Dorothy Wickenden

The Blue Book of Grammar and Punctuation Lester Kaufman, Jane Straus, 2021-04-16 The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, *The Blue Book of Grammar and Punctuation* includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering just the facts on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, *The Blue Book of Grammar and Punctuation* offers comprehensive, straightforward instruction.

Royal Panoply Carolly Erickson, 2007-04-01 From medieval conqueror to Renaissance autocrat to Victorian Empress to modern melodrama, *Royal Panoply* is the story of some of the most fascinating people in world history. With her trademark blend of probing scholarship, lively prose, and psychological insight, Carolly Erickson focuses on each monarch's entire life---from the puny, socially awkward Charles I, to the choleric, violent William the Conqueror, to the well-meaning, deeply affectionate Queen Anne, who was so heavy she had to be carried to her coronation. *Royal Panoply* recaptures the event-filled, often dangerous, always engaging lives of England's kings and queens, set against the backdrop of a thousand years of Britain's past.

Between You & Me: Confessions of a Comma Queen Mary Norris, 2015-04-06 Hilarious...This book charmed my socks off. —Patricia O’Conner, New York Times Book Review Mary Norris has spent more than three decades working in The New Yorker’s renowned copy department, helping to maintain its celebrated high standards. In *Between You & Me*, she brings her vast experience with grammar and usage, her good cheer and irreverence, and her finely sharpened pencils to help the rest of us in a boisterous language book as full of life as it is of practical advice. Named a Best Book of the Year by NPR, Amazon, Wall Street Journal, Publishers Weekly, Kirkus, and Library Journal.

The Chicago Manual of Style University of Chicago. Press, 2003 Searchable electronic version of print product with fully hyperlinked cross-references.

The Agitators Dorothy Wickenden, 2022-02-22 From the intimate perspective of three friends and neighbors in mid-nineteenth century Auburn, New York-the agitators of the title-acclaimed author Dorothy Wickenden tells the fascinating and crucially American stories of abolition, the Underground Railroad, the early women's rights movement, and the Civil War. Harriet Tubman-no-nonsense, funny, uncannily prescient, and strategically brilliant-was one of the most important conductors on the underground railroad and hid the enslaved men, women and children she rescued in the basement kitchens of Martha Wright, Quaker mother of seven, and Frances Seward, wife of Governor, then Senator, then Secretary of State William H. Seward. Harriet worked for the Union Army in South Carolina as a nurse and spy, and took part in a river raid in which 750 enslaved people were freed from rice plantations. Martha, a dangerous woman in the eyes of her neighbors and a harsh critic of Lincoln's policy on slavery, organized women's rights and abolitionist conventions with Susan B. Anthony and Elizabeth Cady Stanton. Frances gave freedom seekers money and referrals and aided in their education. The most conventional of the three friends, she hid her radicalism in public; behind the scenes, she argued strenuously with her husband about the urgency of immediate abolition. Many of the most prominent figures in the history books-Lincoln, Seward, Daniel Webster, Frederick Douglass, Charles Sumner, John Brown, Harriet Beecher Stowe, William Lloyd Garrison-are seen through the discerning eyes of the protagonists. So are the most explosive political debates: about women's roles and rights during the abolition crusade, emancipation, and the arming of Black troops; and about the true meaning of the Declaration of Independence and the Constitution. Beginning two decades before the Civil War, when Harriet Tubman was still enslaved and Martha and Frances were young women bound by law and tradition, *The Agitators* ends two decades after the war, in a radically changed United States. Wickenden brings this extraordinary period of our history to life through the richly detailed letters her characters wrote several times a week. Like Doris Kearns Goodwin's *Team of Rivals* and David McCullough's *John Adams*, Wickenden's *The Agitators* is revelatory, riveting, and profoundly relevant to our own time--

Eats, Shoots & Leaves Lynne Truss, 2004-04-12 We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In *Eats, Shoots & Leaves*, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get

upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with.

Write for Your Life Anna Quindlen, 2022-04-12 NATIONAL BESTSELLER • In this clarion call to pick up a pen and find yourself from “one of our most astute chroniclers of modern life” (The New York Times Book Review), #1 New York Times bestselling author Anna Quindlen shows us how anyone can write, and why everyone should. What really matters in life? What truly lasts in our hearts and minds? Where can we find community, history, humanity? In this lyrical new book, the answer is clear: through writing. This is a book for what Quindlen calls “civilians,” those who want to use the written word to become more human, more themselves. *Write for Your Life* argues that there has never been a more important time to stop and record what we are thinking and feeling. Using examples from past, present, and future—from Anne Frank to Toni Morrison, from love letters written after World War II to journal reflections from nurses and doctors today—*Write for Your Life* vividly illuminates the ways in which writing connects us to ourselves and to those we cherish. Drawing on her personal experiences not just as a writer but as a mother and daughter, Quindlen makes the case that recording our daily lives in writing is essential. When we write we not only look, we see; we not only react but reflect. Writing gives you something to hold onto in a changing world. “To write the present,” Quindlen says, “is to believe in the future.”

A World Without "Whom" Emmy J. Favilla, BuzzFeed, 2017-11-14 A provocative and jaunty romp through the dos and don'ts of writing for the internet (NYT)--the practical, the playful, and the politically correct--from BuzzFeed copy chief Emmy Favilla. *A World Without Whom* is *Eats, Shoots & Leaves* for the internet age, and BuzzFeed global copy chief Emmy Favilla is the witty go-to style guru of webspeak. As language evolves faster than ever before, what is the future of correct writing? When Favilla was tasked with creating a style guide for BuzzFeed, she opted for spelling, grammar, and punctuation guidelines that would reflect not only the site's lighthearted tone, but also how readers actually use language IRL. With wry cleverness and an uncanny intuition for the possibilities of internet-age expression, Favilla makes a case for breaking the rules laid out by Strunk and White: A world without whom, she argues, is a world with more room for writing that's clear, timely, pleasurable, and politically aware. Featuring priceless emoji strings, sidebars, quizzes, and style debates among the most lovable word nerds in the digital media world--of which Favilla is queen--*A World Without Whom* is essential for readers and writers of virtually everything: news articles, blog posts, tweets, texts,

emails, and whatever comes next . . . so basically everyone.

Fact of the Day 1 Danny Sheridan, 2020-12-22 A look inside the culture of Amazon, one of the most successful companies in the world, and of its relentless, brilliant founder, Jeff Bezos. When Amazon.com launched in 1995, it was with the mission to be Earth's most customer-centric company. Through creating and sustaining a culture of innovation, the company has proven a track record of building and scaling new businesses. The Day 1 mentality means that even though Amazon is 26 years old, the company approaches every day like it's the first day of their new startup - to make smart, fast decisions, stay nimble, innovate and invent, and focus on delighting customers. Preparing to interview at Amazon? Curious about Amazon's core principles? Inside this book are 250 bite-sized facts ranging from origin stories about Amazon, Jeff Bezos-isms, frameworks for decision making, emotional intelligence in leadership, applications of artificial intelligence, trends popular among Gen Z, and much more. Facts tickle the brain and are bite-sized yet useful. Whether you read one fact each day or binge all 250 facts in one sitting, *Fact of the Day 1* (1st Edition) will deepen your knowledge about the world we live and operate in. Join 50,000 readers who subscribe to the email list at www.factoftheday1.com

The SBL Handbook of Style Society of Biblical Literature, 2014-11-20 The definitive source for how to write and publish in the field of biblical studies The long-awaited second edition of the essential style manual for writing and publishing in biblical studies and related fields includes key style changes, updated and expanded abbreviation and spelling-sample lists, a list of archaeological site names, material on Qur'anic sources, detailed information on citing electronic sources, and expanded guidelines for the transliteration and transcription of seventeen ancient languages. Features: Expanded lists of abbreviations for use in ancient Near Eastern, biblical, and early Christian studies Information for transliterating seventeen ancient languages Exhaustive examples for citing print and electronic sources

MLA Style Manual and Guide to Scholarly Publishing Joseph Gibaldi, 1998 Since its publication in 1985, the MLA Style Manual has been the standard guide for graduate students, teachers, and scholars in the humanities and for professional writers in many fields. Extensively reorganized and revised, the new edition contains several added sections and updated guidelines on citing electronic works--including materials found on the World Wide Web.

Shady Characters: The Secret Life of Punctuation, Symbols, and Other Typographical Marks Keith Houston, 2013-09-24 Revealing the secret history of punctuation, this delightful tour of 2,000 years of

the written word, from ancient Greece to the Internet, explores the parallel histories of language and typography throughout the world and across time.

Vegetable Literacy Deborah Madison, 2013-03-12 In her latest cookbook, Deborah Madison, America's leading authority on vegetarian cooking and author of *Vegetarian Cooking for Everyone*, reveals the surprising relationships between vegetables, edible flowers, and herbs within the same botanical families, and how understanding these connections can help home cooks see everyday vegetables in new light. For over three decades, Deborah Madison has been at the vanguard of the vegetarian cooking movement, authoring classic books on the subject and emboldening millions of readers to cook simple, elegant, plant-based food. This groundbreaking new cookbook is Madison's crowning achievement: a celebration of the diversity of the plant kingdom, and an exploration of the fascinating relationships between vegetables, edible flowers, herbs, and familiar wild plants within the same botanical families. Destined to become the new standard reference for cooking vegetables, *Vegetable Literacy* shows cooks that, because of their shared characteristics, vegetables within the same family can be used interchangeably in cooking. It presents an entirely new way of looking at vegetables, drawing on Madison's deep knowledge of cooking, gardening, and botany. For example, knowing that dill, chervil, cumin, parsley, coriander, anise, lovage, and caraway come from the umbellifer family makes it clear why they're such good matches for carrots, also a member of that family. With more than 300 classic and exquisitely simple recipes, Madison brings this wealth of information together in dishes that highlight a world of complementary flavors. Griddled Artichokes with Tarragon Mayonnaise, Tomato Soup and Cilantro with Black Quinoa, Tuscan Kale Salad with Slivered Brussels Sprouts and Sesame Dressing, Kohlrabi Slaw with Frizzy Mustard Greens, and Fresh Peas with Sage on Baked Ricotta showcase combinations that are simultaneously familiar and revelatory. Inspiring improvisation in the kitchen and curiosity in the garden, *Vegetable Literacy*—an unparalleled look at culinary vegetables and plants—will forever change the way we eat and cook.

The Chicago Guide to Grammar, Usage, and Punctuation Bryan A. Garner, 2016-05-16 The authoritative guide to using the English language effectively, from “the greatest writer on grammar and usage that this country has ever produced” (David Yerkes, Columbia University). The author of *The Chicago Manual of Style*'s popular “Grammar and Usage” chapter, Bryan A. Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity. With *The Chicago Guide to Grammar, Usage, and Punctuation*, he has written the definitive guide for writers who want their prose to be both memorable and correct. Garner describes standard literary English—the forms that

mark writers and speakers as educated users of the language. He also offers historical context for understanding the development of these forms. The section on grammar explains how the canonical parts of speech came to be identified, while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar. The usage section provides an unprecedented trove of empirical evidence in the form of Google Ngrams, diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature. Garner also treats punctuation and word formation, and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references. The Chicago Guide to Grammar, Usage, and Punctuation is a magisterial work, the culmination of Garner's lifelong study of the English language. The result is a landmark resource that will offer clear guidelines to students, writers, and editors alike. "[A manual] for those of us laboring to produce expository prose: nonfiction books, journalistic articles, memorandums, business letters. The conservatism of his advice pushes you to consider audience and occasion, so that you will understand when to follow convention and when you can safely break it."—John E. McIntyre, Baltimore Sun

Evolution in a Nutshell Martin Malloy, 2013-07 Evolution in a Nutshell examines the peculiarities of the human species and corruption of their adaptive social structure. Sprinkled with humor in addition to 150 photos and graphics makes this edition a delightful read for both the scientist and layperson.

MartinMalloy@live.com

Shadow of an Empire Max Florschutz, 2018-06 A sweeping Wild-West Fantasy Epic full of magic, mystery, and adventure! Salitore Amazd is an imperial adjudicator, an enforcer of the law and keeper of the peace across the vast, desert stretches of the Indrim Empire's southern reaches known as the Outlands. For Sali, the job means long days in the saddle, constant travel, and hours of rugged, wilderness beauty far from the intrigue and politicking of the empire's core. Until a trainload of convicted prisoners, led by a noble named Nirren, vanishes from a high-security engine in an unprecedented escape, leaving behind only bodies, confused survivors, and a public letter accusing Sali of being a co-conspirator ... as well as a fellow idealist in their forthcoming revolution. An accusation with no evidence, but more than enough to turn the public eye of the empire in his direction. Now forcibly partnered with Meelo Karn, a member of the imperial inquisition with her own ties to the convicts, it's up to both of them to track down Nirren and his gang before they engulf the Outlands in a political firestorm that burns it to the ground. Be it wild animals, unfriendly locals, or even encounters with the enigmatic, steam-driven Grey Knights ... Sali and Meelo have a call to deliver

justice. And justice will be done.

The Advantage of Disadvantage LaGina Gause, 2022-02-24 Does protest influence political representation? If so, which groups are most likely to benefit from collective action? *The Advantage of Disadvantage* makes a provocative claim: protests are most effective for disadvantaged groups. According to author LaGina Gause, legislators are more responsive to protesters than non-protesters, and after protesting, racial and ethnic minorities, people with low incomes, and other low-resource groups are more likely than white and affluent protesters to gain representation. Gause also demonstrates that online protests are less effective than in-person protests. Drawing on literature from across the social sciences as well as formal theory, a survey of policymakers, quantitative data, and vivid examples of protests throughout U.S. history, *The Advantage of Disadvantage* provides invaluable insights for scholars and activists seeking to understand how groups gain representation through protesting.

Riddles of Existence Dalt Wonk, 2013 Inspired by costume designs of the golden age of Mardi Gras, *The Riddles of Existence* is a kind of modern reinvention of Tarot Cards. But these cards are not for predicting the future -- they are for having fun now! *The Riddles of Existence* are an oversized deck of cards, each with a figure wearing a costume. Beneath the illustration, there is a riddle in verse. The costume is the answer, or a hint at the answer, of the riddle. It's a game any number can play. You can have fun alone or even better, with friends. Turn up a card. Read the riddle. Contemplate the costume. Who can guess the answer? -- from publisher's website

Semicolon, Em Dash, Oxford Comma Bravencru, Independently Published, 2019-03-14 The perfect journal for those who value the rules of American English Punctuation. One hundred lined blank pages for writers, teachers, nerds, grammar enthusiasts, and those who like to correct others. Matte finish, 6x9 in for bags, purses, and travel.

Axtara - Banking and Finance Max Florschutz, 2020-12-22 From the mind behind *Shadow of an Empire* and *Colony* comes a new YA Fantasy adventure full of friendship, discovery, and finance! Meet Axtara, a young dragon just leaving the nest in pursuit of her lifelong dream: To own and operate her own bank. Her destination? The edge of known civilization: Elnacier. The coastal kingdom is small, but brimming with natural resources and poised for an economic boom if the right conditions can be met. If. Change is never easy, and Axtara is going to have her claws full founding Elnacier's first bank as she runs up against skeptical townsfolk, stubborn ministers, suspicious business owners, and tradition itself. Especially as she's also about to be Elnacier's first dragon ...
