**HOLY SERMONS OF JAPJI SAHIB** ,2017-06-02 HOLY SERMONS OF JAPJI SAHIB are the holy verses which are uttered by First Master and Founder of SIKHISM Shri Guru Nanak Den Ji. After going through this holy book the feelings of true devotion, true faith and true love for the Almighty God who is the Creator of all and everything, will be created and developed both into the minds and hearts of the readers. The goal or main objective of the human life is only to have union with the Supreme Soul and to attain the salvation. The human life is provided to a person by the Lord so that he or she may make efforts to get rid of transmigration of the soul, to avoid the cycle of repeated births and deaths by performing noble and good deeds and by pondering over the pious name of the Almighty Lord. In this way one may achieve one's goal of life and one may make his or her life a successful one.

Japji Nānak (Guru),1987

The Sikh Gurus Harish Dhillon,2015-04-07 A comprehensive, compelling, and insightful narrative that traces the birth, the growth, and the spread of Sikhism – one of the world's most dynamic and progressive religions. In this perceptive work, Dr Harish Dhillon highlights the lives and times of the ten Sikh Gurus, beginning with Guru Nanak, who founded Sikhism in 1469, and ending with Guru Gobind Singh, who established the Khalsa Panth in 1699. It throws light on how the Gurus acquired profound knowledge and wisdom, which they sought to pass on to the common people through their teachings. Their life histories show how they sincerely practised what they preached and how they led by example. Apart from these, it recounts the enormous sacrifices the Gurus made to keep the faith going. In addition, the book gives elaborate details on how Sikhism has evolved over the centuries. This volume reveals the human side of the 'Divine Gurus' venerated not only by Sikhs, but also across various faiths in India and in other parts of the world. The contents in the book are intertwined with the underlying theme that the ideal religion (or faith) is one that is based on simplicity and keeps changing with the times, yet does not forget the very essence that it started with.

Guru Nanak's Call of the Soul Gurutej Singh Khalsa,2016-12-10 A step-by-step exploration of the sacred poem, Japji Sahib, composed by Guru Nanak, the first Sikh Guru.

Beyond Punjab Himadri Banerjee,2023-01-30 This book focuses on Sikh communities in east and northeast India. It studies settlements in Bihar, Odisha, West Bengal, Assam, Meghalaya, and Manipur to understand the Indian Sikhs through the lens of their dispersal to the plains and hills far from Punjab. Drawing on robust historical and ethnographic sources such as official documents, media accounts, memoirs, and reports produced by local Sikh institutions, the author studies the social composition of the immigrants and surveys the extent of their success in retaining their community identity and recreating their memories of home at their new locations. He uses a nuanced notion of the internal diaspora to look at the complex relationships between home, host, and community. As an important addition to the study of Sikhism, this book fills a significant gap and widens the frontiers of Sikh studies. It will be indispensable for students and researchers of sociology and social anthropology, history, migration and diaspora studies, religion, especially Sikh studies, cultural studies, as well as the Sikh diaspora worldwide.
