It's 2035 and the war is over. For two decades, the alien invaders have lived side by side with their human conquests, preaching peace and coexistence, and slandering the human forces that fought to repel them. They think they've won the war. They think this planet is theirs. They think XCOM is finished. They're wrong. Set in the action-packed world of XCOM and incorporating elements from the game, *XCOM 2: FACTIONS* expands the universe of the successful game franchise. XCOM 2: Escalation Rick Barba,2017-11-14 In this original novel based on the hit video game, the Resistance gains new allies in fighting a new powerful alien enemy force. Back in 2015, Earth's council of nations, facing an extraterrestrial onslaught, cravenly and abruptly surrendered to the alien invasion force. XCOM, the elite military unit created to defend the planet, was betrayed and forced underground. As Earth's survivors poured into the eerily clean and perfect New Cities, XCOM began to secretly rebuild and retool for a long-term guerilla war. Twenty years later, homegrown pockets of resistance have sprouted in the hinterlands. Gritty bands of Reapers—expert marksmen and fearsome hunters of alien flesh—operate in the high-country wilderness. Tribal enclaves of former ADVENT Troopers—powerful human-alien hybrids called Skirmishers—roam the alpine passes of the Continental Divide, wreaking havoc on their hated former overlords. Other factions operate more overtly, some with mysterious and unsettling capabilities. In response, the alien Elders have unleashed a lethal and terrifying new infiltration team called The Chosen. Can XCOM unite the resistance factions under its direction to counter this new deadly threat? Or will the alien escalation finally sweep away the last dogged defenders of human civilization?

Crysis Peter Watts,2011-03-22 MANHATTAN IS UNDER NEW MANAGEMENT. THEY'RE NOT FROM AROUND HERE. Welcome to the Big Apple, son. Welcome to the city that never sleeps: invaded by monstrous fusions of meat and machinery, defended by a private army that makes Blackwater look like the Red Cross, ravaged by a disfiguring plague that gifts its victims with religious rapture while it eats them alive. You've been thrown into this meat grinder without warning, without preparation, without a clue. Your whole squad was mowed down the moment they stepped onto the battlefield. And the chorus of voices whispering in your head keeps saying that all of this is on you: that you and you alone might be able to turn the whole thing around if you only knew what the hell was going on. You'd like to help. Really you would. But it's not just the aliens that are gunning for you. Your own kind hunts you as a traitor, and your job might be a bit easier if you didn't have the sneaking suspicion they could be right. . . .
