**The Book of Basketball** Bill Simmons, 2010-12-07 NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN’s The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game’s finest, funniest, and fiercest chronicler.

Fables: The Wolf Among Us Vol. 2 Matthew Sturges, 2016-07-05 Bigby Wolf has been around for a good long while, and he’s investigated pretty much every crime imaginable—but even an immortal Fable like him can still stumble across a once-in-a-lifetime case. As the sheriff of the magical New York City neighborhood known as Fabletown, Bigby is hot on the trail of the killer who beheaded a princess and then unleashed a horde of gangsters and monsters to cover his tracks. But even as Bigby reels from attempts on his life and watches his trail of suspects go cold, an old evil reappears to wreak

havoc once more. Is the urban legend known as Bloody Mary to blame? Or is she just one more tortured pawn in an even bigger game, with an even more crooked opponent waiting to make his move? The acclaimed adaptation of the hit mystery from Telltale Games—inspired by Bill Willingham’s best-selling Vertigo series FABLES—concludes in this second volume of FABLES: THE WOLF AMONG US, written by Matthew Sturges and Dave Justus and featuring a powerful pack of artists, including Travis Moore, Shawn McManus, Eric Nguyen and Steve Sadowski. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not." In

this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched, and beautifully written narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their outcasting of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Original and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.
