There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented --Dave Eggers. It's a piece of garbage --Donald Trump.

*Spy School the Graphic Novel* Stuart Gibbs,2022-02-15 Can an undercover nerd become a superstar secret agent? The first book in Stuart Gibbs's New York Times bestselling Spy School series is now a graphic novel! Ben Ripley may only be in middle school, but he's already pegged his dream job: CIA or bust. Unfortunately for him, his personality doesn't exactly scream "secret agent." In fact, Ben is so awkward, he can barely get to school and back without a mishap. Because of his innate nerdiness, Ben is not surprised when he is recruited for a magnet school with a focus on science—but he's entirely shocked to discover that the school is actually a front for a junior CIA academy. Could the CIA really want him? Actually, no. There's been a case of mistaken identity—but that doesn't stop Ben from trying to morph into a supercool undercover agent, the kind that always gets the girl. And through a series of hilarious misadventures, Ben realizes he might actually be a halfway decent spy...if he can survive all the attempts being made on his life! Join Ben Ripley as he survives his first year at the Academy of Espionage in action-packed, full-color panels.

*American Spy* Lauren Wilkinson, 2019-02-12 “American Spy updates the espionage thriller with blazing originality.”—Entertainment Weekly “There has never been anything like it.”—Marlon James, GQ “So much fun . . . Like the best of John le Carré, it’s extremely tough to put down.”—NPR NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • NPR • Entertainment Weekly • Esquire • BuzzFeed • Vulture • Real Simple • Good Housekeeping • The New York Public Library What if your sense of duty required you to betray the man you love? It’s 1986, the heart of the Cold War, and Marie Mitchell is an intelligence officer with the FBI. She’s brilliant, but she’s also a young black woman working in an old boys’ club. Her career has stalled out, she’s overlooked for every high-profile squad, and her days are filled with monotonous paperwork. So when she’s given the opportunity to join a shadowy task force aimed at undermining Thomas Sankara, the charismatic revolutionary president of Burkina Faso whose Communist ideology has made him a target for American intervention, she says yes. Yes, even though she secretly admires the work Sankara is doing for his country. Yes, even though she is still grieving the mysterious death of her sister, whose example led Marie to this career path in the first place. Yes, even though a furious part of her suspects she’s being offered the job because of her appearance and not her talent. In the year that

follows, Marie will observe Sankara, seduce him, and ultimately have a hand in the coup that will bring him down. But doing so will change everything she believes about what it means to be a spy, a lover, a sister, and a good American. Inspired by true events—Thomas Sankara is known as “Africa’s Che Guevara”—*American Spy* knits together a gripping spy thriller, a heartbreaking family drama, and a passionate romance. This is a face of the Cold War you’ve never seen before, and it introduces a powerful new literary voice. **NOMINATED FOR THE NAACP IMAGE AWARD •** Shortlisted for the Center for Fiction First Novel Prize “Spy fiction plus allegory, and a splash of pan-Africanism. What could go wrong? As it happens, very little. Clever, bracing, darkly funny, and really, really good.”—Ta-Nehisi Coates “Inspired by real events, this espionage thriller ticks all the right boxes, delivering a sexually charged interrogation of both politics and race.”—*Esquire* “Echoing the stoic cynicism of Hurston and Ellison, and the verve of Conan Doyle, *American Spy* lays our complicities—political, racial, and sexual—bare. Packed with unforgettable characters, it’s a stunning book, timely as it is timeless.”—Paul Beatty, Man Booker Prizewinning author of *The Sellout*

**American Spies** Michael J. Sulick, 2013-10-28 What’s your secret? *American Spies* presents the stunning histories of more than forty Americans who spied against their country during the past six decades. Michael Sulick, former head of the CIA’s clandestine service, illustrates through these stories—some familiar, others much less well known—the common threads in the spy cases and the evolution of American attitudes toward espionage since the onset of the Cold War. After highlighting the accounts of many who have spied for traditional adversaries such as Russian and Chinese intelligence services, Sulick shows how spy hunters today confront a far broader spectrum of threats not only from hostile states but also substate groups, including those conducting cyberespionage. Sulick reveals six fundamental elements of espionage in these stories: the motivations that drove

them to spy; their access and the secrets they betrayed; their tradecraft, i.e., the techniques of concealing their espionage; their exposure; their punishment; and, finally, the damage they inflicted on America's national security. The book is the sequel to Sulick's popular *Spying in America: Espionage from the Revolutionary War to the Dawn of the Cold War*. Together they serve as a basic introduction to understanding America's vulnerability to espionage, which has oscillated between peacetime complacency and wartime vigilance, and continues to be shaped by the inherent conflict between our nation's security needs and our commitment to the preservation of civil liberties.

Harriet the Spy Louise Fitzhugh,2021-11-09 Soon to be an Apple TV+ animated series starring Golden Globe nominee Beanie Feldstein and Emmy Award winner Jane Lynch, it's no secret that Harriet the Spy is a timeless classic that kids will love! Harriet M. Welsch is a spy. In her notebook, she writes down everything she knows about everyone, even her classmates and her best friends. Then Harriet loses track of her notebook, and it ends up in the wrong hands. Before she can stop them, her friends have read the always truthful, sometimes awful things she's written about each of them. Will Harriet find a way to put her life and her friendships back together? What the novel showed me as a child is that words have the power to hurt, but they can also heal, and that it's much better in the long run to use this power for good than for evil.—New York Times bestselling author Meg Cabot
