Advanced Introduction to Advertising De Pelsmacker, Patrick,2022-01-21 This Advanced Introduction provides a concise yet thorough guide to understanding and planning advertising, while answering the key questions at the forefront of this modern topic: what is advertising? What is its role in businesses and organizations? And what are the implications of the offline-online shift?

**An Anthology of Blackness** Terresa Moses,Omari Souza,2023-10-31 An adventurous collection that examines how the design field has consistently failed to attract and support Black professionals—and how to create an anti-racist, pro-Black design industry instead. An Anthology of Blackness examines the intersection of Black identity and practice, probing why the design field has failed to attract Black professionals, how Eurocentric hegemony impacts Black professionals, and how Black designers can create an anti-racist design industry. Contributing authors and creators demonstrate how to develop a pro-Black design practice of inclusivity, including Black representation in designed media, anti-racist pedagogy, and radical self-care. Through autoethnography, lived experience, scholarship, and applied research, these contributors share proven methods for creating an anti-racist and inclusive design practice. The contributions in An Anthology of Blackness include essays, opinion pieces, case studies, and visual narratives. Many contributors write from an intersectional perspective on race, gender, sexuality, ethnicity, and ability. Each section of the book expands on community-driven concerns about the state of the design industry, design pedagogy, and design activism. Ultimately, this articulated intersection of Black identity and Black design practice reveals the power of resistance, community, and solidarity—and the hope for a more equitable future. With a foreword written by design luminary Elizabeth (Dori) Tunstall, An Anthology of Blackness is a pioneering contribution to the literature of social justice. Contributors Kprecia Ambers, Jazmine Beatty, Anne H. Berry, John Brown VI, Nichole Burroughs, Antionette D. Carroll, Jillian M. Harris, Asher Kolieboi, Terrence Moline, Tracey L. Moore, Lesley-Ann Noel, Pierce Otlhogile-Gordon, Jules Porter, Stacey Robinson, Melanie Walby, Jacinda N. Walker, Kelly Walters, Jennifer White-Johnson, Maya Aduba Williams, S. Alfonso Williams

Older Adults, Health Information, and the World Wide Web Roger W. Morrell,2001-11 This work explores how the Web might be used to deliver current, easily accessible health information to adults over the age of 60 and their caregivers. It considers how age-related changes in vision, cognitive function, and motor skills impact on the delivery of health information.

**Shaping Social Justice Leadership** Linda L. Lyman,Jane Strachan,Angeliki Lazaridou,2012-05-31 Shaping Social Justice Leadership: Insights of Women Educators Worldwide contains evocative portraits of twenty-three women educators and leaders from around the world whose actions are shaping social justice leadership. The portraits are framed with relevant scholarship and grouped thematically. Each carefully crafted portrait highlights an aspect of a chapter theme, followed by practical insights. The chapters develop a range of cultural comparisons, illustrate imperatives for social justice leadership, and examine values, skills, resilience, leadership pathways and actions. The authors invite all educators—both women and men—to shape social justice leadership through collective efforts around the globe that create new possibilities for a more just world.

**Holy Night and Little Star** Mitali Perkins,2023-09-05 A luminous and tender retelling of the Christmas story from National Book Award nominee Mitali Perkins, author of Bare Tree and Little Wind, that is sure to become a cherished holiday favorite for families of faith. Little Star likes her usual spot in the night sky over Bethlehem. Every night, she twinkles above the hills and hopes that nothing will change. But one night, Maker gathers the galaxy! Holy Night is coming, and Maker wants the planets, Moon, and the stars to all take part. As Maker doles out jobs, Little Star holds back, each new role sounding too hard or too scary. But when Maker eventually calls on her to shine, Little Star discovers she is ready and able to welcome the Child and joins the other stars and planets in celebration. Khoa Le's shimmering illustrations are the perfect complement to Mitali's unique take on the Christmas story. Readers young and old will be captivated by Little Star's journey as she discovers that Maker welcomes even the quietest gifts. Parents of faith will appreciate the message about the true gifts of Christmas and the foreshadowing of Jesus' mission of salvation, making it a book families can enjoy together year after year.

**The Text That Nature Renders** Leonard Chepel,2018-07-25 I looked through many events of my oceangoing past and sorted out these seven survival scenarios, in which the main characters ventured into the boundless scene of nature that to see and feel what one great man, Ernest Shacklton, confessed a long time ago: We had seen God in His splendors, heard the text that Nature renders1959 And eventually, it happened to most of them, my friends and colleagues, who became the heroes-actors of the stories, which I still perceive and clearly see in my vivid memory like it happened yesterday: the fledgling lonely marine on a raft, drifting on the high seas and fighting for his life; the tender lady, armed just with a primitive spear, battling with a dreadful beast to save the other people; the scouts miraculously coming alive out of hell of the Antarctica tempest in Royal Bay of South Georgia; the nonchalant mariners, enjoying the Arctic scenery and escaping a huge polar bear; the crew of a fishing trawler struggling for survival when trapped by hurricanes Debbie and Camille on the Grand Banks. The last two stories of Howling Wilderness and The Castaways of frozen Land are about the most remarkable survival in Siberia and on Arctic islands.

**In Silico Technologies in Drug Target Identification and Validation** Darryl Leon,Scott Markel,2006-06-13 The pharmaceutical industry relies on numerous well-designed experiments involving high-throughput techniques and in silico approaches to analyze potential drug targets. These in silico methods are often predictive, yielding faster and less expensive analyses than traditional in vivo or in vitro procedures. In Silico Technologies in Drug Target Identification and Validation addresses the challenge of testing a growing number of new potential targets and reviews currently available in silico approaches for identifying and validating these targets. The book emphasizes computational tools, public and commercial databases, mathematical methods, and software for interpreting complex experimental data. The book describes how these tools are used to visualize a target structure, identify binding sites, and predict behavior. World-renowned researchers cover many topics not typically found in most informatics books, including functional annotation, siRNA design, pathways, text mining, ontologies, systems biology, database management, data pipelining, and pharmacogenomics. Covering issues that range from prescreening target selection to genetic modeling and valuable data integration, In Silico Technologies in Drug Target Identification and Validation is a self-contained and practical guide to the various computational tools that can accelerate the identification and validation stages of drug target discovery and determine the biological functionality of potential targets more effectively. Daniel E. Levy, editor of the Drug Discovery Series, is the founder of DEL BioPharma, a consulting service for drug discovery programs.

He also maintains a blog that explores organic chemistry.

*Gothic Revival Worldwide* Timothy Brittain-Catlin,Jan De Maeyer,Martin Bressani ,2017-01-18 Pugin’s global influence on church architecture and material reform The year 2012 marked the bicentenary of the gothic revival architect A.W.N. Pugin. His influence as a designer not only spread fast globally, but also played a leading part in the transformation of material culture from the mid-nineteenth century onwards. Pugin’s work has been comprehensively reevaluated over the last decade. In this volume sixteen leading scholars from across the globe discuss Pugin’s direct influence on church architecture and furnishing. Beautifully illustrated with a large selection of new photography, Gothic Revival Worldwide, the successor to the volume Gothic Revival published in 2000, reveals how Pugin’s ideas played a profound role in the changing face of material reform in church architecture as an expression of the evolving identity of the churches across the world from North America to Mongolia and the South Pacific. Contributors Stephen Bann (Bristol University), Jessica Basciano (University of St. Thomas, Houston), G.A. Bremner (University of Edinburgh), Martin Bressani (McGill University, Montréal), Karen Burns (University of Melbourne), Timothy Brittain-Catlin (University of Kent), Peter Coffman (Carleton University, Ottawa), Thomas Coomans (KU Leuven), Jan De Maeyer (KU Leuven / KADOC), Candace Iron (York University, Toronto), Stephen Kite (Cardiff University, Wales), Alex Lawrey (independent scholar), Peter N. *Harry Potter’s World Wide Influence* Diana Patterson,2009-10-02 The Harry Potter series forms a single epic story that has been published in nearly 70 languages, and has been examined in a large number of disciplines. This collection of essays contributes to the scholarly discourse that forms Potter Studies. These essays take on the consideration of Rowling's work as being worthy of study as a phenomenon and influence, as well as a work of literary value. They add genuine statistical information about the reasons for the books' popularity, consider their effects on child readers, and examine some deep-rooted reasons for their having been manipulated in American publishing, in film adaptations, in musical complements, and in their thingification in popular culture around the world. Some of these essays take on the critics of the books' religion and considerations of psychological, as well as philosophical good and evil, and well as some stylistic anomalies. The fact that scholars from China, Germany, Poland, Romania, and Israel, in addition to English-speaking nations, have felt compelled to examine these books in detail testifies in part to Harry Potter's world-wide influence.

*The Oxford Guide to The Book of Common Prayer* Cynthia L. Shattuck,2006-07 This is a survey of the history of the 'Book of Common Prayer', and its descendants throughout the world. The guide shows how a classic text for worship and devotion has become the progenitor of an entire family of religious resources that have had an influence far beyond their use in Anglican churches.
