The Crown Blood-Bound C M Morin , The adventure continues as Lake races to recover what some call the power of the universe--The Crown. A mysterious, alien-made gauntlet that bonds to the flesh and seemingly grants every desire to cross the mind of the wearer. Recently having fallen into the wrong hands, the universe is in grave danger and the Galactic Military is on a mission to prevent the plans that organized crime lord--Mr. Victor, has in store. Along for the ride to the frozen planet Hail, Lake and her friends attempt not to step on anyone's toes as they prepare for their own agenda. However they have no such luck when it turns out a pompous double-agent, spy is out to stand in her way at every turn. Lake may have more difficulty than she'd thought in reclaiming what she believes is rightfully meant for her. Of course it only makes matters worse when she declares herself the sworn nemesis of the spy who turns out to be half Azorian... With every new revelation, Lake begins to question and even doubt herself, helped along by the unabashed opinions of her friends who believe she should give up the Crown for her own good. Do they really have her best interests at heart, can she trust them? And is it even worth it? Lake makes a discovery that may very well lead her to reconsider how she feels about her allies when she is addressed by another... Is Lake the hero the universe is going to need? Can the Crown fix all her problems? Will she fall to her inner struggle of accepting who she is? Or is it all a cleverly designed distraction to keep from facing the real demon that's been plaguing her mind--HIM. The path to self-discovery has never been more emotional...more physical...more PAINFUL.
