Mark Neville Mark Neville,2019-09-17 Since 2015, British photographer Mark Neville (born 1966) has been documenting life in Ukraine, with subjects ranging from holidaymakers on the beaches of Odessa and the Roma communities on the Hungarian border to those internally displaced by the war in Eastern Ukraine. Employing his activist strategy of a targeted book dissemination, Neville is committed to making a direct impact upon the war in Ukraine. He will distribute 2,000 copies of this volume free to policy makers, opinion makers, members of parliament both in Ukraine and Russia, members of the international community and those involved directly in the Minsk Agreements. He means to reignite awareness about the war, galvanize the peace talks and attempt to halt the daily bombing and casualties in Eastern Ukraine which have been occurring for four years now. Neville's images are accompanied by writings from both Russian and Ukrainian novelists, as well as texts from policy makers and the international community, to suggest how to end the conflict.

Don't Stop Christine McVie,2020-06-02 McVie's classic song about keeping one's chin up and rolling with life's punches is beautifully adapted to an uplifting children's book. Don't stop thinking about tomorrow Don't stop, it'll soon be here It'll be better than before Yesterday's gone, yesterday's gone Don't Stop is a beautifully illustrated picture book based on Christine McVie of Fleetwood Mac's enduring anthem to optimism and patience. The song was one of the singles on Fleetwood Mac's megahit album Rumours, which spent thirty-one weeks at number one on the Billboard charts and went on to sell over forty million copies worldwide. With lyrics by Christine McVie and illustrations by Nusha Ashjaee, this touching picture book imagines a rabbit willing her hibernating friends out of a long and dark winter and into joyous spring. Don't Stop is a great opportunity for fans of Christine McVie and Fleetwood Mac to introduce their favorite band to their young children, and for parents looking to share a bright message in song. Debuting in 1977, this song is one of the most identifiable of that decade A classic rock radio staple A top-five single in the US, and one of the band's most enduring hits Written by band keyboardist and vocalist Christine McVie Sung as duet between Christine McVie and guitarist Lindsey Buckingham Appears on the Grammy-winning album Rumours, which as of 2019 is the RIAA-certified tenth all-time best-selling album in the US It was the theme song for Bill Clinton's 1992 presidential campaign Christine McVie's lyrics paired with woodland creatures is the wholesome content we want in 2020. --Paste Magazine With her naturally smoky low alto voice and a knack for writing simple, direct, and memorable songs about the joys and pitfalls of love, Christine McVie has had a long and productive music career. --AllMusic

Can't Stop Won't Stop Jeff Chang,2007-04-01 Can't Stop Won't Stop is a powerful cultural and social history of the end of the American century, and a provocative look into the new world that the hip-hop generation created. Forged in the fires of the Bronx and Kingston, Jamaica, hip-hop became the Esperanto of youth rebellion and a generation-defining movement. In a post-civil rights era defined by deindustrialization and globalization, hip-hop crystallized a multiracial, polycultural generation's worldview, and transformed American politics and culture. But that epic story has never been told with this kind of breadth, insight, and style. Based on original interviews with DJs, b-boys, rappers, graffiti writers, activists, and gang members, with unforgettable portraits

of many of hip-hop's forebears, founders, and mavericks, including DJ Kool Herc, Afrika Bambaataa, Chuck D, and Ice Cube, *Can't Stop Won't Stop* chronicles the events, the ideas, the music, and the art that marked the hip-hop generation's rise from the ashes of the 60's into the new millennium.

I Love You & I'll Never Stop Carrie Purvis, 2020-07-13 Through the years, I have listened to my father-in-law and my husband tell this story to teach thousands of people about the Love that God has for them. My goal is to share this story in a creative way for parents, their children, and those who have not had the opportunity to hear it!

Stop Missing Your Life Cory Muscara, 2019-12-31 Many of us live on autopilot, often so guarded that we don't experience the richness that life has to offer—so how can we find real happiness amid the chaos, so we don't reach the end of our life and feel like we missed it? In *Stop Missing Your Life*, mindfulness teacher Cory Muscara takes us on a journey into the heart of what is required for real change, growth, and happiness. He exposes how the phrase *be present* has become little more than a platitude, imbued with the misguided message to be present just for the sake of being present, and reveals how to achieve true Presence: a quality of being that is unmistakably attractive about a person, and one that only comes when we've peeled back the layers of guarding that prevent us from being our full, honest, and integrated selves in the world. Muscara shows how we build internal walls, what he describes as a Pain Box inhibiting us from living a deeply connected and meaningful life. He offers a four-part FACE model (Focus, Allow, Curiosity, and Embodiment) that helps chip away at those walls and builds our capacity to experience the richness of our lives. *Stop Missing Your Life* ultimately teaches how we can find peace in the chaos and become better people for our families, our communities, and our world.

Please Stop Helping Us Jason L. Riley, 2016-01-05 Why is it that so many efforts by liberals to lift the black underclass not only fail, but often harm the intended beneficiaries? In *Please Stop Helping Us*, Jason L. Riley examines how well-intentioned welfare programs are in fact holding black Americans back. Minimum-wage laws may lift earnings for people who are already employed, but they price a disproportionate number of blacks out of the labor force. Affirmative action in higher education is intended to address past discrimination, but the result is fewer black college graduates than would otherwise exist. And so it goes with everything from soft-on-crime laws, which make black neighborhoods more dangerous, to policies that limit school choice out of a mistaken belief that charter schools and voucher programs harm the traditional public schools that most low-income students attend. In theory these efforts are intended to help the poor—and poor minorities in particular. In practice they become massive barriers to moving forward. *Please Stop Helping Us* lays bare these counterproductive results. People of goodwill want to see more black socioeconomic advancement, but in too many instances the current methods and approaches aren't working. Acknowledging this is an important first step.

Can't Stop Won't Stop Jeff Chang, 2005-02 Forged in the fires of the Bronx and Kingston, Jamaica, Hip Hop has been a generation-defining movement. In a post-civil rights era transformed by deindustrialisation and globalisation, Hip Hop became a job-making engine and forever transformed politics and culture. Based on more than a decade of original interviews with DJs, b-boys, graffiti writers, gang members and rappers, and featuring unforgettable portraits of many of Hip Hop's forebears and mavericks, this book chronicles the rise and rise of this movement through vivid cultural criticism and detailed narrative.

Stop Feedin' da Boids! James Sage, 2017-04-04 When Swanda and her dog, Waldo, move to Brooklyn from the country, they miss the wildlife they left behind. Until they discover the pigeons. "Oh, look! What dear little birds! Come, Waldo, we'll get them a bird feeder all their own." But a bird feeder in the city attracts lots and lots and lots of birds — and the neighbors don't like them, or their mess, one bit. So when Swanda is unable to fix things, her

neighbors step in with their own Brooklynese solution: "SWANDA, YOU GOTTA STOP FEEDIN' DA BOIDS!"

Stop Teaching Isabel Rimanoczy, 2016-06-17 What do we need to change in order to develop a new generation of business leaders who connect profits with purpose, who see in social entrepreneurship and innovation the key opportunity for addressing our planetary challenges? The answer lies in the contents we select to teach, in the values we invite to explore and develop, and in the methods we use. In the era of 24/7 global access to information from our mobile gadgets, many institutions of higher education are still sitting students in rows or amphitheaters, measuring success via tests and evaluations, with instructors lecturing what students should learn. And instructors feel the challenge of competing with sleepy audiences that divide their attention between their cell phones and the speaker. Stop teaching, the author says, inviting instructors in management schools and higher education to adopt some proven learning principles that can reengage students, unleash their potentials, and foster them to shape the world they want to live in. And have fun doing it. Through adult learning research, guides, activities, and stories from pioneering learning facilitators in education and corporate training, Rimanoczy brings a long-needed revamp to educational institutions that want to be part of responsible management education.

Stop Street Harassment Holly Kearl, 2010-08-03 Using groundbreaking studies, news stories, and interviews, this book underscores that there will never be gender equity until men stop harassing women in public spaces—and it details strategies for achieving this goal. Street harassment is generally dismissed as harmless, but in reality, it causes women to feel unsafe in public, at least sometimes. To achieve true gender equality, it must come to an end. Stop Street Harassment: Making Public Places Safe and Welcoming for Women draws on academic studies, informal surveys, news articles, and interviews with activists to explore the practice's definition and prevalence, the societal contexts in which it occurs, and the role of factors such as race and sexual orientation. Perhaps more crucially, the book makes clear how women experience street harassment—how they feel about and respond to it—and the ways it negatively impacts lives. But understanding is only a beginning. In the second half of the book, readers will find concrete strategies for dealing with street harassers and ways to become involved in working to end this all-too-common violation. Educators, counselors, parents, and other concerned individuals will discover resources for teaching about harassment and modeling behavior that will help prevent harassment incidents.
