Take Control of Your Digital Photos, 3rd Edition Jeff Carlson, 2023-08-28

Build a stress-free workflow to import, rate, tag, and organize your digital photos! Version 3.0, updated August 28, 2023 This book gives you the information you need to build and maintain a digital photo workflow that makes it easy to import, rate, tag, and store photos to find them quickly and easily later. It helps you spend more time on the enjoyable aspects of photography—capturing and viewing your photos—and less on the mundane but essential task of managing all your photos. It also puts you in the best position to quickly find and edit your most promising photos. Are you drowning in a sea of digital photos? Unable to find the shots you're looking for, or to stay on top of managing all the photos you're taking? Digital photography expert Jeff Carlson gives you a plan for tackling this problem, starting with preparing your camera ahead of time, then choosing the right app to manage your photos, judging and organizing your photos, and backing up your photos for safekeeping. In this book, Jeff offers advice to cover both macOS and Windows (along with limited coverage of mobile platforms), and to address a broad range of photo management apps, including Apple Photos, Capture One, Lightroom Classic, Lightroom desktop, Excire Foto, Exposure X7, Mylio Photos, ON1 Photo Keyword AI, and ON1 Photo RAW. With this book, you'll learn how to:

- Get started with the minimum amount of work: Take advantage of software intelligence to do some of the categorizing work for you, and

find out how you can accomplish some tasks even if you have little time. • Prep your camera: Learn four actions you can take before you head out the door that will make things easier after you return with new pictures. • Manage your workflow: Choose the software and approach that best meets your needs for organizing your photos. • Import the right way: Learn how to assign valuable metadata to all images that come in during the import stage, saving lots of time and effort. • Pick winners and losers: Assign ratings to your photos, and remove or hide unwanted photos. • Remove duplicates: Use Lightroom Classic, Photos for macOS, or Gemini Photos for iOS/iPadOS to find and delete duplicate images. • Use AI/Machine Learning: Learn about AI/ML terminology, and use software tools like ON1 Photo Keyword AI and Excire Foto to apply keywords automatically. • Apply keywords and metadata: If needed, manually apply keywords to individual shots, learn how to apply geotags using location data from external devices (like an iPhone), and use facial recognition to collect shots of specific friends and family members. • Search with smart albums: Build smart albums whose contents change depending on criteria you've specified, allowing you to find photos more easily, even in images you add in the future. • Manage multiple libraries: Use Photos for macOS, Lightroom Classic, or Peakto to manage multiple photo libraries. • Go mobile: Find the right online service for making your photos available on mobile devices, based on your needs and which desktop photo management app you use. • Protect your photos: Learn how to implement a backup strategy that

will preserve all your data, not just your photos, and how to archive photos for the future.

Smart Photos Jo Bradford, 2022-08-23 Packed with projects and inspirational ideas you can do any time, any place, become an accomplished photographer while feeding your creativity with this guide that reveals what just what your smartphone camera is capable of. A camera phone is something we always have on us and creativity is something we all have in us but often we struggle to use them properly, feeling like we don't have the time, space or inclination to dedicate to it. Here, photography expert and bestselling author Jo Bradford supplies a collection of practical exercises that allow you to master the features on your smartphone camera to take incredible images and also help you to easily reconnect with your creative side. By encouraging you to try something different with your camera and seek out creative opportunities – from light painting to collage, image stacking to time-lapse landscapes – soon you will once again feel the satisfaction of thinking and acting creatively, with the added benefit of taking you from a snapper to an accomplished photographer with visual literacy. Smartphone photography is addictive with a tangible feel-good factor; it's time to embrace it and capture the moments that matter to you in all their glory.

Historic Photos of Nashville , 2005-09-22 By the mid-nineteenth century, the city of Nashville was a vibrant cultural center of the South. Through the Civil War reconstruction, two world wars, and into a modern era, Nashville

has continued to grow and prosper by overcoming adversity and maintaining the strong independent culture of its citizens. This volume, *Historic Photos of Nashville*, captures this journey through still photography from the finest archives of the city, state and private collections. From the Civil War, Exposition and the great fire of 1916, *Historic Photos of Nashville* follows life, government, education, and disasters throughout Nashville's history. The book captures unique and rare scenes and events through the original lens of hundreds of historic photographs. Published in striking duo tone these images communicate historic events and everyday life of two centuries of people building a unique and prosperous city.

Historic Photos of Mississippi , 2009-05-01 Imagine a ride with the Mississippi mockingbird as it soars through the Mississippi skies. Beginning in the land of Elvis at Tupelo, one moves down to the Piney Woods of East Central Mississippi where the ground is covered with fragrant pine straw and where Choctaw moccasins once walked the trails. Then turn south where the ocean waves swell upon sandy beaches and sea gulls hover and squawk in the

breeze. Continue onward to the mansions of historic Natchez and the cotton fields of the Mississippi Delta where the blues reigns supreme. Finally, swoop down toward Old Man River, the majestic Mississippi, and skim across its yellow waters. The waters have seen war and defeat, loss and love, heartbreaks and triumphs. No sentiments need speaking. Only the sweet songs of the mockingbird are required to understand a land whose beauty is second only to the strength of its people. Through nearly 200 images printed in vivid black-and-white, with brief introductions and captions, *Historic Photos of Mississippi* takes the viewer on a flightpath to key points of interest in historic Mississippi.

Historic Photos of Minneapolis Heather Block Lawton, 2007 Publisher description

Moments in Time ,1984 A collection of some 240 photographs of moments of joy and tragedy, victory and defeat, poignancy and humor.

How to Archive Family Photos Denise May Levenick, 2015-04-24 Organize and enjoy your family's memories! You've captured countless cherished family photos of babies' first steps, graduations, weddings, holidays, vacations, and priceless everyday moments on your smartphone or digital camera. Perhaps you've inherited a collection of heirloom family photographs, too. But now what? *How to Archive Family Photos* is a practical how-to guide for organizing your growing digital photo collection, digitizing and preserving heirloom family photos, and sharing your treasured photos. In this book, you'll find:

• Simple strategies to get your photos out of a smartphone or camera and into a safe storage space • Easy methods to organize and back up your digital photos, including file-naming and tagging hints • Achievable steps to digitize and preserve heirloom family photos • Step-by-step workflows illustrating common photo organizing and digitizing scenarios • Checklists for setting up your own photo organization system • 25 photo projects to preserve, share, and enjoy your family photos Whether you have boxes full of tintypes and black-and-white photographs, an ever-growing collection of digital photos, or a combination of the two, this book will help you rescue your images from the depths of hard drives and memory cards (or from the backs of closets) so that you can organize and preserve your family photo collection for future generations.

Just Cupcakes! vol. 1 Big Book of Photos, This is a wonderful collection of 30 high-quality amazing images produced by a series of today's top professional photographers. Enjoy and be inspired!

Historic Photos of Long Island ,2008-11 The largest island in the continental United States, Long Island comprises Brooklyn, Queens, Nassau, and Suffolk counties. With a rich history that has included American Indian tribes such as the Massapequa, Shinnecock, and Quogue, among others; colonists from England and the Netherlands; and immigrants who arrived by way of Ellis Island; Long Island thrives today on its wealth of industry, agriculture, natural beauty, and the contributions of its nearly eight

million residents. Those very attributes are showcased in this volume, *Historic Photos of Long Island*. From the lighthouse at Montauk, to the growth of the Long Island Rail Road, to the factories of Long Island City, the breadth, contrasts, and vitality of the Island through a century of its life shine forth in the black-and-white images collected here. Windmills and tide mills, potatoes and oysters, aviators and fishermen--all are a part of the Island's history, and all are represented vividly among the nearly 200 images seen in *Historic Photos of Long Island*.

Just Rainbows! vol. 1 Big Book of Photos, This is a wonderful collection of 30 high-quality amazing images produced by a series of today's top professional photographers. Enjoy and be inspired!

How to Market and Sell Your Art, Music, Photographs, and Handmade Crafts Online Lee Rowley, 2008 You are creative, you are an artist or a photographer, you have a hobby or craft, something you absolutely love to do, and you are good at it. But you may be asking yourself, How do I market my work? This book shows how to sell your artwork or crafts even if you have no experience with marketing and even if you hate to sell.

Six Weeks with Shelby-Photo Version ,

PHOTO ART THERAPY Jerry L. Fryear, Irene E. Corbit, 1992-01-01 **PHOTO ART THERAPY: A JUNGIAN PERSPECTIVE** illuminates and guides the reader through new possibilities for art therapy practice, approached by the authors as a creative interaction with different artistic media and therapeutic methods.

Although the book is based on Jungian theory and practice, the authors carefully explore cooperation with other therapeutic perspectives, all of which are in keeping with Jung's belief in transcendent universals and multifaceted therapeutic practices. The book is divided into four sections: Self-Understanding, Alleviating Distress and Symptoms, Group Therapy, and Discussion. Wherever possible and practical, photo art therapy work done by clients as illustrations of the concepts is included. The text not only demonstrates innovative ways of combining artistic media but allows clients to articulate the inner workings of the therapeutic process through an engaging series of dialogues and narrations. The book establishes a twofold landmark in elucidating art therapy's close and vital connections to both phototherapy and the discipline of Jungian psychotherapy.

TIME-LIFE World War II in 500 Photographs The Editors of TIME-LIFE, 2015-12-10 World War II, fought from 1939 to 1945, engulfed the globe in a shattering struggle over national sovereignty and individual rights. It was also the costliest battle in history in terms of human life, with millions perishing in combat, in concentration camps, and under the rubble of crushed cities. This gripping and epic battle is brought powerfully to life on every page of Time-Life Books' World War II in 500 Photographs. Inside, you'll find: Key events, battles, and turning points, year by year Profiles of the war's leaders, heroes, and enemies Memorable quotations and firsthand accounts Color maps and photo timelines From the Nazis' early rise to power

to Victory over Japan Day, this essential guide brings you to the front lines of the war that changed our world.

Reading Marie al-Khazen's Photographs Yasmine Nachabe Taan, 2020-11-26 The Lebanese photographer Marie al-Khazen seized every opportunity to use her camera during the years that she was active between 1920 and 1940. She not only documented her travels around tourist sites in Lebanon but also sought creative experimentation with her camera by staging scenes, manipulating shadows, and superimposing negatives to produce different effects in her prints. Within her photographs, bedouins and European friends, peasants and landlords, men and women comfortably share the same space. Her photographs include an intriguing collection portraying her family and friends living their everyday lives in 1920s and '30s Zgharta, a village in the north of Lebanon. Yasmine Nachabe Taan explores these photographs, emphasizing the ways in which notions of gender and class are inscribed within them and revealing how they are charged with symbols of women's emancipation to today's viewers, through women's presence as individuals, separate from family restrictions of that time. Images in which women are depicted smoking cigarettes, driving cars, riding horses, and accompanying men on hunting trips counteract the common ways in which women were portrayed in contemporary Lebanon.

My iPad (covers iOS 7 on iPad Air, iPad 3rd/4th generation, iPad2, and iPad mini) Gary Rosenzweig, James Floyd Kelly, 2013-11-04 Covers iOS 7 for iPad Air,

Photo Album for Graduates Speedy Publishing LLC, 2014-02 The Benefits and uses of a Photo Album for College Graduates Relive the Glory Days. College can be a great time for many students, and the memories can live on if you buy your college student a photo album for a graduation present. While a 22

year old may not have the forethought to purchase an album to store the pictures of their four years in college, someone who is a bit older, a bit wiser, and has experienced college will understand that the memories and friends made do not last forever. A photo album is a great gift that will keep a college grad's photos safe from the effects of time. Looking at the pictures stored in the album will also serve as a reminder about the lessons that were learned at college.
