2012: the Zombie Apocalypse Ryan Tomasella,2010-05-03 2012: The Zombie Apocalypse is a riveting tale of survival in a post-apocalyptic world overrun with zombies. A group of unlikely survivors are forced to band together to find salvation in a horror-drenched world. Led by Ryan and surrounded by undead monsters, the survivors journey across the wastelands in search of a precious and increasingly rare commoditylife. But wait, I say. The zombies in I Am Legend were just infected and could be cured, not similar to these types of zombies. I sit down on my couch and scratch my head. I'm being so childish here; I'm comparing what is happening right now to movies. I need to figure out what needs to be done, I say before pushing myself off the couch and walking into my office. I grab a notepad from the desk as well as a pen before returning to the couch and sitting down. I push everything off the table and onto the floor before placing the notepad on the table. Alright first things first I need to hunker down and hold my position for the night. First thing tomorrow morning I need to get out of the city, it isn't safe here, the population is too high. I can easily get overwhelmed and eaten.
