**Move, Connect, Play** Jason Nemer, 2022-04-19 Move, Connect, Play is a book detailing the core principles of AcroYoga, a practice that melds the spectacle of circus arts with the healing power of massage and the breathwork of yoga. Get ready to learn how to fly. AcroYoga is a movement practice that combines the balance and connection of yoga with the fitness and intensity of acrobatics, as well as the holistic healing power of physical therapy. People come to it for all kinds of reasons—they may have chronic pain and are looking for a long-term solution to manage it, they may want to lose weight, gain muscle or increase their mobility, or maybe they just want to experience it with their friends or partners to deepen their relationships. Some even just want to have some fun together. In Move, Connect, Play, pounder of AcroYoga International Jason Nemer shares the core principles of AcroYoga for athletic performance and for life, as well as 10 key areas of training (strength, flexibility, technique, balance, breath, gravity, relationships, mental, emotional, and sustainability). He also offers specific exercises and routines for how to train safely and effectively in each area. This is a book that millions of AcroYogis around the world have long been waiting for, and one that is an essential read for high-performance athletes, weekend health warriors, and spiritual seekers alike.

*Drawing Near* John MacArthur, 2002-02-28 Like newborn babes, long for the pure milk of the word, that by it you may grow in respect to salvation. 1 Peter 2:2 It's a fact of life: our health declines if we don't nourish our bodies every day with food and water. That's true physically. It's true spiritually as well. If we neglect to regularly feed our souls on the Holy Scriptures, our faith becomes weak and we start to lose touch with our Savior. Growth is

stifled... if it happens at all. Drawing Near, used daily in combination with God's Holy Word, can not only help bring you closer to God but also keep you from spiritual stagnation. This book will guide you in a growing relationship with Him. As Pastor MacArthur says in his Introduction: Our entertainment-conscious, quick-fix, fast-food society does everything it can to divert us from setting aside time to study God's Word. As you well know from your own efforts, Bible study is not often entertaining—it's hard work. It takes discipline to set aside time each day to reap the benefits such study has to offer. If you reach an impasse when it's time to sit down, open your Bible, and try to decide what to do, you're not alone. Without some plan to follow, it's easy to become frustrated and eventually give up after only one or two days. That's where this book comes in. If you desire greater understanding of the precious Word of God, if you want a daily guide to draw you closer to the Lord, this outstanding collections of 365 devotional readings by one of America's most respected and trusted Bible teachers is for you!

**The Confidence Gap** Russ Harris, 2011-09-13 Drawing on Acceptance and Commitment Therapy and mindfulness practices, this guide offers breakthrough insights and simple techniques for developing deep-seated, long-lasting confidence Too many of us miss out on opportunities in life because we lack self-confidence. Whether it's public speaking, taking on a leadership role, or asking someone for a date, there are situations in which we just don't feel equipped to handle the challenges we face. Russ Harris offers a surprising solution to low self-confidence, shyness, and insecurity: Rather than trying to "get over" our fears, he says, the secret is to form a new and wiser relationship with them. Paradoxically, it's only when we stop struggling against our fearfulness that we begin to find lasting freedom from it. Drawing on the techniques of Acceptance and Commitment Therapy (ACT), a cutting-edge form of cognitive-behavioral therapy, The Confidence Gap explains how to:

- Free yourself from common misconceptions about what confidence is and how to build it
- Transform your relationship with fear and anxiety
- Clarify your core values and use them as your inspiration and motivation
- Use mindfulness to effectively

handle negative thoughts and feelings. “This book could save you years of psychological struggle, yank you out of negative emotional patterns, and help propel you to a much happier, more productive life.” —Martha Beck, author and Oprah Winfrey’s life coach
