

(Soccer)

Emily Jankowski

Soccer Heather Williams,2019-08 In Soccer: A Guide for Players and Fans, young readers can dive into one of the world's most popular sports. Readers will find easy-to-read explanations of soccer's beginnings, basic rules and strategies, and how they can suit up and get on the pitch. This book features colorful photos, fun facts, and informative sidebars, and aspiring soccer players will take what they learn from it and head straight to the goal!

US Men's Professional Soccer Jon Marthaler,2019-01-01 Learn more about the different men's professional soccer leagues in the United States over the years along with the stars that played in them. This book includes informative sidebars, high-energy photos, and a glossary. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABD0.

American Soccer Gregory G. Reck,Bruce Allen Dick,2015-01-24 This narrative of U.S. soccer's history and present-day status addresses the issues of socioeconomics. Emphasizing the differences between social classes in U.S. soccer past and present, as well as those between American soccer and international football, this work analyzes the role of class in American soccer's failure to carve out a more prominent place in the sports landscape. Contemporary soccer is explored from its beginnings in informal Parks and Recreation leagues to the development of formal club programs, and university, professional, and U.S. national teams. In recent decades, Hispanic leagues formed primarily by Mexican and Central American immigrants have reinforced the theme of a class-based, exclusionary space in U.S. soccer. A personal perspective based on the authors' experience coaching soccer at the informal level broadens the book's appeal.

Little Soccer Brad Herzog,2011-09-01 Board Books for Little Sports! Now even the smallest of fans can enjoy a book about their favorite sport. Rhyming riddles accompanied by colorful artwork help introduce the game's simplest, most basic elements.Brad Herzog lives on California's Monterey Peninsula with his wife, Amy, and his two sons, Luke and Jesse. As a freelance writer, he has won several awards from the Council for the Advancement and Support of Education, including a Grand Gold Medal for best magazine article of the year. Brad has published more than two dozen books, including two memoirs about his travels through small-town America. A graduate of the Columbus College of Art & Design in Columbus, Ohio, Doug Bowles has been a freelance illustrator for 20 years. In addition to Doug's illustrations for children, he enjoys working with a wide range of clients in the advertising, corporate and editorial communities. His work has been selected many times in the Society of Illustrators West competition, and he has had several gallery showings. Doug lives in Leawood, Kansas, with his wife and two children.

Soccer Aaron Derr,2017-01-01 Playing a sport is good exercise and fun, but being part of a team is more fun for everyone when you know the rules of the game and how to be a good sport. Soccer, or football as it's known in much of the world, is by far the world's most popular team sport for both boys and girls. In this book, readers learn the history of the game and the role of various positions on the field.

Soccer U.S.A. Chuck Cascio,1975

The Soccer Diaries Michael J. Agovino,2014-06-01 Although soccer had long been the world's game when Michael J. Agovino first encountered it in 1982, here it was just a poor cousin to American football, to be found on obscure UHF channels and in foreign magazines. But as Agovino himself passionately pursued soccer, Americans got wise and turned it into one of the most popular sports in the country. Agovino's love affair with soccer is a portrait of the game's culture and an intimate history of the sport's coming of age in the United States. Agovino's quest takes him from the unkempt field in the Bronx where he taught himself to play to some of the sport's most storied venues and historic matches. With Agovino we travel from school fields to Giants Stadium, then from England to Germany, Italy, and Spain, along the way taking in the final days of the North American Soccer League, the 1994 World Cup, and the birth of Major League Soccer. Offering the perspective of fan, player, and journalist, Agovino chronicles his obsession with the sport and its phenomenal evolution.

Why American Soccer Isn't There Yet Shane Stay,2014-05-15 Why American Soccer Isn't There Yet analyzes the methods of Brazil, Spain, Holland—where the author has lived and played—and other similar nations, establishing a ground for a new vision in the approach to American soccer. The purpose is to establish a new insight into contemporary American soccer and restore faith in ground level observation of what works in a competitive team sport. The majority of American soccer players have athletic talent, the raw physical ability, and often the technical ability, however they have been fed the wrong mental information from their elders, including parents, extended family, and coaches. In turn, the coaches have been fed the wrong information from their respective elders. This book lays out what the core problem is, how to break it down, and fix it for the future of American soccer, which has the potential to become a prominent world power.

The Best of the Best in Soccer Rachel Rutledge,2000-03-01 Discusses the past and future of women's soccer and presents biographies of eight of the sport's most famous players: Michelle Akers, Joy Fawcett, Julie Foudy, Mia Hamm, Kristine Lilly, Shannon MacMillan, Carla Overbeck, and Briana Scurry.

Long-Range Goals Beau Dure,2010 All over the world, soccer is known as the Beautiful Game and is the most popular sport. But in the United States, professional soccer still has a hard time catching on. It has had some successes here. The American Soccer League of the 1920s, Pél  and other international stars in the North American Soccer League's glamorous 1970s, the indoor soccer phenomenon of the 1980s, and the U.S. women's win in the Women's World Cup of 1999 all hinted that the American public is ready to embrace pro soccer. In its short history, Major League Soccer (MLS) has survived and even started to thrive, drawing steady crowds and loyal fans. In Long-Range Goals, Beau Dure profiles teams and players, including D.C. United, the Los Angeles Galaxy, Landon Donovan, Freddy Adu, and Coach Bruce Arena, who are all vital to MLS. Some of the triumphs include an expansion of the league and its ownership group, the contribution of MLS players to a strong U.S. World Cup showing in 2002, and the construction of soccer stadiums nationwide. At the same time, MLS has occasionally stumbled, during costly legal battles with players and seeing two teams fold, but its investors have remained strong, figured out how to make money, and support the league. From the league's formation in 1993 to the David Beckham era, this book reveals all the action on and off the pitch: the politics, the lawsuits, the management of its teams, and the savvy business deals that helped MLS rebound. It also reveals in the big personalities of its stars, the grace of its utility players, and the obstacles the league faces in meeting its long-range goals.

Soccer For Dummies® United States Soccer Federation, Inc.,Michael Lewis,2011-03-16 "Entertaining, very informative, and essential for parents, fans, and players." –Tony DiCicco, Head Coach, 1999 Women's Cup Champions "Two thumbs up.... This book will broaden your knowledge of the game." –Ron Newman, all-time winningest American Soccer Coach "This book will help people to understand why soccer is the world's sport and why we love it so

much.” –Tiffeny Milbrett, Forward, U.S. Women’s National Team “Fans will love it, and those who want to become fans will devour it.” –Bob Ley, ESPN/ABC Broadcaster Simplicity alone doesn’t explain soccer’s enormous popularity worldwide. Soccer is a game that can be as frustrating as golf, as physical as football and hockey, as sporadic as baseball, and as graceful as basketball. It can also be addictive. Whether you are a youth league player, a soccer parent, or a World Cup fan, here, at last, is the book you’ve been waiting for. Written by New York Daily News soccer columnist Michael Lewis with the full support and participation of the United States Soccer Federation, Soccer For Dummies shows you how to: Get a handle on soccer rules and regulations Learn the basic moves and plays Improve dribbling, passing, and other basic skills Find a league to play in Coach kids effectively Get more out of the game as a spectator Featuring expert tips from U.S. Men’s and Women’s National Soccer Team stars and packed with hundreds of action photos and illustrations, Soccer For Dummies is the ultimate beginner’s guide to the sport. You’ll discover: The where and wear of soccer Laws of the game Footwork, passing, shooting, receiving, goal tending, and other game fundamentals Staying in soccer shape Teamwork and strategy Coaching youth soccer Everything the informed spectator should know The current state of soccer at all levels from youth leagues to geriatric leagues Get Soccer For Dummies and get the lowdown on the world’s most popular sport from some of its most celebrated players.

The United States of Soccer Phil West,2016-11-01 “A brisk and informative look at Major League Soccer’s first twenty years . . . West gives MLS fans a worthy chronicle.” (Booklist). In 1988, FIFA decreed that the 1994 World Cup would be played in the United States – with the condition that the U.S. would start a new professional league. The North American Soccer League had failed just four years prior, and the prospects of launching a new league for Americans, who didn’t share the rest of the world’s love for soccer, were both exciting and daunting. The United States of Soccer is the engaging history of Major League Soccer’s bootstrap origins prior to its 1996 launch, its near-demise in the early 2000s, and its surprising resilience and growth as it won recognition from soccer fans around the world. The book also explores the origin of MLS’s superfans who set the tone within MLS stadiums and defining what it is to be a North American soccer fan. Phil West chronicles those fans’ voices – intermingled with league officials, former players and coaches, journalists, and newspaper accounts – to detail MLS’s remarkable journey.

The Everything Kids' Soccer Book, 5th Edition Carlos Folgar,Deborah W Crisfield,2021-06-22 Everything kids need to know about their favorite sport including up-to-date stats and information on players and teams in this revised, updated edition of The Everything Kids’ Soccer Book. Your kids can finally learn everything they could ever need or want to know about soccer in this revised and updated edition of The Everything Kids’ Soccer Book. Young soccer fans will learn fun and exciting ways to perfect their passing, shooting, and dribbling skills and master the fancy footwork needed to becoming a soccer superstar. This new edition features up-to-date information about the MLS and the World Cup teams as well as dozens of interactive games and puzzles to keep them entertained. No matter what level of soccer player your child is, this book makes learning about the world’s favorite sport–almost–as fun as playing it!

Soccer Skills & Drills National Soccer Coaches Association of America (NSCAA),2006-06-20 Master all the fundamentals that matter on the pitch with Soccer Skills & Drills. This comprehensive instructional guide for players and coaches alike teaches the techniques necessary for success as well as games and drills to hone your skills to perfection. Learn to dribble, receive, pass, shoot, head, tackle, and guard the goal with guidance from the National Soccer Coaches Association of America, the top coaches’ organization in the United States. Then use the 80 progressively arranged games and drills to practice those skills in competitive situations and small-sided games. The insightful teaching points and effective practice activities will reinforce your execution of the fundamentals and expand your repertoire of techniques and tactics. Dozens of photographs and diagrams are provided to help you visualize the technical instruction, while the application of each skill is described from both tactical and positional perspectives. More than a drill book, Soccer Skills & Drills is the information-packed resource that will elevate any player’s game!

Totally Epic, True and Wacky Soccer Facts and Stories Puck,Jon Stollberg,2017-03-07 A book about the wackiest and most epic stories of soccer.

Soccer Record Breakers Brian Trusdell,2015-08-01 This title will give you the story behind records held by such soccer stars as Lionel Messi, Kristine Lilly, Landon Donovan, and more. The title also features informative sidebars, fun facts, a glossary, and further resources. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABD0.

Goooal Andreas Cantor,1997-06-18 In Goooal, Andreas Cantor brings to the history of the World Cup the same enthusiasm, knowledge, and idiosyncratic touches that have made his broadcasts on Univision a favorite of both Latino and mainstream audiences. Filled with personal anecdotes and observations about the game and the business of soccer, Goooal will appeal to the many fans of America's thriving new professional soccer leagues. of photos.

Soccer's Greatest Records Emily Jankowski,2014-12-15 Soccer is the most popular sport in the world, and its popularity keeps growing. Throughout the history of the sport, there have been a number of athletes who’ve helped it become the phenomenon it is today by setting amazing records. Readers discover these athletes and the records they hold through engaging, informative text and vibrant photographs. Biographies of stars such as Abby Wambach and Pelé show the impact both male and female players have had on the game of soccer. Stat boxes highlight the most famous records in the form of helpful charts, allowing readers to reinforce math skills.

Soccer Joseph A. Luxbacher,2013-09-04 Master key techniques on the soccer field with Soccer: Steps to Success. This comprehensive guide features step-by-step instruction on becoming skilled in individual techniques and team tactics. Improve your abilities in dribbling, passing, receiving, shooting, defending, tackling, heading, and goalkeeping with the help of detailed descriptions and full-color photos and illustrations of all fundamental techniques. Then learn how and when to apply those skills in game situations, such as winning one-on-one matchups, attacking, and defending. More than 180 exercises and small-sided games test your readiness to progress to the next step through the use of an easy-to-follow scoring system. Become a total player able to perform a variety of skills and execute tactics consistently. One of the sport’s most popular resources, Soccer: Steps to Success has helped more than 100,000 players take their game to the next level.
