolution of industrial America.
