Leopard at the Door Jennifer McVeigh,2017 Set in Kenya in the 1950s against the fading backdrop of the British Empire, a story of self-discovery, betrayal, and an impossible love from the author of The Fever Tree. After six years in England, Rachel has returned to Kenya and the farm where she spent her childhood, but the beloved home she'd longed for is much changed. Her father's new companion--a strange, intolerant woman--has taken over the household. The political climate in the country grows more unsettled by the day and is approaching the boiling point. And looming over them all is the threat of the Mau Mau, a secret society intent on uniting the native Kenyans and overthrowing the whites. As Rachel struggles to find her place in her home and her country, she initiates a covert relationship, one that will demand from her a gross act of betrayal. One man knows her secret, and he has made it clear how she can buy his silence. But she knows something of her own, something she has never told anyone. And her knowledge brings her power.

Mystic Pieces Ada Bell,2021-01-11 Introducing the Shady Grove Psychic Mystery series, small town paranormal cozy mysteries starring Aly, a biology student who doesn't believe in the supernatural until she gets hit with an unexpected vision. Aly's not happy with her newfound power. With a degree to finish, a nephew to care for, and a new job at an antique store, Aly has her hands full. But when a cranky customer is killed and her boss Olive becomes the prime suspect, Aly must use her gifts to clear Olive's name. The corrupt sheriff is more interested in making a quick arrest than finding the truth. Can Aly learn to combine her visions with her STEM background and find the real killer before it's too late? Join Aly on a suspense-filled journey with antiques, seances, and supernatural sleuthing. Perfect for fans of Stella Bixby, Annabel Chase, Amy Boyles, Lily Harper Hart, and Samantha Silver. Buy now and discover the secrets of Shady Grove! Praise for Mystic Pieces: Mystic Pieces is a charming, humorous, and original mystery that weaves a tale of murder and self-discovery with heart, family, and psychic visions. - Reader's Favorite This was a solid start to this paranormal cozy mystery series. I had fun reading this one. I liked the inclusion of Aly's psychic powers and how she tried to use them to help solve the mystery. It made sense how she got involved and how she went about figuring out who had done it. And I liked how natural and realistic instead forced some of the coincidences felt. The mystery kept me guessing, although the murderer wasn't too big of a surprise there were some nice twists along the way and I was never quite sure who the murderer was. I liked Aly as a main character and reading about her and her powers. I liked the side characters and how each had their own personality that made it easy to remember. All in all I really enjoyed this book and look forward to the next book in the series! - Lola's Book Reviews A cute and cozy introduction to the quirky and devoted characters, Mystic Pieces is the perfect first installment to the Shady Grove Psychic Mystery Series. - Literary Lioness

Making Space Jayne Hardy,2019-12-26 Boundaries and self-care go hand in hand; you can't have one without the other. We understand the importance of self-care, but how do we protect the space within which we do it? When we have healthy boundaries, we create a space between us and all else, where we feel safe, clear and confident in who we are and what we want and need. Our boundaries - the limits we place on what we will and won't tolerate - define our routines, habits, choices, parenting, jobs, relationships; everything. And there's nothing more important for our self-care. In this practical guide, Jayne Hardy - author of The Self-Care Project and founder and CEO of The Blurt Foundation - helps us explore our existing boundaries; the ones that work for us and the ones that work against us; and guides us on creating new boundaries so that our physical, mental, emotional and digital spaces are protected. Packed with friendly advice, the latest research and worksheets to help you reflect on your own experiences, Making Space is for anyone who feels overwhelmed, disconnected or walked on by life, and wants to make a change in an ever-encroaching world.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people

avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Slobberknocker Jim Ross, Paul O'Brien, 2017-10-03 The Wrestling Biography You've Been Waiting For! There are few people who have been in the wrestling business longer than Jim Ross. And those who have made it as long as he has (half a century to be exact) probably made enemies or burned bridges. But that's just not JR. Slobberknocker is the story of how an Oklahoman farm kid, with a vivid imagination and seemingly unattainable dreams, became “The Voice of Wrestling” to record TV audiences and millions of fans around the world. Jim opens up about his life as an only child on a working farm, who became obsessed with professional wrestling having first saw it on his grandparent's TV. Even though the wrestling business was notoriously secretive and wary of “outsiders,” he somehow got a foot in the door to start a historic career, one where he held almost every job in the business?from putting up the ring to calling matches, from driving his blind, drunk boss towards revenge, to consoling two naked 600 pound brothers in the shower room after a rough match. With all those adventures and responsibilities, he's also recognized as the man who built and nurtured a once-in-a-generation talent roster that took the WWE to new heights, including “Stone Cold” Steve Austin, Brock Lesnar, and The Rock to name a few. Readers will finally get the opportunity to hear never-before-told stories about the politics, wackiness, and personalities of all the biggest stars. But this isn't just a wrestling story. It's a story about overcoming adversity and achieving your dreams, as success did not come without significant costs and unforeseen challenges to JR, including multiple bouts of severe facial paralysis called Bell's Palsy. Currently the host of the podcast The Ross Report, any fan of wrestling?from the territory days to today?will be enthralled with stories from the road and behind the scenes. Slobberknocker is the first time Ross tells his story?and you don't want to miss it!

Rachel Maddow Lisa Rogak, 2020-01-07 The first biography of the most popular anchor in cable news. Rachel Maddow has beaten the odds in a way that's novel in today's America: she uses her brain. In a world of banal and opinionated soundbites, she regularly crushes Sean Hannity's ratings thanks to her deeply researched reports. And in our highly polarized world, Maddow amiably engages the staunchest conservatives, while never hesitating to expose their light-on-facts defenses. As a result, she's become the top anchor for MSNBC and a beloved representative for all that progressive America holds dear. The news that Maddow was the first publicly-out lesbian to anchor a prime-time TV news show seemed almost anticlimactic to her millions of viewers, who will be surprised and intrigued by little-known details of her life, as written by New York Times bestselling biographer Lisa Rogak. Growing up in a conservative California town – and viewing herself as a perennial outsider – helped spark an early interest in activism. After attending Stanford and Oxford, she opted for a minimum-wage job as a radio DJ in a tiny Massachusetts market while finishing her Ph.D. She planned to pursue a career as an activist, but 9/11 changed all that, so she returned to local radio where she could help listeners by explaining stuff. A stint at Air America raised her national profile, which led to her groundbreaking MSNBC show where she dissects the news of the day with an approach found nowhere else on TV.

Make It Rain! Areva Martin, 2018-03-20 NATIONAL BESTSELLER What if you could get in front of millions of prospects with the avid endorsement of famous influencers--without spending a dime? It's happening right in front of you every day. Guest experts on TV, radio, podcasts, blogs, and live streaming are getting local and national exposure for their business and brand that they could never have afforded to reach with ads. For a decade, Areva Martin has used the media to build a huge platform that expanded the influence and power of her brand exponentially. Media appearances on Dr. Phil, Anderson Cooper 360, The Doctors, CNN, MSNBC, FOX, and more have virtually eliminated the need of a marketing budget for her thriving law firm and non-profit organization, while securing her place as one of America's most sought after thought leaders. In *Make It Rain!* Areva breaks the silence to reveal what insiders know about the power of media appearances to revolutionize a business and brand and get your core message out to the people who need it most. You'll learn how to: Match your brand to the right audience and media venues Craft pitches producers can't resist Jump on breaking news shows Pivot and speak in soundbites like the pros Amplify every interview with social media Turn appearances into platform and become a rainmaker Never before have there been more ways to build a presence that matters. Whether you are the executive of a corporation, the author of an upcoming book, the owner of a rapidly growing small business, or the public face of a local nonprofit or association, if you have a business to build or people you want to help, nothing beats using the media to create the visibility, influence, and power you need. Are you ready to *Make It Rain!*?

We Have Your Daughter Paula Woodward, 2016-09-22 New information from *We Have Your Daughter* has been revealed. Here is some of it. The Family As a top reporter in Denver, Paula Woodward was one of the few who had access to the Ramsey attorneys and thus the family. One of the prevailing questions in most of the television specials is about the bowl of pineapple on the kitchen table with Burke and Patsy's fingerprints on the bowl. That pineapple has been linked to JonBenét's death on some television broadcasts because of a reference in the autopsy to JonBenét having “fragments like pineapple” in her stomach. For more than a year after the murder, the pineapple theory behind her death was talked about. But when Boulder police finally had the material in her stomach tested at the University of Colorado in Boulder in October of 1997, they found out two months later in December, that the material was pineapple, plus grapes, grape skins, and cherries. That is food similar to that found in a fruit cocktail. What does that mean? This is the type of exclusive and factual information you will find in *We Have Your Daughter* that allows you to challenge preconceived theories. In 2010, Woodward interviewed Burke Ramsey specifically for her book. • Burke discussed his family and the chaos surrounding the case. Woodward has obtained a Boulder Social Services Evaluation of the Child about Burke Ramsey that states “From the interview it is clear that Burke was not a witness to JonBenét's death.” That raises more doubts about those who believe Burke was involved in his sister's death and again reinforces the information Woodward has researched and uncovered. • In an interview with Burke Ramsey from 2010, he talks about his mom and how she taught him he could be optimistic or pessimistic about all the tragedies in their family. She chose positive for herself and so did he both believing it was important to find joy in each day. • After Patsy Ramsey was diagnosed again with cancer in 2002, she began sharing private conversations with Paula in 2004 and 2005. This information was to be used after she died. • John Ramsey gave Paula access to his personal journal as well as access to JonBenét's personal drawings and photos The Handwriting Test Results Handwriting is another key controversial part of this investigation and story. Paula has information and findings that show issues with how Boulder Police handled this aspect of the

investigation. She discusses the results of the handwriting. Exclusive Reports & Documents Investigative Reporter Paula Woodward reviewed portions of thousands of police reports and documents for her book. Here are some highlights of her findings which she includes in the book, all of which affected the investigation and the public’s view of the family. Exclusive: The police report from the Boulder Police Officer who was FIRST to arrive on scene the morning of December 26, 1996 – before JonBenét’s body was found and why he didn’t find it. Exclusive: In the police report from the BPD Detective who stayed on scene until JonBenét’s body was found – Paula lists some discrepancies in that report. Exclusive: Paula discovered what she calls a “deliberate campaign of disinformation” by law enforcement, based on information she received from her sources. She also cites issues with the media coverage, with outlets reporting information without verifying it. Woodward says much of the information and “anonymous leaks” reported were untrue and has all had an effect on the investigation. She cites several examples. Exclusive: Paula found found that Boulder police withheld the results of the DNA tests that excluded the Ramsey family from both the Boulder district attorney and the public. The evidence that was submitted as DNA excluded the Ramseys. In *We Have Your Daughter: The Unsolved Murder of JonBenét Ramsey Twenty Years Later*, Emmy Award-winning investigative journalist Paula Woodward offers an unprecedented, definitive, insider perspective on the twentieth anniversary of one of the most heinous, sensationalized, unsolved crimes in American history. Here for the first time, Woodward examines conversations and information from all sides of those involved in the case. She shares information compiled during the twenty years she reported on the murder, including private conversations with law enforcement individuals directly involved in the case, their thoughts and dissections of what went wrong and right, and who they now believe is the killer. Woodward has included drawings by JonBenét, letters from her teachers, and photographs that show a normal, happy six-year-old whose life was cut short in such a horrible manner. She shares portions of John Ramsey’s private journal, where he wrote of his torment and grief in the aftermath of the murder. And she recounts personal conversations with JonBenét’s mother prior to her death from cancer in 2006. JonBenét’s brother Burke talks publicly about his sister’s death and how it affected the family and his life. *We have Your Daughter* is an extraordinary work of journalism, twenty years in the making. It depicts a family under siege with their guilt or innocence still openly questioned. This book allows readers to decide in this heartbreaking story - was it Ramsey or an unknown intruder?

A Wilderness of Error Errol Morris, 2014-01-22 Soon to be an FX Docuseries from Emmy® Award-Winning Producer Marc Smerling (*The Jinx*) featuring the author Errol Morris! Academy Award-winning filmmaker Errol Morris examines one of the most notorious and mysterious murder trials of the twentieth century In this profoundly original meditation on truth and the justice system, Errol Morris—a former private detective and director of *The Thin Blue Line*—delves deeply into the infamous Jeffrey MacDonald murder case. MacDonald, whose pregnant wife and two young daughters were brutally murdered in 1970, was convicted of the killings in 1979 and remains in prison today. The culmination of an investigation spanning over twenty years and a masterly reinvention of the true-crime thriller, *A Wilderness of Error* is a shocking book because it shows that everything we have been told about the case is deeply unreliable and that crucial elements of case against MacDonald are simply not true.

Fragments of a Revolution Seb Doubinsky, 2021-05-05 1969: Revolution in Mexico! Decades later, charismatic guerrilla leader Lorenzo lives in Europe with a young son. Approached by a German revolutionary organization, he struggles to recall repressed memories of violence, absurdity, and tragedy.

Brew It Yourself Nick Moyle, Richard Hood, 2015-07-21 A home brew revolution is underway. No longer the preserve of '70s throwbacks, a new wave of booze-makers are brewing, fermenting and infusing in their home kitchens, making an exciting array of alcoholic drinks. *Brew it Yourself* is a collection of more than 75 homegrown brewing recipes, sure to put a fizz back into this popular pastime by adding a modern twist to some old favourites and introducing whole new range of drinks to tantalise the taste buds. Combining two of their passions--alcohol and gardening--authors Richard Hood and Nick Moyle (the Two Thirsty Gardeners) take special care to explain the importance of the ingredients in each of their recipes--whether grown in the garden, foraged in the wild or bought from their local supermarket. With drinks ranging from a classic elderflower sparkle to homemade absinthe, Richard and Nick bring the art of brewing back to earth. They'll tell you how to turn surplus fruit harvests into amazing wines and liqueurs; introduce you to the ancient arts of mead and cider making; guide you through some easy beer recipes, from hop packed IPAs to a striking Viking ale; use surprising ingredients such as lavender and nettles for some fun sparkling drinks; and take you on a world booze cruise that includes a Mexican pineapple tepache, Scandinavian mulled glogg and Finnish lemon sima. *Brew it Yourself* also debunks myths, celebrates experimentation and takes the fear out of the science of fermentation. It proves that creating your own tasty alcoholic drinks doesn't need to be complicated, doesn't need to be costly and, most importantly, can be a whole lot of fun. --Amazon.
