**Angels** Dr. David Jeremiah,2013-10-16 The remarkable truth about angels, the agents of Heaven, unveiled through Scripture—from the New York Times best-selling author of Everything You Need “Outstanding! As one would expect from David Jeremiah, this book reflects a theologian’s concern, a pastor’s heart, and a Biblicist’s accuracy.”—Dr. Bruce Wilkinson People have long been fascinated by stories of angel sightings, yet many contemporary beliefs about angels are based on misconception and myth rather than solid, biblical truth. As he’s done so brilliantly for decades, respected Bible teacher Dr. David Jeremiah of Turning Point Ministries uses Scripture to unveil the remarkable truth about these agents of heaven and their role in our world and our lives. What are angels? What is their role in God’s plan? Are they present? Do they appear? Do they give us personal insight about our work and our worship? In this broad and thorough survey of Scripture, Dr. Jeremiah clearly and simply separates fact from fiction as it relates to angels. His enlightening findings are supported with illustrations and insights from prominent teachers, such as Billy Graham, Corrie ten Boom, C. S. Lewis, and more. Dr. Jeremiah’s down-to-earth style guides readers around the hype about angels and directly into everything you need to know about the “substance of things unseen!”

Angels Billy Graham,1995 The Bible mentions angels nearly 300 times, yet until recently many doubted their existence.

**Strange Angels** Lili St. Crow,2009-05-14 In Strange Angels, Dru Anderson has what her grandmother called “the touch.” (Comes in handy when you’re traveling from town to town with your dad, hunting ghosts, suckers, wulfen, and the occasional zombie.) Then her dad turns up dead—but still walking—and Dru knows she’s next. Even worse, she’s got two guys hungry for her affections, and they’re not about to let the fiercely independent Dru go it alone. Will Dru discover just how special she really is before coming face-to-fang with whatever—or whoever— is hunting her?

**The House of Broken Angels** Luis Alberto Urrea,2018-03-06 In this raucous, moving, and necessary story by a Pulitzer Prize finalist (San Francisco Chronicle), the De La Cruzes, a family on the Mexican-American border, celebrate two of their most beloved relatives during a joyous and bittersweet weekend. All we do, miya, is love. Love is the answer. Nothing stops it. Not borders. Not death. In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two bittersweet days in their San Diego neighborhood, the revelers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime country and allowed them to flourish in the land they have come to call home. Teeming with brilliance and humor, authentic at every turn, The House of Broken Angels is Luis Alberto Urrea at his best, and cements his reputation as a storyteller of the first rank. Epic . . . *Clockwork Angels* Kevin J. Anderson,2013-10-02 From a New York Times bestseller, “firmly planted in the steampunk genre, an epic-scale story . . . with beautiful illustrations” based on the album from Rush(Booklist). A remarkable collaboration that is unprecedented in its scope and realization, this exquisitely wrought novel represents an artistic project between the bestselling science fiction author Kevin J. Anderson and the multiplatinum rock band Rush. Rush’s concept album, Clockwork Angels, sets forth a story in Neil Peart’s lyrics that has been expanded by Peart and Anderson into this epic novel. In a young man’s quest to follow his dreams, he is caught between the grandiose forces of order and chaos. He travels across a lavish and colorful world of steampunk and

alchemy with lost cities, pirates, anarchists, exotic carnivals, and a rigid Watchmaker who imposes precision on every aspect of daily life. The mind-bending story is complemented with rich paintings by the five-time Juno Award winner for Best Album Design, Hugh Syme. “Stands on its own merits as a grand adventure tale woven with threads of various themes enough to keep it fresh, exciting and engaging. Ultimately, Clockwork Angels is one of the most human of stories.” —Book Reporter “A fine piece of dystopian fiction, and it will appeal to readers young and old.” —Booklist

**The Hum of Angels** Scot McKnight,2018-07-17 Would You Recognize an Angel if You Saw One? The majority of earth’s inhabitants believe in Angels. Yet so few of us can claim to have seen one. Why? Perhaps it’s because in order to encounter one, we first have to learn what to look for and how to look! We live in a world where the natural and supernatural overlap. Angels are constantly on mission from God and constantly at work in this world. From the Garden of Eden to the Book of Revelation, Scripture is filled with hundreds of references to these wondrous creatures. In this creative work, Scot McKnight explores what the Bible says – and doesn’t say – about these majestic beings. And that’s deeply important because angels are still on mission today. They express God’s love, confirm His presence, and even lead humans in redemptive worship. Don’t just believe in angels. Learn how to recognize these messengers of God that are all around us and know how God might be using them to affect our lives. Now available in a convenient paperback edition, The Hum of Angels illuminates what the Bible says about these heavenly beings; and it helps you to understand the deepest truths about one of God’s most magnificent and yet misunderstood creations. Most People Believe in Angels. It’s What we Believe About them that Matters. Believing in angels is one thing. But how can we know what angels are really like – especially when our preconceived notions have been mostly shape by sensationalized misinterpretations of these wondrous beings? To help sort things out, Scot McKnight untangles fact from fiction on topics such as: \* Do loved ones become angels when they die? \* Can we hear from angels? \* Is there a hierarchy of angels? \* Do we have a specific guardian angel? \* Should we be scared of angels? \* Are cherubs and seraphs different creatures than angels? \* Do angels have wings? \* Are angels worship leaders?

**A Little Bit of Angels** Elaine Clayton,2018-03-06 Discover how you can become more aware of the angels around you—and benefit from their guidance—with this accessible introduction. Angels will warn us, protect us, and enhance our lives—if we understand how to work with their energy. But how do we ask our angelic guides for intervention? Or determine if their influence is improving our lives? Intuitive author Elaine Clayton presents an accessible introduction to the fascinating and perennially popular field of angelic intervention, with practical advice we can easily integrate into our day-to-day life. Clayton reveals how angels can foster empathy, forgiveness, and creativity; how to attract your own personal angel; how to communicate with your angels through dream journals; and much more.

*The Truth about Angels* Terry Law,2006 Christians and non-Christians alike are encountering angelic beings more than ever, but what does Scripture say about the appearance of angels? In this revision of his eye-opening book, Terry Law presents fascinating biblical truths about both God's angels and evil angels, while exposing false and dangerous teachings that use New Age techniques to contact these powerful beings. Exploring many real-life stories of experiences with angels, Law believes there is an increase in angelic activity because the world is on the brink of the greatest revival and the most cataclysmic events in the history of mankind. The Truth About Angels will answer: What are angels, and where did they come from? Are angels appearing more frequently around the world? Do you have a guardian angel? Are angels involved in healings or the working of miracles? How do angels and the Holy Spirit work together?

**Kindred Angels** Ron Sokol,2015-12-14 The third in the Kindred series finds two angels selected to come to Earth to observe, learn, evaluate, interact, and then report back to God so that life on this planet with all these creatures and things, and all the stuff always going on, might well improve. Now, if the two angels thought this was going to be a fun excursion, they were a bit optimistic. Follow Leonard and Ellen (who goes by L), and who don't get along all that well at any given time, as they pay a visit to earth, explore a lot of nooks and crannies, before returning home to give their big report.

Angels with Angles Loring Leifer,2016-04-22 Angels with Angles is the true story of two nuns who started an inner-city daycare in 1969 against the wishes of the Catholic Church. Then Sister Berta Sailer and Sister Corita Bussanmas proceeded to break rules and sometimes laws to grow Operation Breakthrough into one of the largest and most respected of its kind in the country. These two colorful crusaders fearlessly and sometimes foolishly, took on a bishop, the Catholic diocese, a few politicians, landlords, and even the Internal Revenue Service to sustain their mission to keep Operation Breakthrough. To aid in their fight, they enlisted a memorable cast of draft dodgers, hippies, Black Panthers, activists, and socialites. Operation Breakthrough has now grown into an \$8 million early learning center that serves about 400 children and their families every day. Angels with Angles reveals how these sisters of the hood have given thousands of children born into crushing poverty the chance for brighter tomorrows.

*Heather and the Angels* E. Linda Cushner,2009-08-13 This is a story about love and death and miracles. This is also a story about a young woman and how angels affected her life. If you dont believe in angels, then this may cause you to have some consternation at first. I encourage you, however, to read on; and I guarantee that you will begin to acknowledge their existence and get a tiny glimpse of the wonderful way that they may influence our lives, if we let them. If, however, you are already acquainted with angels, then your spirit will laugh and sing within you, and you will understand.
