The Gentlemen's Club Gary M. Douglas,2014-11-10 In The Gentlemen's Club, Gary Douglas, the founder of Access Consciousness(R), and a diverse group of men talk candidly about women, relationships, sex, sexual energy, masturbation, and being a man in this reality. Their wide-ranging conversations are in turn, funny, moving, outrageous, raunchy, and profound. Douglas offers ground-breaking Access Consciousness tools and processes, insightful revelations, and incredible information about how talk to a woman, how to stimulate her body, how to create orgasms by expansion rather than contraction, and how to create sex and relationship from an awareness of what is rather than a fixed point of view about what they are supposed to be. Speaking of relationships, he says, Sometimes people say to me, 'You don't like relationships.' No. It's that I don't like bad relationships. I see no reason for there to ever be a bad relationship. If you have a relationship, it should be something that adds to your life and makes it greater and better and more fun. If a relationship doesn't do that, why be in one? Douglas also talks about trusting yourself as a man, creating a sense of partnership with other men, and discovering what it is that would make you thrilled with your life. Praise from Gentlemen's Club Participant: I'm so grateful for The Gentlemen's Club. For the first time in my life, I'm happy about being a man and being in a man's body. Praise from Gentlemen's Club Participant's wife: Thank you so much for doing these classes. I've got back the man that I fell in love with.

The Gentlemen's Clubs of London Anthony Lejeune,2012 On its first publication in 1979, Lejeune's The Gentlemen's Clubs of London rapidly established itself as a widely sought-after and quoted work around the world among those intrigued by and participating in the rarefied world of the famous clubs of London society. This is a new, thoroughly updated edition. This book lays forth the histories of the clubs, why and how each came into being, who belongs and belonged to which, how members are chosen, and how the clubs have changed down the generations - if indeed they have. This work tells of the ambiance and grace of the clubs, their privacies and eccentricities, and of the yarns, disputes and scandals to which they have given rise. Here are new and archival photographs of the clubs' interiors, ranging from the elegant to the snug, premises which are sometimes secret and quirky and sometimes grand, each unique and fitting the character and contributing to the needs and lives of its members.

The Gentlemen's Club, vol. 1 Erika Rhys,2018-08-02 A down-on-her-luck dancer stripping to survive. A billionaire playboy who's locked his heart behind a wall of money and charm. When passion sparks between them, will she listen to her fears—or her heart? When I look in the mirror and see what I've become, I don't recognize myself. Regardless, I need money, and the only employer who's saying yes is the Gentlemen's Club, a high-end Manhattan strip joint catering to every male fantasy you've ever heard of and then some...for a price. When I took the job, I expected to dance for men. To entertain them. To please them—at least, enough to get the tips I'm desperate to earn. But I never expected to dance for him. Nick Santoro is gorgeous, persuasive, and used to getting whatever he wants, which—for the moment—is me. It's just a dance. A one-time thing. Until he touches me, and the spark between us ignites into something I'm afraid to feel—yet can't resist. I shouldn't want him. Hell, I shouldn't even like him. And I don't belong in his glittering billionaire world. Not to mention his complicated history—a past rife with enemies who could destroy us both. Is Nick the man of my dreams—or the biggest mistake of my life? From #1 international bestselling author Erika Rhys, The Gentlemen's Club is a steamy billionaire romance series that concludes with a Happily Ever After in Vol. 3. If you like sizzling romance, razor-sharp wit, and twists you won't see coming, you'll love this sexy page-turner!

Avalon Knight N. T. Herrgott,2017-09-10 Luca Wexler (AKA The Avalon Knight) is an aspiring super hero. Or at least he hopes to be. At seventeen, he's only started training when San Francisco becomes the target of an anti-corporate extremist hell-bent on stopping development in the city at any cost. As this cyber-terrorist known as The Gentleman wreaks havoc on The City, Luca takes it upon himself to hunt him down. As The City descends into chaos around him, secrets in Luca's personal life threaten to derail his investigation. Topless Prophet Alan Markovitz,Thomas Daniel Stevens,2009 Prepare to enter the privileged world of the gentleman's club, a world where fantasy, desire, and money mix to form a potent and volatile reality that surpasses fiction at every turn. Now prepare to see this world through the eyes of the man who has seen more than anyone, from the true personalities of the women performing on stage to what really goes on behind the stage. No other autobiography comes anywhere close to putting the reader into what life is really like on the erotic side of the fast track, to be down for the count and then back in action running stronger and harder than ever. So, what are you waiting for? Let the valet take your car and step inside, let your eyes adjust to the light, and then prepare to have hem opened wide by the sights, sounds, and sensations found within the seductive realm of the modern gentleman's club. And the story of the gentleman who brought it all to life; a titillating tale that's part Mickey Spillane, part Fortune 500, and entertaining.

Gentlemens Club Becky Due,2003-01-15 Stronger Than Ever is a practical guide for applying biblical truths to real life. Readers will discover the life that Jesus Christ wants for them, a life of strength, victory, and

ultimately, eternal bliss. In this book the reader will find how to develop the power of loving like Jesus; the ABCs of resolving guilt biblically; what to do when it really isn't your fault

The Gentlemen's Club Emmanuelle De Maupassant,2015-01-14 On passing through a certain curtain and a certain door, pleasure, pain and titillation could be enjoyed in the company of ladies who returned the virile salute of desire with the same enthusiasm in which it was given. They wielded power over men, whether in domination or submission, and embraced the exquisite surrender of being watched by many eyes. Lord MacCaulay becomes obsessed with the mysterious Mademoiselle Noire, despite suffering the ultimate humiliation at her hands. His pursuit of her brings about a descent from which there may be no escape. The novella unfolds through a series of fantasy tableaux scenes (explicitly sexual) with an underlying theme of obsessive love.

The Gentlemen's Club, Volume 1 Erika Rhys,2018

The Gentlemen's Club Steve Garagiola,2015-12-03 She is a graduate student at the University of Michigan, a gifted athlete with a generous outgoing nature and fashion model looks-- the kind of perfection easy to hate. But no one does. On a chilled spring night when she might otherwise labor over her thesis or polish an impressive resume, she grips a gun in her hand, and wonders how it came to this. When the sun rises on a new day, a man is dead, and she is gone. Eighteen months later, she surfaces in Detroit with a new name, new look, and a new life. No longer the All-American girl, we meet Annie Tremaine in a hotel bar where her practiced skills target philandering men looking for love in all the wrong places. Mike Springer has his own troubles. A disenchanted TV news reporter, he is challenged to deliver a blockbuster story or lose his job. When he happens to see the seductive con artist at work, he plots to use her to save his faltering career. Like the sexy drink-spiker in the clingy blue dress, his emotional distance is a practiced skill born in the wreckage of a single night long ago. The past confronts Annie Tremaine in the form of Frank Panetta, cool and unemotional, determined to exact revenge for his brother's murder. For him, violence serves as merely a mechanism by which he balances the books. Mike comes between this stalker and his prey making a dangerous enemy. But who is more dangerous, Frank Panetta or Annie Tremaine? When the woman vanishes, Mike is targeted by police as a suspect, and by Frank Panetta as an expendable link to the object of his revenge. As he untangles a web of secrets, Mike discovers the Gentlemen's Club, a sordid patchwork of arrogance, lust, and murder that binds all of their lives together. The truth lies on a path of loss and betrayal, desperation and addiction, but ultimately redemption for two people seeking to satisfy their most basic human need-- to love and be loved.

The Farmingdale Gentleman's Club: A Box Set T.C. Blue,2019-09-03 A Game of Chances Two men, too many secrets, and even more situations trying to keep them apart. Can love really conquer all? A meeting brought on by seeming coincidence throws Marcus and Tanner together. After becoming friends, certain truths are revealed, leading to feelings of betrayal as well as a degree of danger. Tanner has more secrets than one man ever should, not the least of which is that he's an operative for a gray-ops organisation that's something of a family business. Sharing even that much information could kill more than just his friendship with Marcus. When one misstep on Tanner's part plants possible danger in Marcus' lap, he does what he needs to do. Marcus doesn't know that Tanner is after the man Marcus used to date, but he for damned sure finds out, and that's just the start of things. When a computer disc and men with guns come into play, Marcus has some decisions to make. Like whether he can forgive Tanner for making him love a lie... and how far Marcus is willing to go to secure his own happiness. A Game of Skills A lot of things happen within the confines of a grey-ops organisation whose services are offered to the highest bidder. Sometimes even love, though that may well be easier said than done. The last thing Simon is expecting when his latest Game goes thoroughly wrong is to be rescued by a man he doesn't know and an oddly intelligent child, but that's exactly what happens. He's pulled from the proverbial fire by the strange duo. That would have been fine if he hadn't developed some unexpected and unwelcome attraction to the man, Morgan. Morgan's been running for years, trying to keep his best friend, Ellie's, child from the clutches of what he's sure is a group Rico wants no part of. Helping Simon is barely tolerable. Developing feelings for the secretive man is less so. Between Simon's organisation, the Farmingdale Gentleman's Club, and whoever's after Rico, Morgan's pretty sure that he and Rico are screwed. When things come to a head, he has to make some hard choices, which might or might not involve Simon. A Game of Hearts What's the difference between a fling and a relationship? Three spies are about to find out. Morgan and Simon are settled and happy together, or as much as they can be given their high-octane positions as operatives of the Farmingdale Gentleman's Club. So why are they both having unexpected longings and thoughts about their teammate, River? Sure, he's gorgeous but he's a bit of a player, and neither Simon nor Morgan are willing to risk their relationship on a fling. Try as he might, River can't seem to resist his attraction to his team leader, Simon, or Simon's mate, Morgan. He also can't quite let himself intrude on their relationship until he receives a rather unique offer from the two men. It's a fairly casual arrangement, but when things get rocky on a Game in Prague, things come to a head. Can three very different men find a way to make love work? Easier said than done, especially when the past seems determined to complicate the future. A Game of Schemes What's to happen when a spy and his mark cross paths? Things get wild. When the two turn out to be old friends, all bets are off. The life of a grey-ops operative for a semi-secret organisation isn't always about guns and ticking bombs. Sometimes it's about something as simple as a snatch-and-grab. Sometimes it's as complex as discovering love where it's least expected. Sully's been living the life with the Farmingdale Gentleman's Club for five long years. After the Club saved him from a future as a cripple, he owes them. That's not to say that he doesn't love his work, because he does. Sometimes more than others. When an unexpected Game intrudes on Sully's holiday t
