Zombies Eric Kasten, 2016-12-07 From the depths of the ocean comes a highly contagious and fatal Archeobacteria that can end the world as we know it. Anyone infected by the Archeobacteria quickly dies and is resurrected as a bloody, pus emitting, flesh hungry zombie, or zombie as an old Louisiana naval officer once called them. The scientists, led by Captain Green, must save themselves while preventing chaos and destruction should the Archeobacteria reach land. Their survival depends on their ability to work together... but not everyone is a team player.

Born to Slow Horses Kamau Brathwaite, 2021-03-01 Winner of the Griffin International Poetry Prize (2006) Kamau Brathwaite's *Born to Slow Horses* is a series of poetic meditations on islands and exile, language and ritual, and the force of personal and historical passions and griefs. These poems are haunted, figuratively and literally, by spirits of the African diaspora and drenched in the colors, sounds, and rhythms of the islands. But they also encompass the world of the exile and return, and the events of 9/11 in New York City. Brathwaite is one of the foremost voices in postcolonial inquiry and expression, and his poetry is densely rooted and expansive. Using his unusual scyorch signature typography and spelling, Brathwaite brings a cultural specificity, with distinct accents, sonic gestures, and pronunciations, into his pages—making them new, exciting, and rich in nuances.

Sobre Homens e Tubarões Gabriel Ganme, 2018-03-19 Por meio de fotografias subaquáticas incríveis, de altíssima qualidade, e relatos exclusivos, Gabriel Ganme, instrutor de mergulho há mais de trinta anos, apresenta neste livro as mais variadas espécies de tubarões, compartilhando suas divertidas e curiosas experiências mergulhando com esses animais. Assassino dos mares ou terror dos oceanos são apenas algumas das injustas alcunhas atribuídas a essas criaturas maravilhosas que, além de representarem bem menos risco ao homem do que inúmeros animais selvagens e domésticos, possuem importância incontestável para o equilíbrio e a saúde dos ecossistemas marinhos. Sobre homens e tubarões mostra que é perfeitamente possível interagir com esses seres fantásticos sem qualquer ameaça e que eles, diferentemente da imagem distorcida e negativa de feras assassinas, comumente passada pela mídia, são animais amistosos que merecem e precisam ser protegidos. Marcelo Szpilman, diretor-presidente do Aquário Marinho do Rio de Janeiro

The Plays of Miracle & Wonder Brett Bailey, 2003 From a truly groundbreaking voice in African theater, these three plays have disturbed and transported audiences in South Africa and abroad with their depictions of some uncomfortable episodes in South African history. From witch hunts in Kokstad and the saga of King Hintsa's skull to the prophecies of Nongqawuse and the ensuing cattle-killing crisis, these plays touch on shared neuroses and fears, blending the tragic and transcendent with the farcical. With accompanying essays and working notes, the playwright gives background and insight into each of the productions and outlines his own artistic development and vision. This richly designed book re-creates something of the funky energy, haunting magic, and colorful imagery of the plays themselves.

A Companion to World War II Thomas W. Zeiler, Daniel M. DuBois, 2012-12-21 *A Companion to World War II* brings together a series of fresh academic perspectives on World War II, exploring the multicultural, social, and political contexts of the war. Essay topics range from American anti-Semitism to the experiences of French-African soldiers, providing nearly 60 new contributions to the genre arranged across two comprehensive volumes. Lotsa Laughs Ben Sheldon, 2014-09-18 *LOTSA LAUGHS* is a book of jokes and hilarious observations, which Ben Sheldon had recorded in his note books, over several years. It's a very funny collection of mostly one- or two-liners. Each one of them was original or independently conceived at the time of recording and dating in the author's note books. References to real known personalities are not necessarily true, but is done in parody, within protected free speech on satire. There are seven sections to the book, labeled "Chapters", in the Index. Each chapter is aimed at the reader who would enjoy predominantly that kind of humor. For instance, one may laugh at the unique observations in politics, but pass on to another friend or family member some funny aspects of different faiths or innocent, lighthearted takeoffs on ethnicity. A prudish reader may want to save the chapter on bedroom humor for an unblushing neighbor. In any case, said bedroom chapter is written in good taste, with no pornography. The eclectic, broad-minded reader will, of course, enjoy all the levels of humor in this unique joke book, *Lotsa Laughs*. For those who love the creative use of words in different unexpected contexts, there is a chapter on Tongue Twisters. Another chapter is about "Fun with Words". All the humor in *Lotsa Laughs* is innocent and harmless fun at ourselves and our social, political and religious mores. It is meant to laugh WITH and NOT AT the subjects of humor. *Lotsa Laughs* would also make a good reference book for speakers seeking an attention-getting funny opening remark for their speech. A future Henny Youngman may find the one-liners in *Lotsa Laughs* a good fit for their training manual.
