Abouche Books,2020-05-31

Baffle the brain of your child in the most delightful way! The Journal of the American Medical Association finds that cognitive puzzles such as crosswords can bolster the mind in the same way that physical exercise protects and strengthens the body. The crossword is a feature of the modern world, inspiring daily devotion and obsession from not just everyday citizens looking to pass the time but icons of American life, such as Bill Clinton, Yo-Yo Ma, and Martha Stewart. It was invented in 1913, almost by accident by a journalist named Arthur Wynne from Liverpool and it appeared in a Sunday newspaper, the New York World. People love having the Easy Crossword Puzzle Book for Lazy Sunday because it's the perfect activity for a day off. One can lounge around in bed, while partaking in a fun but not too intellectually taxing word puzzle. It's a chance to be mentally active, but not to the point of straining oneself. ACTIVATE your thinking muscles. It's too easy just to turn on the TV and let the images of the day wash over us, leaving brain cells unchallenged and a bit sad. Keep your brain happy with this mind stretching collection of puzzles. Crosswords, word searches, trivia, logic and numerical games--these teasers are all designed to inspire and stimulate the mind. So turn off the dreaded box and turn to Mind Stretchers--you'll be entertained, learn new things, wake up your brain and it's definitely more fun than watching the news. Moreover, we are confident that even those with the poorest eyesight will be able to work these extra-large Crossword puzzles. You don't believe me? Just do a Look Inside to see how large the clues and puzzles are and then go ahead, make an order for yourself or a loved one

today! Enjoy
