Congress of Wo/men Elisabeth Schussler Fiorenza, 2021-03-16 Reframing Ideas about Feminist Theory and Theology for the 21st Century In Congress of Wo/men: Religion, Gender, and Kyriarchal Power, leading feminist scholar Elisabeth Schüssler Fiorenza challenges the tendency in feminist theory to leave behind religion—a space of struggle, resistance, and social transformation—as a place for feminist politics. She also confronts the tendency of religious feminists to view women as if they are all the same, or to limit them to complementary roles with men. Presenting an alternative vision for global justice within the landscape of neoliberal kyriarchy, Schüssler Fiorenza calls upon religious and non-religious feminists to engage in transformation through struggle, friendship, and community. Further, this groundbreaking book's final chapter opens up the discussion for future feminist work, drawing the reader into an imagined community of feminist readers with whom the reader can agree or disagree, but nevertheless struggle alongside to imagine a more just world.

"W.O. Mitchell's Jake & the Kid: the Popular Radio Play as Art & Social Comment." Alan J. Yates, 2010-06-10 W.O. Mitchell's Jake & The Kid captivated radio audiences in the days before television and enjoyed ratings that rivalled those for the radio broadcasts of the CBC's Hockey Night in Canada. These homespun tales about the hired hand, Jake Trumper and his sidekick, The Kid, explored very human stories about life on the often cruel Prairies of Saskatchewan in a humorous vein that made a household name for the series across the breadth of Canada. Although he wrote many novels, most notably Who Has Seen the Wind, featured during the ceremonies at the 2010 Vancouver Olympics, Mitchell was as well known for these folksy plays. They enabled him to hone his writing craft in a mass medium, when few other outlets were available; to tackle social issues of the day with a light hand, and to develop many of the themes he would explore in his later novels. This study analyzes these popular radio plays, their Prairie and literary roots, the production process and their contribution and critical reception.

General Technical Report WO. , 1975

Cantata No. 166 -- Wo gehest du hin? Johann Sebastian Bach, A Choral Worship Cantata in SATB with SATB Soli voicing, composed by Johann Sebastian Bach.

O'wo and the Solo Dog O'wo Carmichael, 2014-02-06 O'wo and the Solo Dog is the first of what I hope are many enjoyable and magical tales of O'wo (that's me) and the Solo dog (that's him over there lying down, napping). This book is about the "magical talents" Solo is sharing with me along with all his animal friends. These tales are intended to entertain and amaze, but in order to enjoy, you must believe. So close your eyes and take a deep breath; now open them and get ready. Join me, Toby (our oldest grandson, in this book 1), and of course, the Solo dog as we learn . . . Animals really do talk! And like many circumstances in our everyday lives, we all can learn from so much from those around us. Please enjoy O'wo and the Solo Dog, a labor of love.

Wo/men, Scripture, and Politics Elisabeth Schussler Fiorenza, 2021-08-31 In Wo/men, Scripture, and Politics, Elisabeth Schüssler Fiorenza, brings to bear years of trailblazing scholarship of feminist thought and hermeneutics onto the current political and cultural landscape. In this book, she seeks to articulate and use biblical interpretation as intervention into the failure of the democratic cultural-political imagination. Although such an intervention is often taboo for supposedly neutral academic scholarship, Schüssler Fiorenza argues that it is politically necessary because political argument today so often utilizes biblical rhetoric in the public square. e biblical-political analysis and suggestions of this book are developed in four chapters, each focusing on the role of the Bible in struggles over women's leadership in the present, touching on the cultural "double bind" of women in politics, sexual abuse, power, and the #MeToo movement. Schüssler Fiorenza's insights and arguments not only lead to the development of reimagined cultural biblical imprints of women in the political arena, but they also encourage her readers to add their own biblical examples to inspire them in their struggle for a biblical vision of "women in the public square." is is an insightful, challenging book written for our time by someone who has always seemed to be ahead of hers.

Cantata No. 5 -- Wo soll ich fliehen hin Johann Sebastian Bach, A Choral Worship Cantata in SATB with SATB Soli voicing, composed by Johann Sebastian Bach.

Forest Service Research Paper WO. ,1964

A Farther Warning of the Second Dreadful Wo that is now at hand; and of the third dreadful wo which cometh soon after it; taken from the sacred prophecy of Daniel. MS. notes Digby Bull,1702

U.S. Forest Service Research Paper WO ,1964

Annales Monastici: Index and glossary Henry Richards Luard,1869

Big-(Wo)men, Tyrants, Chiefs, Dictators, Emperors and Presidents Francesco

dell'Isola,2019-07-19 This book highlights mathematical ideas to help explain a number of important aspects of the dynamics of social groups. These ideas are similar to those used to describe the behaviour of Lagrangian mechanical systems, and as such this book appeals to anyone wanting to gain an understanding of the intrinsic unity of natural phenomena.
