Amigos Walko,2012-05-15 The world can present many obstacles—for people with a handicap, simply getting from place to place can be a major challenge. A dog named Pedro wants to explore the world but his lack of sight makes it too dangerous for him to dodge the whizzing cars on a busy street. He meets Rosalie the cat, who is also on a journey but her damaged leg prevents her from crossing the street quickly and unharmed. The pair realizes that they can use each other's strengths to work together and accomplish the task. A charming story about friendship and special needs, incorporating Spanish words with humor and wit, *Amigos* shows that anything is possible with a caring friend by your side. Even with handicaps, Pedro and Rosalie are able to overcome the hardest challenges by sticking together. This book will teach children the value of friendship, acceptance, and perseverance.

Amigo y sus amigos Ana Fern Ndez,Ana FernáNdez,2012-02 Después de los éxitos alcanzados con *Anjonio* en el 2010, *Una mujer llamada Perla* en el 2011, y de ser premiada por el Instituto de Cultura Peruana en el género de Poesía también en el 2011, Ana Fernández nos entrega *Amigo y sus amigos*. Esta vez, Estanislao y su ayudante Amigo recorren las calles de un barrio pobre de la ciudad de los tinajones. A través de las amas de casa que les compran diariamente las latas de carbón de a diez centavos, ellos van conociendo muchos detalles de sus vidas: cómo aman, cómo sufren, cómo se divierten, cómo velan a sus muertos y cómo van adquiriendo -reuniendo centavo a centavo o pagando a plazos-, el alquiler de sus casas, sus alimentos, ropas y lo poco que necesitan para ir viviendo. Amigo, por ser más observador y sociable que Estanislao, es el que se entera de las debilidades y secretos de cada familia. Él no pudo ir a la escuela, pero tiene un sueño: escribir un libro en el que escondería un mensaje. El que lo descubra y lo lleve a la práctica, comenzará una gran cadena que alcanzará hasta el último habitante del más remoto rincón del planeta. Se desarrollaría una evolución positiva de la conciencia individual, hasta conseguir la soñada Era de Luz. Como Beba y Tito -menores que él- no pueden acompañarlo en el recorrido diario, quedan en la casa para cuidar a los puercos que crecen en el corral del patio. Aceptaron quedarse con la condición de que cada tarde, al regresar, se reunirían para que él les contara los chismes del día. Amigo y sus amigos nos recuerda que todo lo que existe, vibra, y que esa energía encierra sutiles lecciones. Nos queda decidir: recibirlas o ignorarlas.

Ese Turix, Mi Amigo... Enrique Solís Márquez, 2012 Yucatán, 1847. La incipiente república mejicana está ocupada por tropas de la Unión Americana. Se inicia una ominosa guerra, la que pronto sería llamada Guerra de castas. Tizimín, situado en las últimas fronteras de la civilización, una década atrás había padecido de asonadas de militares que pretendían separar a la península de Méjico. Desde 1812 la Nueva España habían derogado de facto las leyes de las Cortes de Cádiz, que otorgaban a los indígenas los mismos privilegios que gozaban los españoles. Los nuevos amos son ahora los criollos: hacendados, empresarios, militares, clérigos, y una pequeña burguesía, oprimieron los mayas y restauraron el feudalismo en la región. El levantamiento indígena resultante sería el más cruento que recuerde la historia del Continente. En aquel ambiente, un mozalbete de ambigua procedencia y trastornada personalidad, se involucra activamente en la contienda. La gente blanca del pueblo huye en urgida caravana hacia Mérida, ciudad blanca. En el trayecto, nuestro amigo va descubriendo la realidad de sus orígenes. Y todo parece haber cambiado para él. A la muerte de sus padres, su tía y el cura del pueblo ya se habían encargado de su educación. Un misterioso personaje aparece reiteradamente a suplantar su singular personalidad. Su fascinación por la aventura, la temprana avidez por el dinero, una innata empatía hacia los mayas, y sus relación con una jovencita indígena, le mueven a unirse a los alzados, al tiempo que sus nuevos preceptores le apoyan en su

vocación a las letras. A cuatro décadas de la huida, Turix nos relata las peripecias de su vida, y nos da a conocer el intolerante ambiente de aquella época. El escritor es un observador imparcial, no juez de sus personajes, o de las palabras que él pueda poner en su boca; aprende a alejarse de sí mismo y a mirarse sin complicidades. No resuelve problemas, sólo los plantea abiertamente, expresa en algún momento de su narrativa.

Amigo Shubham Kumar Panda,2019-08-28 Life is nothing but a collection of moments. Every moment lived fully has a possibility to become immortal. A poet is the seeker of such moments. A poet is the constant seeker of truth also. He would be rebellious by nature. So, it is very obvious that a true poet would be impatient. An adolescent is naturally curious and all of you will agree with me that he is a constant thinker of the philosophy of life as well as of death. So, this is the right age to start writing if someone is willing to convey his emotions. This book (written by an adolescent poet) is not an exception in this regard. The poet is 17 years old, and had started writing at the age of 13. Going through this book is a rare opportunity to go deep in and witness the raw, pure and original talent from the villages of India due to learning a foreign language and a different culture associated with the language. This book also offers us a chance to look at the result of an encounter of an adolescent's heart with the world. Let us be ready to take part in a journey – a journey of thoughts and emotions. This is a journey of ideas and reflections. This journey has every possibility to touch and play the strings of your heart. This collection of poems is dedicated to its every would-be reader with a hope

that they would have filled in their insight with more questions and doubts about everything in life than they already had before starting this book.
