Alpha Guide Alpha, 2018-08-21 The Alpha Guide is a companion to either the Alpha Film Series or Alpha with Nicky Gumbel. This guide is divided up by session with an easy-to-read outline so that guests can follow along during each talk. With simple bullet-point organization and plenty of room for notes, the guide functions as an invaluable resource to the guest during Alpha, and as a reference tool for individual reflection long after Alpha. It is considered an essential resource for Alpha guests as well as the host and helpers on Alpha. Alpha creates an environment of hospitality where people can bring their friends, family, and work colleagues to explore the Christian faith, ask questions, and share their point of view. Alpha makes it easy to invite friends to have spiritual conversations which explore life's biggest questions in a safe and respectful way. Alpha's approach to hospitality, faith, and discussion is designed to welcome everyone, especially those who might not describe themselves as Christians or church-goers. Each session includes time for a large group meal, short teaching, and small group discussion.

Alpha David Philipps, 2022-09-13 An “infuriating, fast-paced” (The Washington Post) account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America’s special forces—from a Pulitzer Prize-winning reporter WINNER OF THE COLORADO BOOK AWARD • “Nearly impossible to put down.”—Jon Krakauer, New York Times bestselling author of *Where Men Win Glory* and *Into the Wild* In this “brilliantly written” (The New York Times Book Review) and startling account, Pulitzer Prize-winning New York Times correspondent David Philipps reveals a powerful moral crucible, one that would define the American military during the years of combat that became known as “the forever war.” When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq, a

group of them reported their chief, Eddie Gallagher, for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. The story of Alpha's war, both in Iraq and in the shocking trial that followed the men's accusations, would complicate the SEALs' post-9/11 hero narrative, turning brothers-in-arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country. One of the great stories written about American special forces, Alpha is by turns a battlefield drama, a courtroom thriller, and a compelling examination of how soldiers define themselves and live with the decisions in the heat of combat.

While Nina Marks may have found her way back home after being kidnapped across the multiverse, her alter-egos are now in danger. The technology

needed to travel the multiverse exists in at least 4 known universes, and perhaps more. How can Nina, now stuck in Universe Alpha keep all the infinite universes safe from those looking to exploit this technology? And, if the weight of protecting parallel universes wasn't enough on her shoulders, she is the primary suspect in the disappearance of Dr. Parker Lovett. Can Nina exonerate herself without exposing the secrets of The Portal? Can she trust her alter-egos to keep watch on their entry point to the multiverse? Can she just get through the first week at her new job without having to worry about the fate of all people living across the infinite universes? Read The Alpha-Nina, the second book in The Feminina Series, and the anxiously awaited sequel to The Infinite-Infinite to find out.

Alpha Phi Alpha Gregory S. Parks, Stefan M. Bradley, 2012-01-27 A “thoughtful” historical and sociological look inside the fraternity that’s shaped men from W.E.B. DuBois to Martin Luther King, Jr. to Thurgood Marshall (Choice). On December 4, 1906, on Cornell University’s campus, seven black men founded one of the greatest and most enduring organizations in American history. Alpha Phi Alpha Fraternity Inc. has brought together and shaped such esteemed men as Martin Luther King Jr., Cornel West, Thurgood Marshall, Wes Moore, W.E.B. DuBois, Roland Martin, and Paul Robeson. “Born in the shadow of slavery and on the lap of disenfranchisement,” Alpha Phi Alpha—like other black Greek-letter organizations—was founded to instill a spirit of high academic achievement and intellectualism, foster meaningful and lifelong ties, and racially uplift those brothers who would be initiated into its ranks. In Alpha Phi Alpha, Gregory S. Parks, Stefan M. Bradley, and other contributing authors analyze the fraternity and its members’ fidelity to the founding precepts set forth in 1906. They discuss the identity established by the fraternity at its inception, the challenges of protecting the image and brand, and how the organization can identify and train future Alpha men to uphold the standards of an outstanding African American fraternity. Drawing on organizational identity theory and a diverse array of methodologies, the authors raise and answer questions that are relevant not only to Alpha Phi Alpha but to all black Greek-letter organizations.

Alpha Male Challenge James Villepigue, Rick Collins, 2009-09-01 Men are losing their masculinity. Guys are urged to get in touch with their feminine side at the expense of the traditional attributes that make men male. Not only has manliness become a dirty word in a society of beta males and couch potatoes, but there's actually less and less of it in the blood of too many American men, with studies showing declines in average testosterone levels over the past 20 years. Today's men need a major adjustment of alpha attitude, and Alpha Male Challenge is the 10-week plan for reclaiming the masculine, competitive edge guys need to be on top of their game in every aspect of their lives. It's the new blueprint for the true Alpha Male--the ideal of masculine excellence today. More than just another fitness book, this three-part exercise, diet, and mind-set overhaul features: the revolutionary MaleScale assessment questionnaire that measures the physical and mental traits that define the true Alpha Male; a step-by-step regimen to develop the Four C's of Alpha Attitude: commitment,

confidence, courage, and conscience; the Alpha Wave Basic Training program to build muscle, burn fat, and produce testosterone; the Work Heart/ Play Heart cardio system; and the Alpha Fuel Solution, a convenient approach to food and supplements with simple Fuel Rules based on what the human body was designed to eat over the past 2.5 million years, tweaked with cutting edge innovations. This is a straightforward instruction manual to build the kind of man these hard times demand: ruggedly powerful and supremely confident. It will help guys become more successful in their workouts, in their careers, and even in their relationships, as they learn to embody the everyday heroism of the true Alpha Male.

Pregnant By The Alpha S.E. Law, The alpha gave me a baby. While snorkeling in the Caribbean, I got lost. I washed up on a remote island, only to be confronted by a very handsome, but utterly pissed alpha male. Tom is sullen, stormy, and gorgeous. He's got piercing blue eyes, a square jaw, and six pack abs that make my mouth water. Evidently, he's the caretaker for this private island and sees me as nothing more than a pain in the ass ... until one fateful night. To say that there were fireworks is putting things lightly. But then, the secrets begin coming out. Tom's not just the caretaker. He owns this island. In fact, he's an actor. A famous one. He's even won an Academy Award! Is it my fault that I never watch TV or movies? I'm stunned, but I have my own secret too because now I'm expecting his child. But will the alpha male ever know? After all, the island keeps its secrets ... and my pregnancy is only the beginning. This is a secret baby second chance romance where our sassy heroine is filled with spirit and fire. Brynn's outraged that Tom didn't tell her the truth about his identity from the get-go, and she's going to make sure he knows it! But never fear, they get their happily ever after because the baby needs both of his parents. No cheating, no cliffhangers, and always an HEA for my readers.

Alpha's Prey Renee Rose, Lee Savino, 2021-05-24 BENDING HER TO THE BEAR'S WILL The human thinks I'm stalking her. Maybe I am. But I'm not the only one. There's something evil in these woods and it preys on single women. I'm not about to let the sexy scientist fall into its lair. Even if that means holding her prisoner in my cabin. Keeping her where I can see her at all times. Bending her to my bear's will. Just until the storm passes. Until her research is finished. Then I'll let her go. I swear. Publisher's Note: Alpha's Prey is a stand-alone book in the Bad Boy Alpha's series. HEA guaranteed, no cheating. This book contains a grouchy, manly bear with a penchant for protecting and dominating his female. If such material offends you, do not buy this book.
