

Obama

Jabari Asim

A Promised Land Barack Obama, 2020-11-17 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy - and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of hope and change, and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day. 'What is unexpected in *A Promised Land* is the former president's candour' David Olusoga, Observer

Barack Obama Beatrice Gormley, 2015-09-08 Learn all about the life of the 44th President of the United States in this updated biography of Barack Obama, specially written for a younger audience. University Professor. Nobel Peace Prize Winner. First African American President of the United States. President Obama was born on August 4, 1961, in Honolulu, Hawaii. With relatives in Kenya, Ireland, Indonesia, and Kansas, President Obama has referred to his family as “a mini-United Nations.” He attended college on both coasts, first at Occidental in California, then at Columbia in New York City. After graduating from Harvard Law School, he practiced and taught law in Chicago. In 2005 Barack started his political career when he became the senator for Illinois. President Obama was inaugurated on January 20, 2009. His many efforts in the first 100 days of his presidency earned him a Nobel Peace Prize and, in 2012, he was reelected for a second term. Originally published in 2012, this revised biography of the 44th President of the United States includes eight pages of photos as well as a timeline and index.

The Presidency of Barack Obama Julian Zelizer, 2018-03-13 An original and engaging account of the Obama years from a group of leading political historians Barack Obama's election as the first African American president seemed to usher in a new era, and he took office in 2009 with great expectations. But by his second term, Republicans controlled Congress, and, after the 2016 presidential election, Obama's legacy and the health of the Democratic Party itself appeared in doubt. In *The Presidency of Barack Obama*, Julian Zelizer gathers leading American historians to put President Obama and his administration into political and historical context. These writers offer strikingly original assessments of the big issues that shaped the Obama years, including the conservative backlash, race, the financial crisis, health care, crime, drugs, counterterrorism, Iraq and Afghanistan, the environment, immigration, education, gay rights, and urban policy. Together, these essays suggest that Obama's central paradox is that, despite effective policymaking, he failed to receive credit for his many achievements and wasn't a party builder. Provocatively, they ask why Obama didn't unite Democrats and progressive activists to fight the conservative counter-tide as it grew stronger. Engaging and deeply informed, *The Presidency of Barack Obama* is a must-read for anyone who wants to better understand Obama and the uncertain aftermath of his presidency. Contributors include Sarah Coleman, Jacob Dlamini, Gary Gerstle, Risa Goluboff, Meg Jacobs, Peniel Joseph, Michael Kazin, Matthew Lassiter, Kathryn Olmsted, Eric Rauchway, Richard Schragger, Paul Starr, Timothy Stewart-Winter, Thomas Sugrue, Jeremi Suri, Julian Zelizer, and Jonathan Zimmerman.

The Secret Life of Barack Hussein Obama Mondo Frazier, 2012-10-02 Journalist Frazier tells the hidden story of the President, divulging little-known details of President Barack Obama's past. Frazier exposes unexplained details and answers. This illuminating work is the unrevealed story of the President—the one readers won't get from their morning paper.

The Black Presidency Michael Eric Dyson, 2016-02-02 A provocative and lively examination of the meaning of America's first black presidency, by the New York Times bestselling author of *Tears We Cannot Stop*. Michael Eric Dyson explores the powerful, surprising way the politics of race have shaped Barack Obama's identity and groundbreaking presidency. How has President Obama dealt publicly with race—as the national traumas of Tamir Rice, Trayvon Martin, Michael Brown, Eric Garner, Freddie Gray, and Walter Scott have played out during his tenure? What can we learn from Obama's major race speeches about his approach to racial conflict and the black criticism it provokes? Dyson explores whether Obama's use of his own biracialism as a radiant symbol has been driven by the president's desire to avoid a painful moral reckoning on race. And he sheds light on identity issues within the black power structure, telling the fascinating story of how Obama has spurned traditional black power brokers, significantly reducing their leverage. President Obama's own voice—from an Oval Office interview granted to Dyson for this book—along with those of Eric Holder, Al Sharpton, Jesse Jackson, Andrew Young, and Maxine Waters, among others, add unique depth to this profound tour of the nation's first black presidency. “Dyson proves...that he is without peer when it comes to contextualizing race in twenty-first-century America... A must-read for anyone who wants to better understand America's racial past, present, and future.”—Gilbert King, author of the Pulitzer Prize-winning *Devil in the Grove* “No one understands the American dilemma of race—and Barack Obama's confounding and yet wondrous grappling with it—better than [Dyson.]”—Douglas Blackmon, author of the Pulitzer Prize-winning *Slavery by Another Name*

Dreams from My Father Barack Obama, 2007-01-09 #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (*The Washington Post Book World*). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories.”—Scott Turow “Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—*The New York Times Book Review* “Obama's writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children*

Here “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place* “Dreams from My Father is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

Empire's New Clothes Paul Street, 2015-12-03 As Obama nears the middle of his first-term as president Paul Street assesses his performance against the expectations of his supporters. While mainstream journalists have noted discrepancies between Obama's original vision and reality, Paul Street uniquely measures Obama's record against the expectations of the truly progressive agenda many of his supporters expected him to follow. Taken together, the list of Obama's weakened policies is startling: his business-friendly measures with the economy, the lack of support for the growing mass of unemployed and poor, the dilution of his health reform agenda, the passage of a record-setting Pentagon budget, and escalation of US military violence in Afghanistan, Pakistan, Yemen, and Somalia. Street's account reveals these and many other indications of how deeply beholden Obama is to existing dominant domestic and global hierarchies and doctrines.

The Black President Claude A. Clegg III, 2021-10-12 With lively prose and sensitivity to context, this book offers a sweeping, authoritative history of the Obama presidency, focusing particularly on its impact and meaning vis-à-vis African Americans. This interpretative account captures the America that made Obama's White House years possible, while at the same time rendering the America that resolutely resisted the idea of a Black chief executive, thus making conceivable the ascent of his most unlikely of successors--

Barack Obama in Hawai'i and Indonesia Dinesh Sharma, 2011-09-22 Distinguishing itself from the mass of political biographies of Barack Obama, this first interdisciplinary study of Obama's Indonesian and Hawai'ian years examines their effect on his adult character, political identity, and global world-view. The first 18 years of President Obama's life, from his birth in 1961 to his departure for college in 1979, were spent in Hawai'i and Indonesia. These years fundamentally shaped the traits for which the adult Obama is noted—his protean identity, his nuanced appreciation of multiple views of the same object, his cosmopolitan breadth of view, and his self-rooted outpost patriotism. *Barack Obama in Hawai'i and Indonesia: The Making of a Global President* is the first study to examine, in fascinating detail, how his early years impacted this unique leader. Existing biographies of President Obama are primarily political treatments. Here, cross-cultural psychologist and marketing consultant Dinesh Sharma explores the connections between Obama's early upbringing and his adult views of civil society, secular Islam, and globalization. The book draws on the author's on-the-ground research and extensive first-hand interviews in Jakarta; Honolulu; New York; Washington, DC; and Chicago to evaluate the multicultural inputs to Obama's character and the ways in which they prepared him to meet the challenges of world leadership in the 21st century.

The Message Richard Wolffe, 2013-09-17 They had 99 problems but Mitt Romney wasn't one. At the start of an epic election, the team trying to reelect President Obama faced a mountain of challenges: a dismal economy, the faded hopes of the first campaign, and a struggle to raise enough cash to compete. No president had risen so fast, or fallen so far, in the modern era. And no president in living memory had earned a second term in such troubled times. To resell the president, they needed to redefine the world they were living in. They needed to retell their own story and rewrite the characters. They needed to find *The Message*. But first, they needed to fight the enemy within: each other. For six years they kept a lid on their internal disputes—the ego clashes, the disappointed ambitions, and the battle to control the Obama brand. Everything was out of public view and under wraps. They called their style No Drama Obama, and the phrase matched the mood of the candidate. But it was never completely true. In 2008 they found a way around their rivalries. Four years later, their hostilities threatened to undermine the reelection of a president at a time when most voters were deeply unhappy and ready for change. Drawing on unrivaled access to the key characters, *THE MESSAGE* tells the inside story of the Mad Men—the marketers, message-shapers, and admakers—who held the Obama presidency in their hands.

The World Views of the Obama Era Matthias Maass, 2017-11-07 This book presents selected non-US views of the Barack Obama administration. Each chapter investigates eight years of the Obama presidency from a different national perspective. By bringing together fourteen country studies from all regions of the world, this volume offers an accumulative global view of the Obama White House's foreign policies and bilateral affairs. It provides an outside perspective on a presidency that was initially greeted with much enthusiasm world-wide, but seemed to fall out of favor over time in most countries. The overwhelming hope that was associated with the election of Obama in 2008 turned to disillusionment world-wide; the changes in US external affairs he promised were only partially fulfilled and the world was reminded that America's place and role in the world would not change dramatically, not even under the inspirational Obama.

Barack Obama Sarah Parvis, 2009-10-20 In the incredibly giftable little book *Barack Obama*, readers get an inside look at the remarkable 44th president of the United States. Barack Obama is the first African American U.S. president and the first politician to bring 21st-century technology to an election and the presidency. He brought change to a nation and changed history. From local community reformer to Oval Office tenant, Barack Obama has lived the American dream. This is his story in pictures and in words. Amazing candid photos and insights make this Little Book a big must-have for any American.

We Are the Change We Seek Barack Obama, 2017-01-10 A collection of Barack Obama's greatest speeches selected and introduced by columnist E.J. Dionne and MSNBC host Joy-Ann Reid. *We Are the Change We Seek* is a collection of Barack Obama's 26 greatest addresses: beginning with his 2002 speech opposing the Iraq War and closing with his final speech before the United Nations in September 2016. As president, Obama's words had the power to move the country, and often the world, as few presidents before him. Whether acting as Commander in Chief or Consoler in Chief, Obama adopted a unique rhetorical style that could simultaneously speak to the national mood and change the course of public events. Obama's eloquence, both written and spoken, propelled him to national prominence and ultimately made it possible for the son of a Kenyan man and a white woman from Kansas to become the first black president of the United States. These speeches span Obama's career—from his time in state government through to the end of his tenure as president—and the issues most important to our time: war, inequality, race relations, gun violence and human rights. The book opens with an essay placing Obama's oratorical contributions within the flow of American history by E.J. Dionne Jr., columnist and author of *Why The Right Went Wrong*, and Joy Reid, the host of *AM Joy* on MSNBC and author of *Fracture*.

Audacity Jonathan Chait, 2017-01-17 An essential starting point for those assessing the Obama presidency.” —Washington Monthly Two presidencies later, the time has never been better to revisit the legacy of Barack Obama. In *Audacity*, New York Magazine writer Jonathan Chait makes the unassailable case that, in the eyes of history, Obama will be viewed as one of America's best and most accomplished presidents. Over the course of eight years, Barack Obama has amassed an array of outstanding achievements. His administration saved the American economy from collapse, expanded health insurance to millions who previously could not afford it, negotiated an historic nuclear deal with Iran, helped craft a groundbreaking international climate accord, reined in Wall Street and crafted a new vision of racial progress. He has done all of this despite a left that frequently disdained him as a sellout, and a hysterical right that did everything possible to destroy his agenda even when they agreed with what he was doing. Now, as the page turns to our next Commander in Chief, Jonathan Chait, acclaimed as one of the most incisive and meticulous political commentators in America, digs deep into Obama's record on major policy fronts—economics, the environment, domestic reform, health care, race, foreign policy, and

civil rights—to demonstrate why history will judge our forty-fourth president as among the greatest in history. Audacity does not shy away from Obama’s failures, most notably in foreign policy. Yet Chait convincingly shows that President Obama has accomplished what candidate Obama said he would, despite overwhelming opposition—and that the hopes of those who voted for him have not been dashed despite the smokescreen of extremist propaganda and the limits of short-term perspective.

What Obama Means Jabari Asim,2009-01-20 A timely and sharp analysis about what the Obama phenomenon means for the future of American politics and society, by the celebrated Washington Post columnist.

Barack Obama and the Politics of Redemption Stanley A. Renshon,2012-03-15 Every new president raises many questions in the public mind. Because Barack Obama was a relative newcomer to the national political scene, he raised more questions than most. Would he prove to be a pragmatic centrist or would his politics of hope ultimately flounder on the rocky shoals of America’s deep political divisions? What of his leadership style? How would the uncommonly calm character he demonstrated on the campaign trail shape Obama’s political style as commander-in-chief? Based on extensive biographical, psychological, and political research and analysis, noted political psychologist Stanley Renshon follows Obama’s presidency through the first two years. He digs into the question of who is the real Obama and assesses the advantages and limitations that he brings to the presidency. These questions cannot be answered without recourse to psychological analysis. And they cannot be answered without psychological knowledge of presidential leadership and the presidency itself. Renshon explains that Obama’s ambition has been fueled by a desire for redemption—his own, that of his parents, and ultimately for the country he now leads, which has enormous consequences for his choices as president of a politically divided America.

The Barack Obama Presidency J. Davis,2011-11-07 Exploring the 'promise' and 'peril' associated with the opening two years of the presidency of Barack Obama, this book is a comparative look at the various aspects of his presidential strategy including the impact of his legislative agenda, his use of executive power, and the burgeoning disillusionment within the African American community.

The Brief Against Obama Hugh Hewitt,2012-06-26 Voters can do nothing until they have the facts---the hard, cold, true facts, and that is what Hugh Hewitt provides in THE BRIEF AGAINST OBAMA: The Rise, Fall & Epic Fail of the Hope & Change Presidency. Hugh makes the case that Obama's has been a disastrous presidency, a fiasco in fact, and reveals the president to be a wholly unprepared and incapable-of-learning ideologue whose nearly every move has been wrong, and whose almost every decision has been ill-conceived and poorly executed. But for the SEALs' dispatch of bin Laden and the military's removal of al-Awalki and other terrorists---whom the president still seeks to remove from Gitmo to domestic courts in the United States---Obama would be wholly without anything to claim as an achievement of his time in the Oval Office. In addition to the monumental failures of Obamacare, the soaring unemployment rate, the 2009 stimulus and the massive debt, Hugh Hewitt examines the scores and scores of broken promises and fraudulent forecasts, dozens of dodges and hundreds of disastrous innovations that President Obama has inflicted on America. It has been a reign of incompetency not before seen in the country---ever. According to Hewitt, President Obama is not just a failed president, but the most spectacularly failed president of modern times, and Hewitt's precise and lawyerly indictment is made to help the American people see what has happened, and what desperately needs to be done in the upcoming election. The path for the American people is clear and urgent: Barack Obama mustn't be allowed to run the country into the ground as the Commander-in-Chief for four more years.

An American Story Barack Obama,David Olive,2008 Bursting on the national scene at the Democratic National Convention in 2004, Barack Obama is favored to become the first African-American leader of a major industrialized country. And that might be the least interesting thing about this young, charismatic intellect, who seeks to restore America's reputation abroad, and the well-being of Americans at home.--BOOK JACKET.

Things We Lost to the Water Eric Nguyen,2022-04-26 A captivating novel about an immigrant Vietnamese family who settles in New Orleans and struggles to remain connected to one another as their lives are inextricably reshaped. This stunning debut is vast in scale and ambition, while luscious and inviting ... in its intimacy” (The New York Times Book Review). When Huong arrives in New Orleans with her two young sons, she is jobless, homeless, and worried about her husband, Cong, who remains in Vietnam. As she and her boys begin to settle in to life in America, she continues to send letters and tapes back to Cong, hopeful that they will be reunited and her children will grow up with a father. But with time, Huong realizes she will never see her husband again. While she attempts to come to terms with this loss, her sons, Tuan and Binh, grow up in their absent father's shadow, haunted by a man and a country trapped in their memories and imaginations. As they push forward, the three adapt to life in America in different ways: Huong gets involved with a Vietnamese car salesman who is also new in town; Tuan tries to connect with his heritage by joining a local Vietnamese gang; and Binh, now going by Ben, embraces his adopted homeland and his burgeoning sexuality. Their search for identity--as individuals and as a family--threatens to tear them apart, until disaster strikes the city they now call home and they are suddenly forced to find a new way to come together and honor the ties that bind them.

Obama Introduction

In todays digital age, the availability of Obama books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Obama books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Obama books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Obama versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Obama books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Obama books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely

distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Obama books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Obama books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Obama books and manuals for download and embark on your journey of knowledge?

FAQs About Obama Books

What is a Obama PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Obama PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Obama PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I**

convert a Obama PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Obama PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
