Playful Worship Kylie Stacey, 2013

Worship by the Book Rev. Mark Ashton, R. Kent Hughes, Timothy Keller, 2010-06-01 “What is at stake is authenticity. . . . Sooner or later Christians tire of public meetings that are profoundly inauthentic, regardless of how well (or poorly) arranged, directed, performed. We long to meet, corporately, with the living and majestic God and to offer him the praise that is his due.”—D. A. Carson Worship is a hot topic, but the ways that Christians from different traditions view it vary greatly. What is worship? More important, what does it look like in action, both in our corporate gatherings and in our daily lives? These concerns—the blending of principle and practice—are what *Worship by the Book* addresses. Cutting through cultural clichés, D. A. Carson, Mark Ashton, Kent Hughes, and Timothy Keller explore, respectively: *Worship Under the Word* · *Following in Cranmer’s Footsteps* · *Free Church Worship: The Challenge of Freedom* · *Reformed Worship in the Global City* “This is not a comprehensive theology of worship,” writes Carson. “Still less is it a sociological analysis of current trends or a minister’s manual chockfull of ‘how to’ instructions.” Rather, this book offers pastors, other congregational leaders, and seminary students a thought-provoking biblical theology of worship, followed by a look at how three very different traditions of churchmanship might move from this theological base to a better understanding of corporate worship. Running the gamut from biblical theology to historical assessment all the way to sample service sheets, *Worship by the Book* shows how local churches in diverse traditions can foster corporate worship that is God-honoring, Word-revering, heartfelt, and historically and culturally informed.

Words For Worship 2 Diane Zaerr Brennehan, 2009-07-06 Dianne Zaerr Brennehan has assembled a dynamic collection of prayers, litanies, and other elements for worship throughout the church year. Contributors use fresh language and vivid images and give congregations the words to help give voice to their worship. Several extensive indices make quick work of finding pieces to fit a theme. An additional section features elements for morning and evening prayers, praying in public places, and for special times within regular worship, such as blessings, and dedications, commissioning, and laments. Sample services not often provided in other resources include the Longest Night, Christmas Eve, Ash Wednesday, Good Friday, Labor Day, and All Saints’ Day. Lay worship leaders and pastors will find this volume invaluable for planning vibrant worship services.

Creative Worship 2 Ian Price, 2002 Developed out of a tremendous interest in creative worship, this compilation of worship services comes from a call to churches across Canada, Australia, and the USA to submit liturgies and orders of worship. A number of very special liturgies came from this call, including A Christian Ritual Affirming Pregnancy, An Earth Day Service, A Service of Reconciliation for Congregations in Conflict, and a Service of Naming and Thanksgiving. Also included are poems, readings, songs, and other ideas to build creative worship services for key Sundays of the Christian year. For each

worship service there is a full liturgy. Includes a CD containing the text.

What Happens When We Worship Jonathan Landry Cruse,2020-10-20 Many churchgoers assume that worship is inherently boring, something we need to make exciting. But as Jonathan Landry Cruse shows, churchgoing only seems monotonous and mundane because our eyes are blinded to the supernatural wonder that is taking place all around us. In this book, Cruse helps us perceive the significance of worship and guides us through the spiritual actions of a worship service. Once you recognize how God is doing something to us and for us and through us in each element of the service, Lord's Day worship will become the highlight of your week! A Treasury of Prayer, Praise & Worship Dr. Trevor M. Chase, 2011-12-06 A Treasury of Prayer, Praise & Worship is the outcome of a verse-by-verse journey through every book in the Bible. This journey undertaken by this author has yielded a total of over 2,000 samples of communicating with God in acknowledgement of His beneficence, His magnificence, and His ultimate and unique Supremacy. This book does not only walk the reader through the scenic corridors of the awesomeness of our Lord, God Almighty, but it furnishes the soul with what it takes to navigate those corridors responsively in a manner that transcends the disconnectedness of ritualistic routine. Prayer, Praise and Worship is an educational adventure that connects with God's principles of prosperity, His treasures of Grace and mercy, the lifestyle riches of His wonderful ways, and the guidance and peace of His faithful responses – and yes – He does respond.

Proclamation and Praise Ronald Man, 2007-09-01 An important missing element in today's raging worship debates is a proper acknowledgment of the continuing ministry of the living Christ in mediating and leading our worship. This is a crucial truth that transcends issues of style and form and thus provides a foundation for a unified and unifying understanding of worship, in spite of the wide diversity of worship expressions that has always characterized the body of Christ. The wonderful fact is that we are not left to worship God on our own strength! Rather, the grace of God, which is so abundantly provided to us for our salvation and sanctification, can be seen to be just as operational and effectual when it comes to our worship. Our worship is acceptable and pleasing to God not because of any inherent excellence of its own, but because we come in Christ and his righteousness into the Father's presence. In Hebrews 2:12 we find an amazingly succinct yet powerful description of the two-way mediating ministry of Christ: he continues to be the agent of God's revelation to us and also serves as the leader and facilitator of our response back to God in worship. Christ does not just open or show us the way into the Father's presence in worship; he actively leads us, takes us with him so that we might enjoy the same relationship of love and fellowship that he himself enjoys with the Father. This transforming understanding opens up a wide range of complementary truths concerning the Trinitarian and Christological implications of worship--with profound implications for our churches.

Work and Worship Matthew Kaemingk, Cory B. Willson, 2020-11-17 The modern chasm between secular work and sacred worship has had a devastating impact on Western Christianity. Drawing on years of research, ministry, and leadership experience, Kaemingk and Willson explain why Sunday morning worship and Monday morning work desperately need to inform and impact one another. Together they engage in a rich biblical, theological, and historical exploration of the deep and life-giving connections between labor and liturgy. In so doing, Kaemingk and Willson offer new ways in which Christian communities can live seamless lives of work and worship.

Baptists and Worship R. Scott Connell, 2020-11-30 Worship is dialogue. It is more than that, but it is not

less than that. The way Baptists have worshiped for three and a half centuries demonstrates this consistently, in spite of their penchant for freedom and autonomy. No one tells Baptists how to order their worship services. They don't have a common liturgy that they must follow, and yet their services look remarkably similar. This is largely due to two controlling factors in their worship: The Bible that they embrace as inspired, inerrant, authoritative, and sufficient; and the Christ-revealing gospel that is contained within its pages. When the word of God is followed closely, a shape for worship order begins to emerge. It is the same "gospel-shape" that is found throughout the Bible. When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation, a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship. He is so glorious that when we behold him, we are transformed into the same image from one degree to another. This is the power of corporate worship (2 Cor 3).
