**PT Brinkman**

The 2R Manager Peter E. Friedes, 2003-02-03 The 2R Manager will make you a better manager---immediately. It offers specific advice tailored to each individual's current management style. You will take some self-surveys, see the results, and learn the impact you now have on those you manage. You'll learn what changes you must make and how to make them. Managers have naturally either a Relating or a Requiring style. Those who naturally require are weaker at relating---sometimes much weaker---and vice versa. The best managers possess the ability to do both well and know when to choose one over the other. Most managers miss opportunities. Some try to be their employee's friend when they need to be setting priorities and deadlines. Others, thinking they have the answers, miss getting new ideas and destroy their employees' motivation. Having the ability to relate and require is fundamental for effective managing. Whether you want to improve how you now manage people or create a management-training alternative that can help reduce time and costs, you will find what you're looking for in The 2R Manager.

**The Ghost in Apartment 2R** Denis Markell, 2020-09-15 What if there was a ghost in your brother's room? This kid-friendly mystery about three friends who try to help a restless spirit find peace is perfect for fans of *Under the Egg* and *The Book Scavenger*. It stinks. Danny's older brother has moved out and gone to college--and Danny doesn't even get his nice big room. But you know what's worse? It seems that he's left behind an angry ghost! With the help of his friends Nat and Gus, Danny interviews everyone in his Brooklyn neighborhood to find out about spirits. Is it an Arabian ghoul? A Korean gwishin? A Polish haunting? Maybe the answer lies with Danny's own bubbe and her tales of a dybbuk, a Jewish spirit. In the end, one thing is certain: a good night's rest is hard to get when a ghost is around.
