Early History of Huntsville, Alabama 1804 to 1870 Edward Chambers Betts,1916

Hidden History of North Alabama Jacquelyn Procter Reeves,2010-05-06 The tranquil waters of the Tennessee River hide a horrible tragedy that took place one steamy July day when co-workers took an excursion aboard the SCItanic. Lawrence County resident Jenny Brooks used the skull of one of her victims to wash her hands, but her forty-year quest for revenge cost more than she bargained for. Granville Garth jumped to his watery grave with a pocketful of secrets--did anyone collect the \$10,000 reward for the return of the papers he took with him? Historian Jacquelyn Procter Reeves transports readers deep into the shadows of the past to learn about the secret of George Steele's will, the truth behind the night the Stars Fell on Alabama and the story of the Lawrence County boys who died in the Goliad Massacre. Learn these secrets--and many more--in Hidden History of North Alabama.

The Hill Country of Alabama, U. S. A. Corporation of Foreign Bondholders (Great Britain). English Committee of Alabama 8 Per Cent Gold State Bonds of 1870,Corporation of Foreign Bondholders, London. English Committee of Alabama 8 Per Cent Gold State Bonds of 1870,1878

Bibb County, Alabama Rhoda C. Ellison,1999-02-17 Annotation. The history of Bibb County between 1818 and 1918 is in many ways representative of the experience of central Alabama during that period. Bibb County shares physical characteristics with the areas both to its north and to its south. In its northern section is a mineral district and in its southern valleys fertile farming country; therefore, its citizens have sometimes allied themselves with the hill counties and sometimes with their Black Belt neighbors.

Stars of Alabama Sean Dietrich,2019-07-09 In this heartfelt tale about enduring hope amid the suffering of the Great Depression, Sean Dietrich—also known as Sean of the South—weaves together a tale featuring a cast of characters ranging from a child preacher, a teenage healer, and two migrant workers who give everything they have for their chosen family. When fifteen-year-old Marigold becomes pregnant during the Great Depression, she is rejected by her family and forced to fend for herself. She is arrested while trying to steal food and loses her baby in the forest, turning her whole world upside down. She's even more distraught upon discovering she has an inexplicable power to heal, making her a sought-after local legend. Meanwhile, middle-aged migrant workers Vern and Paul discover a violet-eyed baby abandoned in the woods and take it upon themselves to care for her. The men continue their search for work and soon pair up with a poverty-stricken widow, plus her two children, and the misfit family begins taking care of each other. As survival brings this chosen family together, a young boy finds himself without a friend to his name as the dust storms rage across Kansas. Fourteen-year-old Coot, a child preacher, is on the run from his abusive tent-revival pastor father with thousands of stolen

dollars—and the only thing he's sure of is that Mobile, Alabama, is his destination. In a sweeping saga with a looming second world war, these stories intertwine in surprising ways, reminding us that when the dust clears, we can still see the stars. Stand-alone Southern historical fiction set during the Great Depression Book length: approximately 98,000 words Includes discussion questions for book clubs Also by Sean Dietrich: *The Incredible Winston Browne*

Alabama Stitch Book Natalie Chanin, Stacie Stukin, 2008-03-01 Includes 20 projects to make, designer and author demonstrates how she learned to sew and how she has learned that what she makes is important to the community where she grew up.

Alabama Government & Politics James D. Thomas, William Histaspas Stewart, 1988-01-01 For most of the nation, Alabama government is emblemized by Governor George Wallace blocking the entry to the University of Alabama, defying court-ordered integration and championing states'-rights slogans. But Wallace's return to power in the 1980s witnessed sweeping social and political changes in Alabama. Today the state for the most part enjoys the aura of the new South. James D. Thomas and William H. Stewart, both natives of Alabama, bring a detailed sense of its colorful past to their forward-looking book about its government and political institutions. In the course of writing about Alabama's legislative, administrative, and judiciary branches; its local politics; and its historic relations with the federal government, Thomas and Stewart reveal much about life today in this southern state. Low taxes, industrialization and urbanization, the civil rights movement, and a trend toward two-party politics have helped to usher in dramatic changes. Although continued change is in the wind, the authors do not think that Alabama's political institutions will soon lose their distinctive Alabama character, and no book has ever described that better than *Alabama Government and Politics*.

1819 Alabama Constitution Representatives of the people of Alabama, 2020-12-08 This document contains the Alabama Constitution of 1819 printed by order of the House of Representatives. It contains laws that govern the State of Alabama. It is divided into six articles namely: Declaration of Rights, Distribution of Powers, Legislative Department, Executive Departments, Judicial Department, and General Provisions.

Message of ... Governor of Alabama to the Legislature of Alabama Alabama. Governor, 1909

From Marion to Montgomery Joseph Caver, 2020-10-20 Alabama State University is well known as a historically black university and for the involvement of its faculty and students in the civil rights movement. Less attention has been paid to the school's remarkable origins, having begun as the Lincoln Normal School in Marion, Alabama, founded by nine former slaves. These men are rightly considered the progenitors of Alabama State University, as they had the drive and perseverance to face the challenges posed by a racial and political culture bent on preventing the establishment of black schools and universities. It is thanks to the actions of the Marion Nine that Alabama's rural Black Belt produces a disproportionate number of African American Ph.D. recipients, a testament to the vision of the Lincoln Normal School's founders. *From Marion to Montgomery* is the story of the Lincoln Normal School's transformation into the legendary Alabama State University, including the school's move to Montgomery in 1887 and evolution from Normal School to junior college to full-fledged four-year university. It's a story of visionary leadership, endless tenacity, and a true belief in the value of education.

Journal of the Senate of the State of Alabama Alabama. Legislature. Senate, 1873

Of Goats & Governors Steve Flowers, 2015-08-01 Few states have as colorful a political history as Alabama, especially in the post-World War II era. During the past six decades, the state played a central role in the civil rights movement, largely moved away from its

earlier farm-based economy and culture, and transitioned from a relatively moderate-progressive Democratic Party politics to today's hard-core conservative Republican Party domination. Moving onto and off Alabama's electoral stage during all these transformations have been some of the most interesting figures in 20th-century American government and politics. Swirling around these elected officials in the Heart of Dixie are stories, legends, and jokes that are told and retold by political insiders, journalists, and scholars who follow the goings-on in Washington and Montgomery. In Alabama, it seems, politics is not only a blood sport but high entertainment. There could be no better guide to this colorful history than political columnist and commentator Steve Flowers.
