Annual Announcement of the Chicago Woman's Club Chicago Woman's Club (Chicago, Ill.),1908

The Club Stephanie Watson,2010-10-01 The club started innocently enough. Bored after school, Josh and his friends decided to try out an old game Sabina had found in her basement. Called Black Magic, it promised the players good fortune at the expense of those who have wronged them. Yeah, right.But when the club members' luck starts skyrocketing'and horror befalls their enemies'the game stops being a joke. How can they end the power they've unleashed? Answers lie in an old diary'but ending the game may be deadlier than any curse.

The Real Metaphysical Club Frank X. Ryan,Brian E. Butler,James A. Good,2019-05-01 A full account of the Metaphysical Club, featuring the members’ philosophical writings and four critical essays. The Metaphysical Club, a gathering of intellectuals in the 1870s, is widely recognized as the crucible where pragmatism, America’s distinctively original philosophy, was refined and proclaimed. Louis Menand’s bestseller about the group was a dramatic publishing success. However, only three actual members—Oliver Wendell Holmes Jr., Charles S. Peirce, and William James—appear in the book, alongside other thinkers who were never in the Club. The Real Metaphysical Club tells the full story of how this influential group shifted the course of philosophy in America. In addition to pioneering pragmatism, the group explored radical empiricism and idealism, and formulated personalism and process philosophy, equally important developments. This volume contains the important writings dating from 1870 to 1885 by the real members of the Metaphysical Club. The first section centers on pragmatism and science; the second part collects writings of the lawyers; and the third part covers idealist and personalist philosophers. Many of these writings have never been reprinted before, and nothing like this impressive collection has ever been attempted. A general introduction provides a narrative history, and the editors’ three introductions to the volume’s sections vividly bring to life the intense meetings, sustained debates, and pioneering thought of the Metaphysical Club. “The Real Metaphysical Club includes some very important thinkers that don’t always make it into anthologies of American philosophy. The period is also important. 1870 to 1885 is critical to the development of classical American philosophy. It precedes it and sets its direction. The book accomplishes its goal of giving the reader a sense of the period by arranging the works in a very interesting way. The readings and introduction are very readable and would be helpful to both graduate and undergraduate students as well as general readers interested in American Thought.” — James M. McLachlan, Western Carolina University

Dudley Sports Football Club Joe Forrest,2021-09-16 As the year comes to an end, with all of us isolated from each other by this pandemic, I realize that the football club in which I have been heavily involved in is now 40 years old. I decided to put down in words those who care to share my memories of the club. The best place to start, so I’m told, is at the very beginning, so that would be 1976. (Yes, I know that is more than 40 years ago.) I had recently left Iye town football club and really had no more interest in any involvement with football. Joan and I started to frequent the birch coppice pub on Friday nights, where we always met up with a great bunch of lads from quarry bank. Several of these lads all worked together at M&G trailers in Iye and played for the local football team, Dunn’s banks rovers. During a conversation, I was told the manager at M&G trailers wanted to speak to me. As I pointed out, I was not looking for a job, so I inquired as to why he wanted to see me. It turned out he himself managed a local works team in Brierley hill and was looking for someone to take over the first team. my initial feelings were forget it, I’m not interested, but after several of the lads continuously bringing it up every week, it got to the point I said I would go along and meet this bloke, really, just out of courtesy. So up to the trailers I go, ask if I can see the works manager and become bombarded with questions: what’s your name, have you got an appointment, what is it about. I was just about to say ‘bollocks I’m off’ when this bloke pops his head round the corner. “Are you Joe, I’m Alan bishop”. That was the start of a great friendship with Alan and his wife Shirley.
