Five Feet Apart Rachael Lippincott,2019-02-05 Now a major motion picture starring Cole

Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

The Adventures of Mowgli Rudyard Kipling, 2009-07 Rudyard Kipling's eternal classics, *The Jungle Book* and *The Second Jungle Book* are most loved for the stories of Mowgli, the boy who grew up in a wolf pack. This book brings together all the stories of Mowgli. It begins with Father Wolf rescuing an abandoned baby boy from the tiger Shere Khan, terror of the jungle. The child grows up among the animals, befriending Bagheera the Panther, Balu the Bear, and making mortal enemies with Shere Khan the Tiger. He is kidnapped by monkeys, exiled by the wolf pack, disowned by humans, till he finally vanquishes Shere Khan and returns to the forest. But the call of his own kind

grows stronger, and he eventually finds his own, tenuous place among men and animals. Kipling's creations from the two Jungle Books-human and animal- have remained alive in literature and celluloid for nearly a century. They have mesmerized, entertained and educated generations of children. In this special Puffin Classics edition, Mowgli comes alive once more, accompanied by illustrations rendered by Gond artist Durga Bai, and an affectionate, heartwarming introduction by that other favourite children's writer, Ruskin Bond.

The Reincarnationist Papers D. Eric Maikranz, 2021-05-04 "For fans of *The Matrix* and *Memento*, a twisty, exciting adventure!"—Diana Gabaldon, #1 New York Times bestselling author of the *Outlander* series The basis for the major motion picture *Infinite* Discovered as three notebooks in an antique store in Rome at the turn of the millennium, *The Reincarnationist Papers* offers a tantalizing glimpse into the Cognomina, a secret society of people who possess total recall of their past lives. Evan Michaels struggles with being different, with having the complete memories of two other people who lived sequentially before him. He fights loneliness and believes he is unique until he meets Poppy. She recognizes his struggle because she is like him, except that she is much older, remembering seven consecutive lives. But there is something else she must share with Evan—she is a member of the secretive Cognomina. They are, in effect, immortals—compiling experiences and skills over lifetimes into near superhuman abilities that they have used to drive history over centuries. Poppy invites Evan into the Cognomina, but he must face their tests before entering this mysterious society as their equal.

Papillon Henri Charrière, 2018-10-09 Hanya ada satu aturan: keheningan absolut. Tidak boleh ada interaksi, tidak boleh ada percakapan. Penjara tidak "melunakkan", penjara bertugas menghancurkan—fisik dan mental. Meracuni benak, menindas harapan, hingga tidak ada lagi yang

tersisa selain rasa takut, dan kematian menjadi pilihan yang lebih masuk akal. Kabur dari neraka berjeruji itu menjadi satu-satunya tujuan hidup Henri Charrière. Berkali-kali gagal, berkali-kali kembali tertangkap, tetap tak melunturkan tekadnya mendapatkan kebebasan. “Aku harus membuktikan bahwa aku bisa, bahwa aku adalah, dan akan menjadi manusia normal. Barangkali tidak lebih baik, tetapi yang jelas tidak lebih buruk daripada yang lain.” Kisah perjuangan hidup Henri dituangkan dalam buku sensasional ini, yang terjual lebih dari 1,5 juta kopi di Prancis sejak perilisannya. The Body Nirvana Garima Gupta, 2017-04-10 Winner of The International Book Awards, 2019 The body listens, remembers and speaks to us. We receive the body's messages all the time, although we seldom recognize them. Our body expresses its unmet needs and calls for attention in many ways. And so it is with weight. This is a puzzling matter only because some pieces of the puzzle are not in the box you were handed. Your weight is not a body issue. Excess weight is really a multi-dimensional problem showing up as an oversized body. Popular media is still full of diet and

exercise advice that is based on sacrifice and punishment. Too few books use this research to show how weight can be reduced in a happier and healthier way. The Body Nirvana is about gradually letting go of everything that literally and metaphorically weighs you down. It is time to rejoice in your body's vitality and its capacity to take you towards your life's goals!

The Freedom Writers Diary (20th Anniversary Edition) The Freedom Writers, Erin Gruwell, 2007-04-24 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch

their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.

Tarantula Thierry Jonquet,2011-12-31 Richard Lafargue is an eminent plastic surgeon haunted by dirty secrets. He has an operating theatre in the basement of his chateau and keeps his partner Eve imprisoned in her bedroom, a room he has equipped with an intercom and 300-watt speakers through which he bellows orders. Eve is only allowed out to be paraded at cocktail parties and on the last Sunday of each month, when the couple visit a young woman in a mental asylum. Following these outings, Lafargue humiliates Eve by forcing her to perform lewd sexual acts with strangers while he watches through a one-way mirror. In alternating chapters, Jonquet introduces seemingly unrelated characters - a criminal on the run after murdering a policeman, and an abducted young man who finds himself chained naked in a dark chamber, forced to endure all manner of physical torture at the hands of a mysterious stranger, whom he calls Mygale, after a type of tropical spider. All of these characters are caught in a deceitful web, waiting to meet their fate.

The Duke and I Julia Quinn,2021-05-04 A #1 New York Times Bestseller From #1 New York Times bestselling author Julia Quinn comes the story of Daphne Bridgerton, in the first of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix. In the ballrooms and drawing rooms of Regency London, rules abound. From their earliest days, children of aristocrats learn how to address an earl and curtsy

before a prince--while other dictates of the ton are unspoken yet universally understood. A proper duke should be imperious and aloof. A young, marriageable lady should be amiable...but not too amiable. Daphne Bridgerton has always failed at the latter. The fourth of eight siblings in her close-knit family, she has formed friendships with the most eligible young men in London. Everyone likes Daphne for her kindness and wit. But no one truly desires her. She is simply too deuced honest for that, too unwilling to play the romantic games that captivate gentlemen. Amiability is not a characteristic shared by Simon Basset, Duke of Hastings. Recently returned to England from abroad, he intends to shun both marriage and society--just as his callous father shunned Simon throughout his painful childhood. Yet an encounter with his best friend's sister offers another option. If Daphne agrees to a fake courtship, Simon can deter the mamas who parade their daughters before him. Daphne, meanwhile, will see her prospects and her reputation soar. The plan works like a charm--at first. But amid the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule... This novel includes the 2nd epilogue, a peek at the story after the story.

Life Giver Lara Williams, 2015-02-16 All of our relationships, no matter how messy, present us with a choice. In every relationship we can either be a life giver or a life taker. We can either pour out life into our relationships, regardless of the other person, or we can desperately cling to and aim to control our earthly relationships in hopes of gaining the joy and peace we crave. In this 4-week Bible study, Lara Williams teaches us how we as Christ-followers can be life givers in our relationships. Using the acronym L-I-F-E, Lara leads the reader through Scripture looking at practical steps necessary to becoming a life giver. Because in Christ, we've been set free to pour life into our relationships, regardless of how messy they may be.
