Breathing Room Steven Lange, 2015-06-20 Breathing Room brings together the #1 Best Selling Kindle Trilogy series, (Muddy Beginnings, Fragile Hope, and Awaited Sunrise) and consolidates the trilogy into one title both in print, and as an Amazon Kindle novel. Breathing Room is the raw, honest, unfiltered saga of a family fighting to survive, stay together and find joy as they struggle for daily survival. The story reveals how several people will respond differently to the same challenges, and the impact those struggles have on their lives. Breathing Room also reminds us that, even in the midst of tragedy, the funnier side of family life is still there in the form of sibling rivalries, roughhousing, practical jokes and young crushes. These are the events that make up the crazy family stories that we pass down to the next generation. Written by #1 Best Selling author Steven Lange, a third generation New Jersey resident, Breathing Room unfolds across many New Jersey towns. This novel is a no-holds-barred view of each family member's individual fight to overcome the circumstances around them, and the wrestling within their own hearts. You will become part of this 1960's family as they face great adversities that just keep coming, and as each family member searches for THEIR idea of breathing room. Breathing Room discards all pretense, and explores life turned upside down, including those conversations going on within our own heads that we are thankful that the rest of the world does not hear. Breathing Room reveals the challenges of life lived without filters, and is based upon the very real trials in the author's own life. Breathing Room is that place of rest that all of us look for. Here, we are sheltered from the pains of our past and fears of an uncertain future. Breathing room allows us the freedom to discover our own likes and dislikes while unchained from the strains of daily survival. Too often the demands of financial, medical, emotional or relational struggles prevent us from having the time and peace of mind to enjoy life's basic pleasures. Breathing Room is a family's journey on the way to living instead of just surviving. Within the book's pages is the message that there IS hope for a new start, joy CAN be found in the most difficult of times, and we are all a lot tougher than we may think we are. This tribute to the American family will inspire men and women of every age.

I'm Will William Haylon, 2012-09-20 In his parents' minds, Will was an underachiever. So they decided he should go to an expensive private high school that they couldn't really afford. They assumed smaller classes and an ostentatious campus would help him overcome his enduring indifference to growing up. Will watched as his father wrote some great essays for his applications. Still he only got into a single school of the nine to which he applied--off the wait list when another family couldn't afford the tuition. When Will arrived for his freshman year (or Class IV as the school called it), he quickly recognized he would rather be just about anywhere else. Over the next four years, he grew a foot, developed a dusting of facial hair, and mostly completed over six hundred nights of homework assignments. Among other things, he also was regularly grounded by his parents for uninspiring grades, was caught cheating, was introduced to alcohol, and had his heart tortured by a lesbian schoolmate with whom he was hopelessly in love. His final summer of high school is spent living in a monastery in Connecticut and working in Manhattan. His parents thought living with priests would help him develop more discipline and a healthier set of values. Instead, each evening he rode the commuter train home in the bar car with a group of adults he serendipitously met and provided him with a different kind of education than his parents' had intended. Will's life may have lacked purpose, but their standards were well below his own--and yet they were all successful in the ways that his school and his parents measured success. As punishment for some of his high school misadventures, Will had to write a thesis about someone he found interesting. He decided to write about himself. The result is I'm Will which shares an introspective glimpse into his struggle to find himself in

the confusing and contradictory world of growing up. As Will says, most of what he wrote is true—at least this is how he remembers it.

The Crossroads Mark Hostutler, 2004-03 The Crossroads: A Short-Story Collection is an assembly of seven unrelated tales of contemporary fiction seamlessly linked by two common denominators: themes extracted from normal, everyday occurrences and settings in the city of Philadelphia and its surrounding areas. Meet a financial advisor who, while choosing to remain anonymous, confesses the crime he and his three college roommates committed ten years before as a result of their gambling vices and a subsequent trip to Atlantic City gone awry...What happens when a young woman's disenchantment with the monotony of her nine-to-five job has become too much to bear?...Settle down in your front-row seat at the scene of a deathbed where the twenty-one-year-old child of a family struggles to cope with his father's imminent passing...And read the journal of a man offering his wisdom as he serves more than a life sentence in a prison like no other. In his witty and provocative debut book, experience the author's exceptional ability to dissect ordinary situations and unearth the extraordinary elements that lie within. Join him as he explores those prevalent, yet unforeseen moments of truth that we all encounter. Through a voice that's one of a kind, the stylish language of this brand of fiction, undoubtedly, speaks to people of all ages and is bound to keep you turning the pages!

Order Kindle Alexander, 2019-03-05

Running Clear Emil Mihelich, 2002-03-05 It's late January, 1967 and Ron Petrich of Tacoma, Washington, 22 years old and a mid-year graduate of Seattle University, has accepted an English teaching position at Lebanon Union High School in Lebanon, Oregon. Such a nondescript, Willamette Valley lumber and farming community may appear to be an unlikely spot for adventure, but times are changing. Ron, therefore, must confront the social, political, and religious chaos that characterizes the late 1960s—regardless of the location. The adventure of Love and Obedience that follows recalls that experienced by Huckleberry Finn and even by Adam and Eve in the Garden of Eden.

Pete C. MacBean, 2018-02-20 Pete, Forming the Foundation is a story about a farming family in Central Michigan during the Great Depression. When Marie, young and pregnant, learns she's been betrayed by her husband, she determines to raise the child without help from her estranged husband. The family comes alongside and provides the emotional and physical assistance she needs. Times are difficult for every American. Family, neighbors, and friends work together to get through dark days without government assistance. The family strives to form a foundation to stand Pete in good stead throughout his life. It touches on divorce, prejudice, anti-Semitism, a shell-shocked WWI veteran, and loss of the family homestead.

Culturematic Grant David McCracken, 2012 McCracken (Chief Culture Officer: How To Create a Living, Breathing Corporation) defines a culturematic as a little machine for making culture and a what if tool. They are small, cheap, open-ended, broadly focused experiments designed to uncover ideas we can't possibly guess we need and to generate a range of options. These experiments allow companies, marketers, innovators, and individuals to adapt to constant change and examine options with little risk or expense. Many will fail, but some will scale up. McCracken describes several successful culturemetics, discusses the theory behind them, and includes instructions on how to tailor these experiments to specific industries, as well as how to use them personally for improvement or self-discovery and what they can mean to corporations. He makes clear the differences between culturemetics and stunts or pranks and maintains a website (culturematic.com) in support of ongoing conversation on the subject. Verdict Engagingly written and accessible to both business and lay people, the book will have broad appeal to entrepreneurs, marketers, inventors, artists, and people looking for a creativity boost in their professional or personal lives.—Rachel Owens,

Daytona State Coll. Lib., FL(c) Copyright 2012. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc. No redistribution permitted.

Karoo Steve Tesich, 2004 The unnecessary scenes that a successful Hollywood script doctor has effortlessly cut from other people's screenplays seem to be threatening his own life. The ultimate fixer must now find an emotional and intellectual solution to the problems of his own life.

Don't Turn Your Back James E. Stodghill Jr., 2013-05-08 When Dave leaves home for a training convention, he leaves with a storm raging outside of his home, and a storm raging inside the life of his marriage. While on his trip, he picks up Pam in that storm, and the storms get continuously worse. Because of her, his life changes completely. Someone is trying to kill Pam, and because she is with Dave, he becomes a target. They find themselves running from the killers, the locals, and the law. It is only after they reach the fortune tellers house that they find out why it is all happening. Daves whole belief system is shaken as he endures one life threatening storm after another. In the beginning Dave was naive about good and evil. In the end, he gains first hand knowledge of both.

The Northern Light E. Werner, 2019-12-04 *The Northern Light* by E. Werner (translated by D. M. Mrs. Lowrey). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten-or yet undiscovered gems-of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

School Library Management Gail K. Dickinson, Judi Repman, 2015-01-26 This book compiles selected articles from Library Media Connection to help school librarians and pre-service librarians learn about how to implement best practices for school library management. At a time when budget cuts threaten the role of the school librarian, dynamic learning experiences can resurrect the usefulness of the library and the role of its staff. The seventh edition of this popular book helps librarians develop engaging school library programs for greater student involvement. Comprised of important articles from Library Media Connection (LMC), *School Library Management: Seventh Edition* is a compilation of best practices in the field of school library management. An excellent textbook for professors teaching LIS courses, the book contains updates to standards and technologies, and features the latest initiatives guiding practices, including Standards for the 21st Century Learner and Empowering Learners: Guidelines for School Library Programs. Each of the book's five sections features helpful tips from LMC and lists relevant resources for school library management. Selected articles address standards, inquiry, ethics, and information literacy. The book also includes a focus on the role of the school librarian in designing authentic assessments.

The Next Best Thing Jennifer Weiner, 2012-07-03 Blockbuster #1 New York Times bestselling author Jennifer Weiner returns with an irresistible story about a young woman trying to make it in Hollywood... Actors aren't the only ones trying to make it in Hollywood....At twenty-three, Ruth Saunders left her childhood home in Massachusetts and headed west with her seventy-year-old grandma in tow, hoping to make it as a screenwriter. Six years later, she hits the jackpot when she gets *The Call*: the sitcom she wrote, *The Next Best Thing*, has gotten the green light, and Ruthie's going to be the showrunner. But her dreams of Hollywood happiness are threatened by demanding actors, number-crunching executives, an unrequited crush on her boss, and her grandmother's impending nuptials. Set against the fascinating backdrop of Los Angeles show business culture, with an insider's ear for writer's room showdowns and an eye for bad backstage behavior and set politics, Jennifer Weiner's new novel is a rollicking ride on the Hollywood roller coaster, a heartfelt story about what it's like for a young woman to love, and lose, in

the land where dreams come true.

The Cost David Graham Phillips, 2021-05-19 David Graham Phillips in the book *The Cost* revolves around a lady named Pauline Gardiner. This book is centered on the theme of romance and love and getting into young marriages. It talks about young love and the fault people make when deciding on a lifetime.

Perfect Eunice Nirja, 2021-03-17 There are people who strike the right chords in our lives and make our hearts sing.' Living has been all about hiding away and pretensions for Gideon who has always preferred being alone. However when he joins college he comes across people of all sorts and he begins to realise that life may be a sum total of little miracles after all. As he matures and begins to open up he discovers that he is not far from the healing he has always been in search of.

The Best Book in the World Peter Stjernström, 2014-04-01 Who will win the race to write the best book in the world, and to what unimaginable lengths will they go to get there first? A hilarious tale of authorly competition. Titus Jensen is middle-aged, has a fondness for alcohol, and makes ends meet by giving public readings from obscure books at festivals across Sweden. He can't help thinking there has to be more to life for an author of his quality. Eddie X is hip, a hit with the ladies, and loves being the center of attention. A radical poet and regular on the festival circuit, he can't help thinking there has to be more to life for a talented, good-looking man like himself. One night, after a successful event—Titus reads from *The Diseases of Swedish Monarchs* and Eddie X waxes lyrical to the thrashing tones of metal band The Tourettes—the unlikely pair get horribly drunk together and hatch a plan to achieve worldwide recognition. The answer is to write the best book in the world—a book so amazing that it will end up on all the bestseller lists in every category imaginable: thriller, self-help, cooking, business, dieting—a book that combines everything in one! But there can only be one such book, and as the alcohol-induced haze clears both men realize they are not willing to share the limelight. Hilariously quirky and witty, this novel will take readers on a meandering race to the finish line, throwing plenty of satirical punches along the way.

The Best Made Plans Everett B. Cole, 2019-12-02 *The Best Made Plans* by Everett B. Cole. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten-or yet undiscovered gems-of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Philipsburg, 1997

North of Highway 8 Jacob R Gardner, 2021-12-16 Tucked in the pine and birch woods of northern Wisconsin, Matt Harris has life-changing business to do. Representing the company promising a better future to his hometown and state, Matt returns to find that towns and people can change - drastically. Deprived of the once robust blue-collar economy, buildings have been boarded up, the school has declined, politics have grown bitter, and poverty reigns supreme. The growing plight of rural and Midwestern USA has hit home or, maybe, it was always there. Determined to please both his boss and the town, Matt must confront his greatest dilemma: whether he should use his ambition to help his hometown or to help himself. Through challenges of love, hate, ethics, and pride, Matt learns a lot about life on his visit home-but at what cost? *North of Highway 8* explores the plight of rural America, man's inherent connection with nature, and the importance of tolerance, friendship, and ethics. Author Jacob Gardner questions: How far will you go for your pride or your career? What does it really mean to love your home? What is the balance between people's prosperity and the Earth's welfare? Take a journey north and explore these important questions with Matt.

Why Liv? Jon Sebastian Shifrin, 2019-10-29 As a twenty-something corporate

employee with a doctor-in-training girlfriend, Livingstone Modicai Ackerman-Liv, to his friends—personifies success. Yet all is not as it seems. His job is tedious and soul-gutting, his girlfriend is a vacuous, image-conscious snob, and, meanwhile, his pathologically narcissistic parents are constant irritants. Add to this the febrile political climate dominated by a reactionary group, the Patriot Posse, led by a mendacious radio personality with outlandish hair and catchy campaign slogan to “Make America Great Again,” is a presidential candidate—and he’s winning! How does one maintain a sense of dignity and worth in such a cynical environment devoid of humanity and hope? Told with humor, charm, and wit, *Why Liv?* attempts to explain why modern work is so devoid of purpose and why reactionary politics is so alluring in America. But most of all, it humbly attempts to offer a reason to persevere in these difficult times.

Eck Robert Ready, 2021-07-20 Goleman Eck is an abortion survivor. Literally. As such, he is subject to other people's uses of him for political, religious, and media purposes. Some for whom he doesn't look right threaten his life. Others know Gole as a lover or true friend. Whirling together the contemporary outrageous and the serio-comic, Robert Ready's *Eck: A Romance* is wholly new fiction, a quest for identity, purpose, love—even what it means to be alive. --- Novelist and critic William Giraldis, author of *Hold the Dark* and *American Audacity*, offers these lines about *Eck: Robert Ready's Eck: A Romance* is a masterwork of shimmering prose and uncommon perception. Here is a novelist in consummate control of his material. In its observant integrity, its duet of substance and style, its sustaining grand idea of origins and the unborn living, *Eck* calls us back to the nourishing womb of Literature, singing of the great subjects, including the mother/son dyad and the fates we might or might not be prepared to fathom. Ready's sentences never quit reaching within and without, activating analogues as they go: many lines in this novel have never before been penned. The originality, darkling humor, and probing intelligence of the whole symphonic telling is a marvel that calls up DeLillo at his best. The sheer potency of seeing is itself what every novelist must aspire to and what makes every ecstatic reader go Ahh. This novel is an astonishing accomplishment that will not let you forget it.

Adopting the Tune of Phrase: An Psychological Symphony within **Wurdle, Kindle**

In some sort of consumed by screens and the ceaseless chatter of fast connection, the melodic elegance and psychological symphony developed by the published term usually diminish in to the backdrop, eclipsed by the persistent sound and interruptions that permeate our lives. Nevertheless, located within the pages of **Wurdle, Kindle** a charming literary prize brimming with natural feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, this fascinating masterpiece conducts visitors on a mental journey, well unraveling the hidden tunes and profound affect resonating within each cautiously crafted phrase. Within the depths with this poignant assessment, we can examine the book is key harmonies, analyze its enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
