Shortcut Donald Crews,1996-09-20 The train tracks ran right by Bigmama's house in Cottdale, and the children were warned to stay off the tracks. But one night they were late, and the tracks were a shortcut, so they started off. And when there was no turning back, they heard the train coming.

No Shortcut to Success Matt Rhodes,2021-12-28 Avoid Get-Rich-Quick Missions Strategies and Invest in Effective, Long-Term Ministry Trendy new missions strategies are a dime a dozen, promising missionaries monumental results in record time. These strategies report explosive movements of people turning to Christ, but their claims are often dubious and they do little to ensure the health of believers or churches that remain. How can churches and missionaries address the urgent need to reach unreached people without falling for quick fixes? In No Shortcut to Success, author and missionary Matt Rhodes implores Christians to stop chasing silver-bullet strategies and short-term missions, and instead embrace theologically robust and historically demonstrated methods of evangelism and discipleship—the same ones used by historic figures such as William Carey and Adoniram Judson. These great missionaries didn't rush evangelism; they spent time studying Scripture, mastering foreign languages, and building long-term relationships. Rhodes explains that modern missionaries' emphasis on minimal training and quick conversions can result in slipshod evangelism that harms the communities they intend to help. He also warns against underestimating the value of individual skill and effort—under the guise of getting out of the Lord's way—and empowers Christians with practical, biblical steps to proactively engage unreached groups. Biblical Ministry Advice: Examines the work of respected missionaries throughout history Encourages Professionalism in Missions: Rhodes teaches missionaries to invest in theological education, communication, and technical skills A Great Resource for Ministries: Includes specific advice for singles, parents, and other groups Insightful: Examines strengths and weaknesses of recent missionary movements

Thinking Better Marcus Du Sautoy,2021-10-19 One of the world's great mathematicians shows why math is the ultimate timesaver—and how everyone can make their lives easier with a few simple shortcuts. We are often told that hard work is the key to success. But success isn't about hard work – it's about shortcuts. Shortcuts allow us to solve one problem quickly so that we can tackle an even bigger one. They make us capable of doing great things. And according to Marcus du Sautoy, math is the very art of the shortcut. Thinking Better is a celebration of how math lets us do more with less. Du Sautoy explores how diagramming revolutionized therapy, why calculus is the greatest shortcut ever invented, whether you must really practice for ten thousand hours to become a concert violinist, and why shortcuts give us an advantage over even the most powerful AI. Throughout, we meet artists, scientists, and entrepreneurs who use mathematical shortcuts to change the world. Delightful, illuminating, and above all practical, Thinking Better is for anyone who has wondered why you should waste time climbing the mountain when you could go around it much faster.

Shortcut Your Startup Courtney Reum,Carter Reum,2018-01-16 From the Reum brothers—former Goldman Sachs investment bankers, successful operators, and investors—comes Shortcut Your Startup, a practical playbook for both aspiring and seasoned entrepreneurs, filled with unconventional yet accessible advice for maximizing your business venture. Courtney and Carter Reum have years of experience in the field, from investing in over 130 companies, including Lyft, Pinterest, Warby Parker, and ClassPass, to driving the success of their own liquor brand, VEEV Spirits. The Reum brothers have learned from every triumph and tribulation, and over the years have developed an effective and easy-to-understand guide to help entrepreneurs through the startup journey from inception to sale. Complete with personal anecdotes and real-life advice from the business playing field, Shortcut Your Startup outlines Courtney and Carter's ten key "Startup Switchups" that flip traditional advice on its head: · Get into the Trenches · Know if You're a Speedboat or a Sailboat · Obsessively Take Advantage of Your Unfair Advantages · Do What You Do Best, and Outsource the Rest · Build in Flexibility and a Diversified Focus · Think Milestones, Not Time · Nail It Before You Scale It · 1 Percent Better Is 1000 Percent Better · Gain Buy-in with Heart-Based Momentum · Success Doesn't Equate to a Successful Exit Whether you're a veteran entrepreneur looking for new ways to boost performance and reinvent your brand, or an aspiring entrepreneur ready to take a leap of faith, Shortcut Your Startup is essential reading to speed up your success!

The Secret Shortcut Mark Teague,1999-09 Since they have trouble getting to school on time, Wendell and Floyd take a secret shortcut. But instead of getting to school, they wind up in a wild jungle full of quicksand, monkeys, and crocodiles. Full color.

Addie Bell's Shortcut to Growing Up Jessica Brody,2017-02-14 The perfect summer vacation read for tweens! A middle-school girl finds out that being a teenager isn't all it's cracked up to be in this realistic read about friendship with plenty of LOL moments—and a magical twist! Seventh grader Addie Bell can't wait to grow up. Her parents won't let her have her own phone, she doesn't have any curves, and her best friend, Grace, isn't at all interested in makeup or boys. Then, on the night of her twelfth birthday, Addie makes a wish on a magic jewelry box to be sixteen . . . and wakes up to find her entire life has been fast-forwarded four years! Suddenly she has everything she's always wanted (including a driver's license and a closet full of cool clothes)! But Addie soon discovers a lot more has changed than she expected—including her friendship with Grace. Can Addie turn back time and take back her wish . . . or has she lost the chance to experience what could have been the best years of her life? "I 3 this book! Smart, sweet, and hilarious."—Leslie Margolis, author of iGirl's Best Friend

No Shortcuts Jane McAlevey,2016 An examination of strategies for effective organizing--

Better Decisions, Fewer Regrets Andy Stanley,2020-10-20 Set yourself up for success in every season of life, for the rest of your life. Discover five game-changing questions to ask every time you make a major decision regarding your finances, relationships, career, and more. Good questions lead to better decisions. And your decisions determine the direction and quality of your life—they create the story of your life. And while nobody plans to complicate their life with bad decisions, far too many people have no plan to make good decisions. In Better Decisions, Fewer Regrets, Andy Stanley—pastor and bestselling author of Irresistible and Not In It To Win It—will help you learn from experience and stop making bad decisions by integrating five questions into every decision you make, big or small. This book will help you live differently by showing you how to: Develop a decision-making filter that reveals which choices will likely lead to positive results. Avoid selling yourself on bad ideas and making quick decisions when time is short. Find truth and clarity in any tricky decision. Improve relationships and heal division through better decisions. Discover the reasons behind your decisions so you can move forward with positive changes. Consider the long-term impact of your choices so you can write a life story worth celebrating. Easily identify any red flags that signal which decisions may result in future regrets.

Mind Management, Not Time Management David Kadavy,2020-10-27 OVER 30,000 COPIES SOLD “An exhilarating but highly structured approach to the creative use of time. Kadavy’s approach is likely to spark a new evaluation of conventional time management. ” —Kirkus Reviews You have the TIME. Do you have the ENERGY? You’ve done everything you can to save time. Every productivity tip, every “life hack,” every time management technique. But the more time you save, the less time you have. The more overwhelmed, stressed, exhausted you feel. “Time management” is squeezing blood from a stone. Introducing a new approach to productivity. Instead of struggling to get more out of your time, start effortlessly getting more out of your mind. In Mind Management, Not Time Management, best-selling author David Kadavy shares the fruits of his decade-long deep dive into how to truly be productive in a constantly changing world. Quit your daily routine. Use the hidden patterns all around you as launchpads to skyrocket your productivity. Do in only five minutes what used to take all day. Let your “passive genius” do your best thinking when you’re not even thinking. “Writer’s block” is a myth. Learn a timeless lesson from the 19th century’s most underrated scientist. Wield all of the power of technology, with none of the distractions. An obscure but inexpensive gadget may be the shortcut to your superpowers. Keep going, even when chaos strikes. Tap into the unexpected to find your next Big Idea. Mind Management, Not Time Management isn’t your typical productivity book. It’s a gripping page-turner chronicling Kadavy’s global search for the keys to unlock the future of productivity. You’ll learn faster, make better decisions, and turn your best ideas into reality. Buy it today.

The Entitlement Cure John Townsend,2015-10-06 Do you have anyone in your life who can't seem to stick with a project, meet a deadline, or even clean up after themselves? All of us feel we deserve special treatment sometimes. Some people live with this entitled attitude, such as: Professionals who wander from job to job looking for a boss who will see them as amazing as they consider themselves to be--whether they're productive or not Young adults who refuse to grow up and so go nowhere Spouses or dates who believe, I'm special, and I deserve more than you're giving me Leaders who expect special treatment because of their position, not because of their character If you have a difficult relationship with an entitled person, or if you have discovered entitlement in yourself, understand this: It doesn't have to stay this way. There is a cure. It's called the Hard Way and it works. In The Entitlement Cure, Dr. John Townsend explains that the Hard Way is a habit that focuses on doing whatever is needed even if it is difficult, uncomfortable, takes longer, and requires more energy. Dr. Townsend offers daily steps, such as risk-taking, to help you or those you love choose the Hard Way. Ultimately, entitlement fails us. We don't develop the character abilities and relationships necessary to reach success and become the people God intended us to be. By contrast, Hard Way people have better relationships, reach their goals, have a clear job direction, enjoy rich spiritual growth, and are equipped to face and solve challenges. As Dr. Townsend writes, Stand against entitlement in every form in which it manifests itself. Resolve your own tendencies toward the disease. Be a loving and firm force for helping those in its trap to find life and hope. And you will make the world a better place. Discover why the Hard Way is the best way in this practical guide to true success.

Mastering MuseScore Marc Sabatella,Thomas Bonte,Nicolas Froment (Programmer),Werner Schweer,2015 MASTERING MUESCORE is the definitive guide to MuseScore 2, the free and open source music notation program for Windows, Mac OS, and Linux. This book starts with the basics, walking you through the notation of a very simple song. Next it explores the process of note entry and editing in depth, covering everything from notes and rests to tuplets and grace notes to cross staff notation and feathered beaming. The book then explains how to create and edit each of the many different types of markings supported by MuseScore, including time signatures, repeats, tablature, chord symbols, slash notation, and much more. The book covers score and part organization and page layout, as well as the playback, graphics, import, and export features, and it explains the many customizations the program offers. Hundreds of examples and illustrations are included to make it easy to follow along. MASTERING MUESCORE is all you need to become in an expert in using MuseScore, the most powerful free music notation software in the world.

The New Economics Steve Keen,2021-11-11 In 1517, Martin Luther nailed his 95 theses to the wall of Wittenberg church. He argued that the Church’s internally consistent but absurd doctrines had pickled into a dogmatic structure of untruth. It was time for a Reformation. Half a millennium later, Steve Keen argues that economics needs its own Reformation. In Debunking Economics, he eviscerated an intellectual church – neoclassical economics – that systematically ignores its own empirical untruths and logical fallacies, and yet is still mysteriously worshipped by its scholarly high priests. In this book, he presents his Reformation: a New Economics, which tackles serious issues that today's economic priesthood ignores, such as money, energy and ecological sustainability. It gives us hope that we can save our economies from collapse and the planet from ecological catastrophe. Performing this task with his usual panache and wit, Steve Keen’s new book is unmissable to anyone who has noticed that the economics Emperor is naked and would like him to put on some clothes.

The Shortcut to Scholastic Latin Dylan Schrader,2019-11

Quilt As-You-Go Made Modern Jera Brandvig,2014-10-01 Learn to create modern quilts more quickly and easily than ever with this popular method, featuring thirteen projects and twenty-five bonus ideas. Do you believe rules were meant to be broken? If so, this improvisational quilt-as-you-go technique is for you. Instead of dealing with precise paper patterns and cutting measurements, you’ll learn how to piece fabric onto small, manageable batting blocks. Let your creative juices flow as you quilt directly on the blocks (not the whole quilt!), whether in large abstract zigzags or small structured stitches. After the blocks have been joined, all you need to do is add backing fabric and binding, and—voila—it’s finished! A modern approach to quilting that’s fresh, fun, and simpler than it sounds; it will change the way you quilt (for the better) Great for moms or anyone with a busy schedule—these thirteen projects are easy to transport because they make it simple to pick up where you left off Go your own way: This method allows you to use a pattern or improvise, creating a wide variety of design options Save money! Learn how to finish your own quilts without the use of a longarm professional “Quilting is easier than ever with Jera Brandvig’s modern spin on the popular quilt-as-you-go technique.” —Modern Quilts Unlimited “Quilt-as-you-go (QAYG) is one of those techniques that every quilter is curious about trying, but can be daunting as the process is so different to the traditional process of making a quilt top and then quilting it. . . . The book introduces the technique very thoroughly, so you can clearly understand the difference between traditional piecing and quilting and QAYG. Then there’s a great selection of gorgeous quilts that are sure to appeal to the modern quilter. A must if you’ve ever thought about trying QAYG and haven’t had a clue where to start.” —Make Modern Magazine

The Millionaire Booklet Grant Cardone,2016-06-16 I want to help you reach millionaire status, even get rich, if you believe that you deserve to be the person in the room that writes the check for a million dollars, ten million or even 100 million—let’s roll.

75 Fun Fat-Quarter Quilts Roxane Cerda,2015-12-07 Turn your fat-quarter bundles into fabulous quilts with this guide featuring easy and versatile quilt patterns from an array of exciting designers. Does your fat-quarter collection require its own zip code? Put those treasured bundles to good use with 13 fast and fun fat-quarter quilts! Want quilts in multiple sizes and variations? You'll find a total of 75 possibilities! Play with scale, layout, colorways, and block design to make each project your own. Popular and up-and-coming designers share ideas in every style and for every skill level.

College Shortcuts: the Shortcut to Getting Accepted Into Your Dream College Neha Gupta,2018-07-20 College Shortcuts is aimed to help bring the consciousness back to college admissions. All day, I hear about

competitiveness, stress, anxiety, and frustration and yelling in homes around the world over this. And, frankly, I disagree with this method. What if you could get in consciously....Knowing the universe has your back? What if you surrendered a bit and knew that the world is here to support you, and that having a team can help you and your family get through this in a relaxed and strategic way?In this book, I am going to literally walk you through exactly how to help your child from building a college list, all the way to submitting applications. Just a quick disclaimer, this book is NOT guaranteed to get you into a top college. The truth is that the level of success for children is highly related to their own work, and while I have been an incredible coach and mentor to help mold and shape children's lives around the world, I will tell you that the relationship I have with students is highly dependent on the child itself.This book is written for both adults and teenagers - but I typically write in a style that is directed towards the teenager - so please keep this in mind if you are a parent. Many parents read this book - and I want you to read it first and hand it over to your teenager afterwards. I know that getting into college is a family decision and a very important one - and I take this very seriously.

Slaying Excel Dragons Mike Girvin,Bill Jelen,2011-02-21 This enthusiastic introduction provides support for Excel beginners and focuses on using the program immediately for maximum efficiency. With 1,104 screenshots and explicit information on everything from rows, columns, and cells to subtotaling, sorting, and pivot tables, this guide aims to alleviate the frustrations that come with using the program for the first time. This manual offers strategies for avoiding problems and streamlining efficiency and assists readers from start to finish, turning Excel 2010 novices into experts.
