

Music Teacher as Music Producer Clint Randles,2022 Now is the most exciting time in the history of music to be a music teacher. Band, choir, and orchestra are ubiquitous. Music education has much to be thankful for. However, we should not be comfortable with the successes of our past, we must look ahead to what is just over the hill on our collective horizon. The rise of digital audio work environments and the proliferation of computer-based composition tools has made it relatively easy to record, mix, and master professional quality music on very small and portable devices. What used to be relegated only to music professionals can now be mastered by all musicians and teachers of music. That opens the door to possibilities that have not yet been given full consideration by our profession. Over half of what music teachers should be doing from now on is helping students make their own music like art teachers help students paint their own paintings and sketch their own drawings. Music education could look and feel quite a lot more like art class than it ever has in the past. We could make the creation of new musical products the focal point of our efforts in school music-classrooms centered on musical creativities--

Music Production, 2020 Edition: The Advanced Guide On How to Produce for Music Producers Tommy Swindali,2020-08-27 Take Your Music Productions To The Next Level & Make Timeless Music Want to take your Music Productions to the next level? If you feel like you're always getting stuck in your music productions, or if you feel like you're not improving, then don't worry because you're not alone. Cool Wooden Box W. Rand Smith,2023-05-08 This book is a history of guitar making in the US since the folk revival of the 1960s. Based largely on the author's interviews, it includes chapters on the rise of the modern independent luthier movement, recent developments at Martin, at Gibson, and at Taylor- especially regarding the use of technology and ways it is in tension with these companies' traditions and ways it honors their traditions-the changing, though still robust market, and the effect of foreign competition on American builders--
