Plant Lore of an Alaskan Island Frances Kelso, Frances Kelso Graham, 2011 Plant Lore of an Alaskan Island identifies the most common plants in the Kodiak archipelago. It includes edible and medicinal plants, with recipes for preparing for your table plus a special index section of medicinal plants with a brief description of their use. Native uses of these plants are emphasized, making the book somewhat of an ethnobotany. It's a good armchair book because it includes stories of gathering adventures, a section on the history of Ouzinkie, with stories and pictures, a full description and illustration of each plant, plus a plant family index with information about each plant family represented. Color and black and white photos enhance the pages. Take this book on foraging trips or enjoy reading it at home. Though focused on Spruce Island, these plants or a similar species can be found in many Alaskan locations.

Alaska Wolff Pack Margaret Wolff, 2010-09-15 Bob and Margaret Wolff celebrated their wedding anniversary six months after their marriage--in case they didn't make it a full year. However, they shared a thirty-one year honeymoon before Bob's tragic accidental death. Alaskan Wolff Pack is Bob and Margaret's story, and the story of the remarkable children, friends, and pets they accumulated along the way. The delights of living in the Alaska bush amidst four legged neighbors, the closeness of sharing a one room cabin in a forty square mile yard, and the adventures of gold mining and travel; could not be dimmed by fires, floods, crashes, or death. They mostly lived from hand to mouth, often without a dime in their pockets, occasionally their material possessions were little more than the clothes on their backs, and the tooth ferry could only leave an IOU note under the children's pillows--but their real riches were abundantly awesome.

The Alaskan Retreater's Notebook Ray Ordorica, 2016-01-19 In the fall of 1978 Ray Ordorica packed everything he thought he would need into his Toyota LandCruiser and drove north to Alaska. He came to a land he had never seen, to find something he wasn't even sure existed: a wilderness cabin he could use for a year or more to live, think, relax, read, and write. Ordorica found his cabin, fixed it up, and, although it was just an un-insulated 12- by 16-foot one-room log structure, he spent three winters in it in relative comfort. Ordorica's life in that cabin fulfilled a dream he had had for more than ten years. During his long winters in Alaska, it occurred to him that there must be many others who have put off an extended wilderness visit to out of ignorance or fear. They have as many questions about Alaska as he had before he arrived: How do you cope with 40 below? How do you get water? Is it totally dark in mid-winter? These questions and many more gave Ordorica the idea to write the Alaskan Retreater's Notebook, an epic memoir about one man's journey into the Alaskan wilderness. With his wisdom, you will learn how to live with the country, and not against it.

Murder on the Iditarod Trail Sue Henry, 2015-06-09 "Adrenaline-pumping . . . [A] polished action mystery . . . [with] dazzling Arctic sights." –Marilyn Stasio, The New York Times Book Review Winner of the Macavity Award and the Anthony Award Murder on the Iditarod Trail is a gripping mystery set during Alaska's world-famous Iditarod: a grueling eleven-hundred-mile dogsled race across hazardous Arctic terrain. It is an arduous sport, but not a deadly one. But suddenly the top Iditarod contestants are dying in bizarre ways: first a veteran musher smashes into a tree, then competitors begin turning up dead, with each murder more brutal than the last. State trooper Alex Jensen begins a homicide investigation, determined to track down the killer before more blood stains the pristine Alaskan snow. Meanwhile, Jessie Arnold, Alaska's premier female musher, has a shot at winning for the first time. But as her position in the race improves, so do her chances of being the killer's next target. As the mushers thread their way through the treacherous trails, Jessie and Jensen are drawn deep into the frozen heart of the perilous wild: where nature can kill as easily as a bullet and only the Arctic night can hear your final screams. "Engrossing . . . The howling winds, the snow, the ice, the dancing away from wolves, the crazing fatigue, the welcome heat and food, are almost palpable." –Los Angeles Times Book Review "Excellent . . . well-paced, well-conceived, engrossing . . . moves along like a healthy, well-trained dog team." –The Anchorage Times "A book that will give you a feel for how the Iditarod is . . . Sue Henry has a genius for characterization, plot, and setting." –Mystery News

The Alaskan Laundry Brendan Jones, 2016-04-26 "This novel will reconvince you of the power of wilderness to heal a human heart" (Pam Houston, author of Contents May Have Shifted). Tara Marconi has made her way from Philadelphia to "the Rock," a remote island in Alaska governed by the seasons. Her mother's death left her unmoored, with a seemingly impassable rift between her and her father. But in this majestic, rugged frontier she works her way up

the commercial fishing ladder—from hatchery assistant all the way to king crabber. Disciplined from years as a young boxer, she learns anew what it means to work, to connect, and—through an unlikely old tugboat—how to make a home she knows is her own. A testament to the places that shape us and the places that change us, *The Alaskan Laundry* tells one woman's unforgettable journey in waters as far and icy as the Bering Sea, back to the possibility of love.

The Grizzly Maze Nick Jans, 2006-01-31 With a new introduction on Werner Herzog's film entitled *The Grizzly Man* Timothy Treadwell, self-styled "bear whisperer" dared to live among the grizzlies, seeking to overturn the perception of them as dangerously aggressive animals. When he and his girlfriend were mauled, it created a media sensation. In *The Grizzly Maze*, Nick Jans, a seasoned outdoor writer with a quarter century of experience writing about Alaska and bears, traces Treadwell's rise from unknown waiter in California to celebrity, providing a moving portrait of the man whose controversial ideas and behavior earned him the scorn of hunters, the adoration of animal lovers and the skepticism of naturalists. "Intensely imagistic, artfully controlled prose . . . behind the building tension of Treadwell's path to oblivion, a stunning landscape looms."—*Newsday*

A Deliberate Life Pamela Haskin, 2003-07-14 *A Deliberate Life* is the inspiring and oftentimes humorous story of Pamela Haskin and her life in the Alaskan Bush. She says, I'm not trying to escape society as so many do who come to the Bush. I'm choosing a lifestyle! I want a life with adventure and purpose. Life on the homestead was certainly different from the one Pam had known; a woodpile instead of a thermostat, no running water or indoor plumbing, no electricity, and no phone. And, she chose this! Go figure. Pam touches something in each of us that says life can be more than ordinary. We do indeed have a choice, and we either exercise or surrender that choice each day. Pam's choices changed her life dramatically and set an example for the rest of us. Between these pages you will find a hearty and entertaining example of the power of choice.

Walking Home Lynn Schooler, 2010-05-18 In the spring of 2007, hard on the heels of the worst winter in the history of Juneau, Alaska, Lynn Schooler finds himself facing the far side of middle age and exhausted by laboring to handcraft a home as his marriage slips away. Seeking solace and escape in nature, he sets out on a solo journey into the Alaskan wilderness, traveling first by small boat across the formidable Gulf of Alaska, then on foot along one of the wildest coastlines in North America. *Walking Home* is filled with stunning observations of the natural world, and rife with nail-biting adventure as Schooler fords swollen rivers and eludes aggressive

grizzlies. But more important, it is a story about finding wholeness-and a sense of humanity-in the wild. His is a solitary journey, but Schooler is never alone; human stories people the landscape-tales of trappers, explorers, marooned sailors, and hermits, as well as the mythology of the region's Tlingit Indians. Alone in the middle of several thousand square miles of wilderness, Schooler conjures the souls of travelers past to learn how the trials of life may be better borne with the help and community of others. Walking Home recalls Jonathan Raban's Passage to Juneau or Jon Krakauer's Into the Wild, but with a more successful outcome. With elegance and soul, Schooler creates a conversation between the human and the natural, the past and present, to investigate what it means to be a part of the flow of human history.
