**The Zuma Years** Richard Calland, 2013-08-16 The face of power in South Africa is rapidly changing – for better and for worse. The years since Thabo Mbeki was swept aside by Jacob Zuma’s ‘coalition of the wounded’ have been especially tumultuous, with the rise and fall of populist politicians such as Julius Malema, the terrible events at Marikana, and the embarrassing Guptagate scandal. What lies behind these developments? How does the Zuma presidency exercise its power? Who makes our foreign policy? What goes on in cabinet meetings? What is the state of play in the Alliance – is the SACP really more powerful than before? And, as the landscape shifts, what are the opposition’s prospects? In *The Zuma Years*, Richard Calland attempts to answer these questions, and more, by holding up a mirror to the new establishment; by exploring how people such as Malema, Chief Justice Mogoeng Mogoeng and DA parliamentary leader Lindiwe Mazibuko have risen so fast; by examining key drivers of transformation in South Africa, such as the professions and the universities; and by training a spotlight on the toxic mix of money and politics. *The Zuma Years* is a fly-on-the-wall, insider’s approach to the people who control the power that affects us all. It takes you along the corridors of government and corporate power, mixing solid research with vivid anecdote and interviews with key players. The result is an accessible yet authoritative account of who runs South Africa, and how, today.

*A Fickle and Restless Weapon* Jason Erik Lundberg, 2020-06-07 Quek Zhou Ma, a performer who goes by the stage name Zed, returns to the island-nation of Timor after a long absence to attend the funeral of his older sister. As he deals with conflicting feelings about a homeland he hardly recognises, he decides to produce a lavish production with the Ministry of Culture, but opening night is marred by a bombing attributed to a local resistance group, Red Dhole. He meets Tara, a

graphic designer with the Ministry of Culture who finds herself uneasily associated with Red Dhole. She is charged with bringing Zed over to the cause, but as the pair grow closer, she doubts whether she can complete her task. Meanwhile, Vahid Nabizadeh, Zed's creative partner and a master puppeteer, finds a new home in Tinhau, but he becomes embroiled in political and financial intrigue that threatens to unbalance the stability of the government. As Zed, Tara and Vahid struggle with their disaffected identities, Tinhau is abruptly attacked by the Range, a mysterious cloud formation that appears without warning and destroys without mercy, a weapon as fickle and restless as the human mind.

*Sensational Piety* Murtala Ibrahim, 2022-08-11 Grounded in anthropological comparison and the concept of materiality, this book offers an in-depth ethnographic study of the similarities and differences among various forms of religious practices in a Pentecostal Church (Christ Embassy) and an Islamic group (NASFAT) in the Nigerian capital of Abuja. Scholarship in this area tends to focus on inter-religious contestations and conflicts; however, this book proposes that another dynamic is unfolding between Christians and Muslims that is characterised by conviviality, interfaith joint action programmes, mutual influences and even the exchange of religious forms. The comparative approach reveals that, notwithstanding the seemingly opposed worldviews and divergences between Muslims and Christians, they all face similar challenges and apply similar techniques for meeting the challenges posed by the precarious Nigerian urban environment. It is through practices – especially those conducted in (semi-) public settings – that people from different religious persuasions define, encroach on and feel the weight of each other's presence.

*The Red Card* Hayibo.com,2010 The Red Card is the best of the best from Hayibo.com. In print. On the page. In your own hands. Take a breath. Take a break. Have a laugh. Fresh, irreverent, topical news that'll tickle your twisted South African funny bone. Instant millionaire, Julius Malema, says his last few tax returns are not available for scrutiny because the dog ate them. Meanwhile he has accused a reporter of faking his signature, despite testimony from skeptical forensic experts who say that it is almost impossible to forge a thumbprint. Hayibo.com is South Africa's second best source of made up news after the SABC--BOOK Southern Africa.

Bring Me My Machine Gun Alec Russell,2010-05-21 Award-winning journalist Alec Russell was in South Africa to witness the fall of apartheid and the remarkable reconciliation of Nelson Mandela's rule; and returned in 2007-2008 to see Mandela's successor, Thabo Mbeki, fritter away the country's reputation. South Africa is now perched on a precipice, as it prepares to elect Jacob Zuma as president - signaling a potential slide back to the bad old days of post-colonial African leadership, and disaster for a country that was once the beacon of the continent. Drawing on his long relationships with all the key senior figures including Mandela, Mbeki, Desmond Tutu, and Zuma, and a host of South Africans he has known over the years - including former activists turned billionaires and reactionary Boers - Alec Russell's *Bring Me My Machine Gun* is a beautifully told and expertly researched account of South Africa's great tragedy: the tragedy of hope unfulfilled.

**Everyone In LA Is an REDACTED** Sarah Fuller,Sarah Noffke,Michael Anderle,2019-08-12 LA is a beast. A city that swallows most with its glamour and glitz. Not Sarah Fuller though. Stubborn and relentless, Sarah refuses to be changed by her surroundings. Often, she takes a cynical approach, judging the world around her, though never taking anything too seriously. Thrown back into the dating arena in her late thirties, Sarah encounters brand new challenges. Readers will laugh out loud at the adventures and mishaps this sassy protagonist gets herself into. She explores LA life, seeing it through her unique lens. Hair extensions, goat yoga, socialites and all the strangeness that comes out of LA weave together in this crazy, episodic adventure. Can you handle the absurdities? Fans of Chelsea Handler and Sex in the City will love Everyone in LA is an Asshole, a series that doesn't hold back and says what we're all secretly thinking.
