Once Upon a Wardrobe Patti Callahan, 2021-10-19 College student Megs Devonshire sets out to fulfill her younger brother George's last wish by uncovering the truth behind his favorite story. What transpires is a fascinating look into the bond between siblings and the life-changing magic of stories. 1950: Margaret Devonshire (Megs) is a seventeen-year-old student of mathematics and physics at Oxford University. When her beloved eight-year-old brother asks Megs if Narnia is real, logical Megs tells him it's just a book for children, and certainly not true. Homebound due to his illness, and remaining fixated on his favorite books, George presses her to ask the author of the recently released novel *The Lion, the Witch and the Wardrobe* a question: "Where did Narnia come from?" Despite her fear about approaching the famous author, who is a professor at her school, Megs soon finds herself taking tea with C. S. Lewis and his own brother Warnie, begging them for answers. Rather than directly telling her where Narnia came from, Lewis encourages Megs to form her own conclusion as he shares the little-known stories from his own life that led to his inspiration. As she takes these stories home to George, the little boy travels farther in his imagination than he ever could in real life. After holding so tightly to logic and reason, her brother's request leads Megs to absorb a more profound truth: "The way stories change us can't be explained. It can only be felt. Like love." From the New York Times bestselling author of *The Secret Book of Flora Lea* A captivating, standalone historical novel combining fact and fiction An emotional journey into the books and stories that make us who we are Includes discussion questions for book clubs

Our Lady's Wardrobe Anthony DeStefano, 2020-04-16 This delightful rhyming book introduces Catholic children to the Blessed Virgin Mary in a fun and simple way-through her clothes! When Our Lady lived in Nazareth two thousand years ago, she was very poor and probably didn't have many nice things to wear. But now that she's in Heaven, she has an enormous mansion. And in that mansion she has an incredibly beautiful wardrobe filled with a great variety of dresses, veils, slippers, sashes, robes, rings and crowns. Over the centuries, Our Lady has visited the people of Earth many times. On each of these occasions she has dressed very differently. *Our Lady's Wardrobe* tells the story of some of her most famous apparitions, highlighting the clothes she wore and the things she did. By reading this book, children will not only learn about the Mother of God, but will also learn the main purpose of her life-to love and serve her son, Jesus Christ, and to lead others to do the same.

Capsule Wardrobe Nancy Rose, 2018-11-23 Is your closet jam-packed and yet you have absolutely nothing to wear? Can you describe your personal style in one sentence? If someone grabbed a random piece from your closet right now, how likely is it that it would be something you love and wear regularly? Our choice of clothing reflects not only our fashion sense but also our personality. For example, you can easily distinguish between a serious, conservative business person and an artistic free spirit simply by the way they are dressed. In either of these cases, and everything in between, the majority of people tend to either try to keep up with the latest fashion trends, or they try to make a statement by breaking fashion norms. Like it or not, the common tendency among women is to buy clothing and accessories on a whim. Although men are capable of this as well, it seems to be a problem that is much more prevalent for women. When we see something we like, we buy it even if we don't know when or where to wear it. To justify these impulse purchases we simply tell ourselves that we'll find some use for it in the future. Because of this reckless habit, we have piles of clothes in our closets waiting to be worn. How many times have you found yourself frustrated looking for the right clothes to wear? Why is it that after digging through your closet for half an hour, you still can't find anything good to wear? If this describes a scenario that you're all-too familiar with, then it's time to admit it: you have a wardrobe problem that needs to be addressed immediately. This may sound far-fetched, but a wardrobe problem can negatively affect your day by causing a great deal of unnecessary anxiety. If you haven't picked out your outfit the night before, you find yourself stressed out first thing in the morning as you try to determine what to wear. This is not exactly the best way to start your day. After work has concluded, you may have realized that the stress caused by your dysfunctional wardrobe has caused more damage to your day than you could ever expect. Armed with this realization, you know it's time to do something drastic. Perhaps by now you have already thought of throwing away everything in your closet and starting a whole new wardrobe from scratch. Well that's a start, but what's next? Chances are it

won't be long before you resume your old habit of filling up your closet with useless clothes and, voila! You're back at it with the same old wardrobe dilemmas. Here's a better solution: A capsule wardrobe is the answer to your problems! Although it may be hard to believe that just a few dozen well-chosen clothing items and accessories can keep a woman properly dressed for any occasion, that's exactly what a capsule wardrobe does. Not only will it prevent you from buying the wrong clothes, it will also spare you from the stress caused by having a dysfunctional wardrobe with too many choices. With this book, you will understand how to create the wardrobe combination of your dreams and say goodbye to your frustrations. It's time to clean up your closet, declutter your mind, and spice up your personal style. If you are not satisfied with your purchase, we offer you a 30-day money back guarantee.
