Choose Me Nicole Spencer-Skillen,2020-12-04 Have you ever met someone and just instantly felt like you had known them your whole life? Holly Garland is a successful lawyer from London, England. At just 28 years of age, her drive, ambition and smarts have firmly secured her position as one of the most established in her field. It seems as though she has everything but the pressure of a long-term relationship looms, leaving Holly with a tough decision to make. When she meets a promising, young paralegal named Brooke Jacobs, her world is turned upside down. This is a story of two halves, of heartbreak and love, but inevitably one of choice and consequence. Although love always seems so powerful, sometimes it simply isn't enough.

I Want My Book Back Viviane Elbee,2022-06-28 A splendid story about the satisfaction that comes from sharing joy (and dinosaurs) with others.--Booklist Emotions run high in this volume about a child's deep attachment giving way to sharing... Elbee's take on the emotional attachment that readers form with books feels apt, and a final portrait of Daryl discovering that books can be shared pays ample tribute to libraries. -- Publishers Weekly The book's fun illustrations emphasize Daryl's big and scary emotions, including distress, grumpiness, rage, and despair; solace is to be found only somewhere unexpected: in sharing.--Foreward Reviews Daryl loves the dinosaur book he checked out from the library; it takes him on roaring, stomping dinosaur adventures! So Daryl is unhappy when he has to return it, and he'll do anything to get his book back! Daryl loves to play with his favorite library book about dinosaurs. His imagination takes him to prehistoric places, and he pretends to be a triceratops, microraptor, and even a T. rex! But Daryl does not want to share his book, so when he has to return it to the library, Daryl goes wild. Using all of his dinosaur skills, Daryl tries his best to get his book back! But when a clever librarian notices Daryl's passion, she encourages him to share his favorite book and make some new friends along the way. This playful, silly, funny, tale about reading, books, and sharing is sure to be a hit with any child.

Something Kindred Nicole Tallman,2022-02-22 SOMETHING KINDRED is a testament to the living, not the dying. To the lifting, the carrying, the unpacking, and the storing. This collection's pages are heavy, as is their burden. The kind of memories and experiences Nicole Tallman's grappling with here have mass and density. Real weight. But there is also hope and glory and deep breaths in these pages that give us the gift of clarity Tallman has earned. - JACK B. BEDELL, Poet Laureate, State of Louisiana, 2017-2019, Author of Color All Maps New Through the spare beauty of haiku and fineness of belles-lettres, Nicole Tallman pens an evocative and stirring account of grieving that echoes with ache in our hearts, but also soothes us with the understanding that love is immortal despite our losses. - RICHARD BLANCO, 2013 Presidential Inaugural Poet.

Imagining the African American West Blake Allmendinger,2005-01-01 The literature of the African American West is the last racial discourse of the region that remains unexplored. Blake Allmendinger addresses this void in literary and cultural studies with *Imagining the African American West*?the first comprehensive study of African American literature on the early frontier and in the modern urban American West. ø Allmendinger charts the terrain of African American literature in the West through his exploration of novels, histories, autobiographies, science fiction, mysteries, formula westerns, melodramas, experimental theater, and political essays, as well as rap music and film. He examines the histories of James P. Beckwourth and Oscar Micheaux; slavery, the Civil War, and the significance of the American frontier to blacks; and the Harlem Renaissance, the literature of urban unrest, rap music, black noir, and African American writers, including Toni Morrison and Walter Mosley. His study utilizes not only the works of well-known African American writers but also some obscure and neglected works, out-of-print books, and unpublished manuscripts in library archives. ø Much of the scholarly neglect of the ?Black West? can be blamed on how the American West has been imagined, constructed, and framed in scholarship to date. In his study, Allmendinger provides the appropriate theoretical, cultural, and historical contexts for understanding the literature and suggests new directions for the future of black western literature.

Virginia Campbell’s life hit fast-forward at fifteen, when her mom “sold” her into the services of Hazard, a powerful attorney: a man for whom the law is merely a suggestion.
