Sekret Machines Book 1: Chasing Shadows Tom DeLonge,AJ Hartley,2016-04-05 For those who know... that something is going on... The witnesses are legion, scattered across the world and dotted through history, people who looked up and saw something impossible lighting up the night sky. What those objects were, where they came from, and who—or what—might be inside them is the subject of fierce debate and equally fierce mockery, so that most who glimpsed them came to wish they hadn't. Most, but not everyone. Among those who know what they've seen, and—like the toll of a bell that can't be unrung—are forever changed by it, are a pilot, an heiress, a journalist, and a prisoner of war. From the waning days of the 20th century's final great war to the fraught fields of Afghanistan to the otherworldly secrets hidden amid Nevada's dusty neverlands—the truth that is out there will propel each of them into a labyrinth of otherworldly technology and the competing aims of those who might seek to prevent—or harness—these beings of unfathomable power. Because, as it turns out, we are not the only ones who can invent and build...and destroy. Featuring actual events and other truths drawn from sources within the military and intelligence community, Tom DeLonge and A.J. Hartley offer a tale at once terrifying, fantastical, and perhaps all too real. Though it is, of course, a work of... fiction?

Demon Dance Brian Freyermuth,2023-10-26 Leave it to an ancient god to ruin a perfectly good afternoon. The story of my life. You know all those myths about gods and goddesses? Yeah, they're real. Sure, they're not what they once were, especially when their belief fades, but they're still nothing to mess with. And then there's me. My mother's human, but my father? I have no clue who or what he was. Just that he gave me some weird abilities and then vanished. Abilities like superhuman strength and speed... but with a craving for red meat. But that's neither here nor there. I left all that behind when I moved to Seattle after the death of my wife. Now I just want to settle down as a writer and forget that magical underworld even exists. It's too bad that world has other plans. When my former partner is killed by a demon and that same demon marks me for death, I have to dive right back into the deep end. And me without a life jacket. With the help of a voodoo houngan, a barista with a knack for magic, and a vampire mortician I might discover who killed my partner and maybe even survive the night. But more importantly, I'll find the one thing I lost a long time ago. Myself. Warning: This urban fantasy contains snarky gods and goddesses, action, mythological beasts, and a good ole' murder mystery. If you're a fan of Neil Gaiman, Jim Butcher, Patricia Briggs or Seanan McGuire, you'll love this brand new world where ancient forgotten gods walk hidden among us, and angels and demons fight for our very souls.

Sketching Light Joe McNally,2011-12-06 Following up on the great success of The Moment It Clicks and The Hot Shoe Diaries: Big Light from Small Flashes, legendary magazine photographer Joe McNally takes us on another memorable ride with Sketching Light, another trip into the land of light--but this time running the gamut from small flash to big flash, and everywhere in between. Of course, Joe includes coverage of Nikon Speedlights, but he also covers big flash, as well as in-between lights as the Elinchrom Quadra. The exploration of new technology, as well as the explanation of older technology. No matter what equipment Joe uses and discusses, the most important element of Joe's instruction is that it is straightforward, complete, and honest. No secrets are held back, and the principles he talks about apply generally to the shaping and quality of light, not just to an individual model or brand of flash. He tells readers what works and what doesn't via his let's-see-what-happens approach, he shows how he sets up his shots with plentiful sketches and behind-the-scenes production shots, and he does it all with the intelligence, clarity, and wisdom that can only come from shooting in the field for 30 years for the likes of National Geographic, Time, Life, and Sports Illustrated--not to mention the

wit and humor of a clearly warped (if gifted) mind.

Don't Call Me Fake John Cosper,David Schultz,2019-04-07 Dave has always been my friend, and he has always been one of my heroes too. He could walk that walk and talk that talk. David Schultz was a man's man. As fearless as he was dangerous, yet one of the most honorable wrestlers the wrestling business ever knew. - Bret Hitman Hart, Two-time WWE Hall of FamerAsk anyone who watched wrestling in the early 80s who the most dangerous man in wrestling was and they will tell you it was Dr. D. Trained by Herb Welch, the Tennessee native terrorized fans in Tennessee, Memphis, Florida, Calgary, Japan and Minnesota before being recruited into the WWF at the request of Hulk Hogan. Dr. D was a singles and tag team champion for multiple promotions, and he faced some of the most dangerous men in the business: Antonio Inoki, Abdullah the Butcher, Bruiser Brody, and Johnny Rodz. Yet he is remembered to this day for taking down a very different opponent: ABC reporter John Stossel, who dared to utter the words, I think this is fake. While the Stossel incident precipitated the end of his wrestling career, but it's hardly the end of the story. Dr. D turned babyface in real life, finding an even greater calling as a professional bounty hunter. Working out of Connecticut, Dr. D traveled the world and brought back hundreds of skips who had fled from justice. Dr. D tracked fugitives from New York to California to Puerto Rico and even Egypt with a 100% capture rate. If he couldn't coax you into coming back of your own free will, he still possessed the skills taught by Herb Welch that could turn even the biggest thug into a crybaby. Call him a wrestler. Call him a bounty hunter. Just don't call him fake! Dr. D David Schultz is the real deal, a hero in the wrestling locker room who became an even greater hero in his post wrestling career, clearing the streets of dangerous men and women with his Southern charm and a shooter's grip.
