

Editor

Janet Mackenzie

The Editor Steven Rowley, 2020-06-30 From the bestselling author of *Lily and the Octopus* comes a novel about a struggling writer who gets his big break, with a little help from the most famous woman in America. After years of trying to make it as a writer in 1990s New York City, James Smale finally sells his novel to an editor at a major publishing house: none other than Jacqueline Kennedy Onassis. Jackie--or Mrs. Onassis, as she's known in the office--has fallen in love with James's candidly autobiographical novel, one that exposes his own dysfunctional family. But when the book's forthcoming publication threatens to unravel already fragile relationships, both within his family and with his partner, James finds that he can't bring himself to finish the manuscript. Jackie and James develop an unexpected friendship, and she pushes him to write an authentic ending, encouraging him to head home to confront the truth about his relationship with his mother. Then a long-held family secret is revealed, and he realizes his editor may have had a larger plan that goes beyond the page... From the bestselling author of *Lily and the Octopus* comes a funny, poignant, and highly original novel about an author whose relationship with his very famous book editor will change him forever--both as a writer and a son.

The Editor , 1924

The Layers of Magazine Editing Michael Robert Evans, 2004-08-25 Unlike the myriad writing manuals that emphasize grammar, sentence structure, and other skills necessary for entry-level editing jobs, this engaging book adopts a broader view, beginning with the larger topics of audience, mission, and tone, and working its way down, layer by layer, to the smaller questions of grammar and punctuation. Based on

Michael Evans's years of experience as an editor and supplemented by invaluable observations from the editors of more than sixty magazines—including The Atlantic, Better Homes and Gardens, Ebony, Esquire, and National Geographic—this book reveals the people-oriented nature of the job.

The Artful Edit: On the Practice of Editing Yourself Susan Bell, 2008-08-17 Provides a wealth of examples, quotes, and case studies that include an instructional discussion of an editorial collaboration on *The Great Gatsby*, in an upbeat guide to the mechanics and techniques of self-editing that includes strategic tips and exercises. Reprint.

What Editors Do Peter Ginna, 2017-10-06 Essays from twenty-seven leading book editors: “Honest and unflinching accounts from publishing insiders . . . a valuable primer on the field.” —Publishers Weekly Editing is an invisible art in which the very best work goes undetected. Editors strive to create books that are enlightening, seamless, and pleasurable to read, all while giving credit to the author. This makes it all the more difficult to truly understand the range of roles they inhabit while shepherding a project from concept to publication. *What Editors Do* gathers essays from twenty-seven leading figures in book publishing about their work. Representing both large houses and small, and encompassing trade, textbook, academic, and children’s publishing, the contributors make the case for why editing remains a vital function to writers—and readers—everywhere. Ironically for an industry built on words, there has been a scarcity of written guidance on how to approach the work of editing. Serving as a compendium of professional advice and a portrait of what goes on behind the scenes, this book sheds light on how editors acquire books, what constitutes a strong author-editor relationship, and the editor’s vital role at each stage of

the publishing process—a role that extends far beyond marking up the author's text. This collection treats editing as both art and craft, and also as a career. It explores how editors balance passion against the economic realities of publishing—and shows why, in the face of a rapidly changing publishing landscape, editors are more important than ever. “Authoritative, entertaining, and informative.” —Copyediting

The Editor's Companion Janet Mackenzie, 2004-07-21 The Editor's Companion explains the traditional skills of editing for publication. It describes the editorial tasks for all kinds of print and screen publications and is an essential tool not only for professional editors but also for media and publications officers, self-publishers and writers editing their own work.

Make the Cut Lori Coleman, Diana Friedberg, 2014-07-16 First published in 2010. Being a successful editor is about more than just knowing how to operate a certain piece of software, or when to make a certain transition. On the contrary, there are many unwritten laws and a sense of propriety that are never discussed or taught in film schools or in other books. Based on their own experiences, first as upcoming assistant editors, then as successful Hollywood editors, the authors guide you through the ins and outs of establishing yourself as a respected film and video editor. Insight is included on an array of technical issues such as script breakdown, prepping for sound effects, organizing camera and sound reports, comparison timings, assembly footages and more. In addition, they also provide first-hand insight into industry protocol, providing tips on interviewing, etiquette, career planning and more, information you simply won't find in any other book. The book concludes with a chapter featuring Q+A sessions with various established Hollywood editors about what they expect from their assistant editors.

Editor & Publisher ,1972 The fourth estate.

Self-Editing for Fiction Writers, Second Edition Renni Browne,Dave King,2010-06-15 Hundreds of books have been written on the art of writing. Here at last is a book by two professional editors to teach writers the techniques of the editing trade that turn promising manuscripts into published novels and short stories. In this completely revised and updated second edition, Renni Browne and Dave King teach you, the writer, how to apply the editing techniques they have developed to your own work. Chapters on dialogue, exposition, point of view, interior monologue, and other techniques take you through the same processes an expert editor would go through to perfect your manuscript. Each point is illustrated with examples, many drawn from the hundreds of books Browne and King have edited.

Max Perkins A. Scott Berg,2013-08-01 The talents Maxwell Perkins nurtured were known worldwide: F. Scott Fitzgerald, Ernest Hemingway, Thomas Wolfe among numerous others. But the man himself remained a mystery, a backstage presence who served these authors not only as editor but as critic, career manager, moneylender, psychoanalyst, confessor and friend. This outstanding biography, a winner of the National Book Award, is the first to explore the fascinating life of this editor extraordinaire in both professional and personal domains. It tells not only of Perkins' stormy marriage and secret twenty-five-year romance with Elizabeth Lemmon, but also of his intensely intimate relationships with the leading literary lights of the twentieth century.

An Editor's Guide to Writing and Publishing Science Michael Hochberg,2019 This contemporary guide is packed full of expert tips and suggestions which will make the reader think in a fresh, creative, and

novel way about writing and publishing science.

An Arresting Voice Octavia Winder Boylan,1924

Editors as Gatekeepers Rita James Simon,James J. Fyfe,1994 Why do some scholarly manuscripts get published while others do not? Who makes the decisions at scholarly journals and presses, and how do they reach those decisions? This volume brings together the experiences of editors of sociology, anthropology, political science, criminal justice, psychology, and other social science journals, and editors and directors of university and commercial presses that focus on the social sciences. Each chapter of this book provides insight into the editor's definition of his/her role, and a look at the relationships among editors, authors, reviewers and readers. The authors offer advice about where to submit, and how to read editors' letters about revising and resubmitting manuscripts. They explore the pleasures and pains, disappointments and successes experienced in their role as 'gatekeeper.'

Neuromuscular Disorders and Peripheral Neuropathies Editor's Pick 2021 Giovanni Meola,2021-11-24

The Editor in Chief Benton Rain Patterson,Coleman E. P. Patterson,2003-03-31 Packed with specific how-tos, examples and illustrations, The Editor in Chief vividly presents the guiding principles of editorial management. Authors Patterson and Patterson combine their extensive publishing and management expertise to update and enrich this best selling text, providing help and insight to future and present journalists working in the editorial department of a magazine. New to this edition is a chapter on one of the most popular and fastest growing areas of magazine publishing - online publishing. Readers will learn about e-zines, and online editions of printing magazines: * Launching * Funding * Organizing a staff * Increasing

readership Aimed at students interested in careers as magazine editors and at novice working editors seeking to produce better magazines, *The Editor in Chief*, 2nd Edition prepares budding professionals for the arduous, but rewarding, task of magazine management

The Editor's Companion Steve Dunham, 2015-01-01 Excel at editing! The editor's job encompasses much more than correcting commas and catching typos. Your chief mission is to help writers communicate effectively--which is no small feat. Whether you edit books, magazines, newspapers, or online publications, your ability to develop clear, concise, and focused writing is the key to your success. *The Editor's Companion* is an invaluable guide to honing your editing skills. You'll learn about editing for:

- **CONTENT:** Analyze and develop writing that is appealing and appropriate for the intended audience.
- **FOCUS:** Ensure strong beginnings and satisfying endings, and stick with one subject at a time.
- **PRECISE LANGUAGE:** Choose the right words, the right voice, and the right tense for every piece.
- **GRAMMAR:** Recognize common mistakes in punctuation, parts of speech, and sentence structure--and learn how to avoid them.

You'll also find valuable editing resources and checklists, advice on editorial relationships and workflow, and real-life samples of editing with explanations of what was changed and why. *The Editor's Companion* provides the tools you need to pursue high quality in editing, writing, and publishing--every piece, every time.

Newspaper Editing Grant Milnor Hyde, 1925

I Am Goose! Dorothea Rohner, 2020 Goose asks to play Duck, Duck, Goose with the other animals and birds, but causes trouble by insisting that none of them can possibly be goose.

Avid Editing Sam Kauffmann, 2012-09-10 Avid Editing is a comprehensive guide covering Avid Xpress Pro, XPress Pro HD, and Xpress DV. Due to the similarity of Avid's interface across product lines, it is also relevant for Media Composer and other systems. Suitable for beginning editors or experienced editors new to the Avid, the book provides step-by-step instructions for hundreds of editing tasks in jargon-free terms. The chapters guide you through an editing project, while the accompanying DVD provides narrative footage to download for immediate, hands-on practice. The book can be read and studied at home, or while sitting in front of an Avid, following the book's step-by-step instructions. More than a software manual, this book delves into general editing techniques, principles, and pitfalls. The author is an experienced teacher who will help you master the Avid as well as improve your overall editing skills. This edition covers working with HD, the 16:9 widescreen, and the powerful Script Integration tool. In addition, there's new coverage of the issues facing indie filmmaker who is trying to decide how to go from the DV stage (shooting on mini-DV or DVCAM formats) to theatrical distribution. As well, there is new material on using Avid in PAL regions.

Jeff Herman's Guide to Book Publishers, Editors & Literary Agents, 28th edition Jeff Herman, 2018-10-19 If You Want to Get Published, Read This Book! Jeff Herman's Guide is the writer's best friend.
