Corporeità e gioco Romano Mezzetti,2012 [...] desidero, in particolare, esprimere un certo interesse per l’originale definizione di “corporeità” che il dott. Mezzetti si è impegnato a produrre: effettivamente, a tutt’oggi, in molti contesti accademici, scientifici e/o divulgativi non si presta particolare attenzione alla specificità lessicale e concettuale relativa all’uso di questo termine e nel linguaggio corrente non emerge quella attenzione a una giusta diversità lessicale ben evidenziata nel corpo centrale di questo testo. (dalla Presentazione del Prof. Riccardo Agabio, Presidente Federazione Ginnastica d’Italia)

Dipendenze. Alcool gioco sesso droghe Roberto Pacini,2015-07-08T13:42:47

Puzzle Franck Thilliez,2022-10-31T00:00:00+01:00 Lucas Chardon è rinchiuso in un ospedale psichiatrico e per la prima volta chiede di raccontare come sono andate le cose il giorno in cui la sua vita è cambiata per sempre. Quel giorno, la polizia ha rinvenuto otto cadaveri trucidati in un rifugio. Insieme a loro c’era lui, in lacrime, ricoperto di sangue e privo di memoria. Altrove, Ilan Dieduset riceve una telefonata: è la sua ex ragazza, Chloé. Dice di aver trovato l’ingresso a Paranoia, un ambitissimo gioco di ruolo gestito da un’entità misteriosa: tutti lo stanno inseguendo, ma nessuno conosce le regole. Ilan è stato un giocatore compulsivo, in passato, e la tentazione è troppo forte. Dopo un inquietante processo di selezione, Ilan e Chloé, insieme ad altri sei candidati, vengono convocati in un ospedale psichiatrico in disuso isolato tra le montagne. Regola numero uno: niente di quello che stai per vivere è vero; questo è un gioco. Regola numero due: uno di voi morirà. La partita comincia e, quando il gruppo inizia a sospettare la presenza di un intruso, la paranoia prende lentamente corpo. Con il passare delle ore, la competizione assume forme sempre più perverse, in una sorta di folle e angosciante meccanismo. Dove finisce il gioco e dove comincia la realtà? Chi accetterebbe di morire per un gioco? Dal re del thriller francese, un nuovo successo da 450.000 copie vendute: un enigma intricato, sorretto da un’ambientazione da brivido e una tensione costante. Un puzzle diabolico che non lascerà più dormire i lettori. «Tra paranoia reale o immaginaria, e con un colpo di coda che sarebbe delittuoso svelare, realtà e finzione si inseguono in un prisma di continui rimandi e spiazamenti che Thilliez sembra derivare dalla grammatica narrativa dei videogiochi. Se amate questo tipo di adrenalina e non riuscite a scegliere tra il mondo concreto e la realtà virtuale, ma vi affascina i contorti labirinti mentali e avete amato Shutter Island, questo romanzo fa per voi». Giancarlo De Cataldo, «Robinson - la Repubblica» «Non esiste un altro cervello narrativo così raffinato e giocoliero». Roberto Iasoni, «Sette - Corriere della Sera»

Legends of Glencyndal Jo Sutton,2020-10-07 Dark days are looming for the Ferriston family at Green Willow house. Tom and his younger brother Charlie will be battling evil forces again, entering the mystical dimensions of Glencyndal through the portals of ancient paintings!At the village school, disturbing events cause disruption and havoc - children become ill with a sickness bug, the Head Teacher threatens to cancel Christmas, and an unsavoury temporary teacher and caretaker are not what they seem... At Green Willow, lumps of ceiling plaster fall down revealing paintings of swans - and real feathers inexplicably start falling down! Who painted the swans? What on earth's going on?Sensing catastrophic danger, the brothers summon Geschwind, Grand Master of Magicians, in their race to outwit those evil Shape Shifters, and the most terrifying creature of all - Nhiamar the Bringer of Nightmares, the Tormentor and Destroyer... and then there's Skadmeer! Who will win this final battle?

Tra ordine e caos. Regole del gioco per una urbanistica paesaggista Silvia Mantovani,2009

Il gioco inconscio nella storia Paolo D'Alessandro,1989

Italian Literature since 1900 in English Translation Robin Healey,2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900, this annotated bibliography covers over 4,800 distinct editions of writings by some 1,700 Italian authors. Many entries are accompanied by useful notes that provide information on the authors, works, translators, and the reception of the translations. This book includes the works of Pirandello, Calvino, Eco, and more recently, Andrea Camilleri and Valerio Manfredi. Together with Robin Healey’s Italian Literature before 1900 in English Translation, also published by University of Toronto Press in 2011, this volume makes comprehensive information on translations from Italian accessible for schools, libraries, and those interested in comparative literature.

Femicide, Gender and Violence Daniela Bandelli,2017-03-21 This book questions gendered readings of violence by analyzing how this paradigm has become normalized in Italy since the feminist term ‘femminicidio’, or ‘femicide’, entered the mainstream media during the 2013 general election. It also sheds light on discourses of contestation on the part of family activists, men’s rights campaigners and divorced fathers’ groups. Two counter-discourses emerge. The first is what the author terms an ‘ideology narrative’, for which discourses built around the conceptual category of ‘gender’ normalize simplistic representations of relationships between men and women. The second is a ‘female violence discourse’, which sheds light on under-represented aggressor-victim relations and modifies dominant representations of femininity and masculinity. The author argues that integrating these two discourses into public debates helps to reappropriate the complexity and biological dimensions of (violent) relationships between men and women, often overshadowed by gender/feminist perspectives. In this way, she concludes, we can address neglected social issues that contribute to violence beyond gender. This thought-provoking book will appeal to students and scholars of sociology, critical discourse studies and gender.

SHOGI (Japanese chess) Calogero A. Salomon,2019 Shogi, chiamato anche il gioco dei generali o semplicemente scacchi giapponesi, lo shogi non è un semplice gioco di scacchi ma va oltre questo, ci fa pensare molto di più, analizzare, ecc. Dicono che il shogi ci permette di pensare a molte possibili mosse che l'altro giocatore può fare anche come rispondere a ogni possibile mossa, dicono che un giocatore professionale di shogi può pensare da 100 fino 200 possibili mosse e come rispondere a ognuna di queste. A differenza di altri giochi, credo che lo shogi sia tutto un mondo diverso, da le buone maniere fino le giocate e mosse utilizzate nelle partite, chiunque può giocare questo bellissimo gioco e trovarsi dentro ed essere parte del mondo dello shogi.

Encyclopedia of Italian Literary Studies Gaetana Marrone,Paolo Puppa,2006-12-26 The Encyclopedia of Italian Literary Studies is a two-volume reference book containing some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works, from the most important figures of Italian literature to little known authors and works that are influential to the field. The Encyclopedia is distinguished by substantial articles on critics, themes, genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest, such as those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.
