*How to Build a Billion Dollar App* George Berkowski, 2014-09-04 An accessible, step-by-step guide to building an app-based business—essential reading for anyone who has an idea for an app, but is unsure of where to start Apps have changed the way we communicate, shop, play, interact, and travel, and their phenomenal popularity has presented possibly the biggest business opportunity in history. In *How to Build a Billion Dollar App*, serial tech entrepreneur George Berkowski—one of the minds behind the internationally successful taxi hailing app Hailo—gives you exclusive access to the secrets behind the success of the select group of apps that have achieved billion-dollar success. Berkowski draws exclusively on the inside stories of the billion-dollar app club members, including Instagram, Whatsapp, Snapchat, Candy Crush, Square, Viber, Clash of Clans, Angry Birds, Uber, and Flipboard to provide all the information you need to create your own spectacularly successful mobile business. He guides you through each step, from an idea scribbled on the back of an envelope, through to finding a cofounder, building a team, attracting (and keeping) millions of users, all the way through to juggling the pressures of being CEO of a billion-dollar company (and still staying ahead of the competition). If you've ever dreamed of quitting your nine to five job to launch your own company or you're a gifted developer, seasoned entrepreneur, or just intrigued by mobile technology, *How to Build a Billion Dollar App* will show you what it really takes to create your own billion-dollar, mobile business.

**EPUB Straight to the Point** Elizabeth Castro, 2010-07-28 Almost overnight, EPUB has become the favored standard for displaying digital text on ereaders. The EPUB specification is a powerful method for creating gorgeous ebooks for EPUB-capable readers such as the iPad, Nook, and Kindle. Alas, it is far from perfect, with frustrating limitations, sketchy documentation, and incomplete creation tools. This extensively researched guide to creating EPUB files by best-selling author Elizabeth Castro shows you how to prepare EPUB files, make the files look great on the screen, work around EPUB weaknesses, and fix common errors. In this essential book, Liz shares her hard-earned experience for how to: Create EPUB files from existing Microsoft Word or Adobe InDesign files, or from scratch. Tweak EPUB files to take full advantage of the power of EPUB in each respective ereader. Control spacing, indents, and margins. Insert images and sidebars and wrap text around them. Create links to external sources and cross-references to internal ones. Add video to ebooks for the iPad.

**App Kid** Michael Sayman, 2022-08-30 An inspiring and deeply personal coming of age memoir from one of Silicon Valley's youngest entrepreneurs—a second-generation Latino immigrant who taught himself how to code as a thirteen-year-old and went on to claim his share of the American dream. As his parents watched their restaurant business collapse in the wake of the Great Recession, Michael Sayman was googling “how to code.” Within a year, he had launched an iPhone app that was raking in thousands of dollars a month, enough to keep his family afloat—and in America. Entirely self-taught, Sayman headed from high school straight into the professional world, and by the time he was seventeen, he was Facebook's youngest employee ever, building new features that wowed its founder Mark Zuckerberg and are now being used by more than half a billion people every day. Sayman pushed Facebook to build its own version of Snapchat's Stories and, as a result, engagement on the platform soared across all demographics. Millions of Gen Z and Millennials flocked to Facebook, and as teen engagement rose dramatically on Instagram and WhatsApp, Snapchat's parent company suffered a billion-dollar loss in value. Three years later, Sayman jumped ship for Google. App Kid is the galvanizing story of a young Latino, not yet old enough to drink, who excelled in the cutthroat world of Silicon Valley and went on to become an inspiration to thousands of kids everywhere by following his own surprising, extraordinary path. In this candid and uplifting memoir, Sayman shares the highs and lows, the successes and failures, of his remarkable journey. His book is essential and affirming reading for anyone marching to the beat of their own drum.

**The Truth App** Jack Heath, 2021-02-23 “A swift, intense page-turner.” —BCCB In this pulse-pounding tech-thriller, Jack Heath creates a world where everyone knows when you lie—and telling the truth doesn't always set you free. Jarli likes to think he's an honest guy. He's a big believer in telling the truth, no matter what. So he develops The Truth App, a mobile application that listens in on your conversations and can tell when someone's lying. Then his app goes viral and, suddenly, Jarli is an internet sensation. But, soon enough, Jarli realizes that being famous can be dangerous—especially when you've just exposed everyone's deepest, darkest secrets. Now his entire town is out to get him: kids at school, teachers, the police, even his own family. Also, an underground network of criminals has just added Jarli to their hit list. Sometimes, exposing the truth comes with a price...

**If You Tell** Gregg Olsen, 2019 A #1 Wall Street Journal, Amazon Charts, USA Today, and

Washington Post bestseller. #1 New York Times bestselling author Gregg Olsen's shocking and empowering true-crime story of three sisters determined to survive their mother's house of horrors. After more than a decade, when sisters Nikki, Sami, and Tori Knotek hear the word mom, it claws like an eagle's talons, triggering memories that have been their secret since childhood. Until now. For years, behind the closed doors of their farmhouse in Raymond, Washington, their sadistic mother, Shelly, subjected her girls to unimaginable abuse, degradation, torture, and psychic terrors. Through it all, Nikki, Sami, and Tori developed a defiant bond that made them far less vulnerable than Shelly imagined. Even as others were drawn into their mother's dark and perverse web, the sisters found the strength and courage to escape an escalating nightmare that culminated in multiple murders. Harrowing and heartrending, *If You Tell* is a survivor's story of absolute evil--and the freedom and justice that Nikki, Sami, and Tori risked their lives to fight for. Sisters forever, victims no more, they found a light in the darkness that made them the resilient women they are today--loving, loved, and moving on.

*The Best Camera Is The One That's With You* Chase Jarvis, 2009-09-18 A beacon of creativity with boundless energy, Chase Jarvis is well known as a visionary photographer, director, and social artist. In *The Best Camera Is The One That's With You*, Chase reimagines, examines, and redefines the intersection of art and popular culture through images shot with his iPhone. The pictures in the book, all taken with Chase's iPhone, make up a visual notebook—a photographic journal—from the past year of his life. The book is full of visually-rich iPhone photos and peppered with inspiring anecdotes. Two megapixels at a time, these images have been gathered and bound into a book that represents a stake in the ground. With it, Chase underscores the idea that an image can come from any camera, even a mobile phone. As Chase writes, "Inherently, we all know that an image isn't measured by its resolution, dynamic range, or anything technical. It's measured by the simple—sometimes profound, other times absurd or humorous or whimsical—effect that it can have upon us. If you can see it, it can move you." This book is geared to inspire everyone, regardless of their level of photography knowledge, that you can capture moments and share them with our friends, families, loved ones, or the world at the press of a button. Readers of *The Best Camera Is The One That's With You* will also enjoy the iPhone application Chase Jarvis created in conjunction with this book, appropriately named Best Camera. Best Camera has a unique set of filters and effects that can be applied at the touch of a button. Stack them. Mix them. Remix them. Best Camera also allows you to share directly to a host of social marketing sites via [www.thebestcamera.com](http://www.thebestcamera.com), a new online community that allows you to contribute to a living, breathing gallery of the best iPhone photography from around the globe. Together, the book, app, and website, represent a first-of-its-kind ecosystem dedicated to encouraging creativity through picture taking with the camera that you already have. *The Best Camera Is The One That's With You—shoot!*

The Business of Android Apps Development Mark Rollins, Roy Sandberg, 2013-07-22 The growing but still evolving success of the Android platform has ushered in a second mobile technology "gold rush" for app developers. Google Play and Amazon Appstore for Android apps has become the second go-to apps eco for today's app developers. While not yet as large in terms of number of apps as iTunes, Google Play and Amazon Appstore have so many apps that it has become increasingly difficult for new apps to stand out in the crowd. Achieving consumer awareness and sales longevity for your Android app requires a lot of organization and some strategic planning. Written for today's Android apps developer or apps development shop, this new and improved book from Apress, *The Business of Android Apps Development, Second Edition*, tells you today's story on how to make money on Android apps. This book shows you how to take your app from idea to design to development to distribution and marketing your app on Google Play or Amazon Appstore. This book takes you step-by-step through cost-effective marketing, public relations and sales techniques that have proven successful for professional Android app creators and indie shops—perfect for independent developers on shoestring budgets. It even shows you how to get interest from venture capitalists and how they view a successful app vs. the majority of so-so to unsuccessful apps in Android. No prior business knowledge is required. This is the book you wish you had read before you launched your first app! What you'll learn How to take your app from idea to design to development to distributing and marketing your app on Google Play or Amazon Appstore How do Venture Capitalists validate new App Ideas, and use their techniques. How to monetize your app: Freemium, ads, in-app purchasing and more What are the programming tips and tricks that help you sell your app How to optimize your app for the marketplace How to marketing your app How to listen to your customer base, and grow your way to greater revenue Who this book is for This book is for those who have an idea for an app, but otherwise may know relatively little about entrepreneurship, app development, or even business in general. You should be able to pick up this book and feel like someone is holding your hand as they go through the process of evaluating your idea, learning to code, placing your app in the marketplace, marketing your app, and finally, improving your app to meet the needs of your customer base. Table of Contents 1. The Android Market: A Background 2. Making Sure Your App Will Succeed 3. Legal Issues: Better Safe Than Sorry 4. A Brief Introduction to Android Development 5. Develop Apps Like a Pro 6. Making Money with Ads on Your Application 7. In-App Billing: Putting A Store in Your Application 8. Making App Marketplaces Work for You 9. Getting The Word Out 10. After You Have A User Base

There Is No App for Happiness Max Strom, 2013-08-01 The revolutionary book on discovering your happiest self—now in paperback. Technology has expanded at such a rate that nearly every aspect of our world has been affected—yet there has been no corresponding expansion of personal happiness. Instead, we find that the wealthiest societies of the world have become depressed, anxious, sleep deprived, and overmedicated. Max Strom, author of *A Life Worth Breathing* and global teacher of personal transformation, reveals that we each have internal, human technology capable of empowering our lives and leading us to deeper levels of happiness. In his new book, *There Is No App for Happiness*, Strom illustrates three imperatives to take back control of our lives. Imperative One: Self-study. Overcoming our negative presets. Imperative Two: Live as if your time and your lifespan were the same thing. Imperative Three: Learn a daily regimen that heals and empowers you, and practice it one hour a day. Learn that joy and fulfillment require us to be active participants and that we should not strive for a virtual life—but a life truly lived. *There Is No App for Happiness* will propel you into a new and more meaningful experience of living.

*Building Web Apps for Google TV* Andres Ferrate, Amanda Surya, Daniels Lee, Maile Ohye, Paul Carff, 2011-06-23 By integrating the Web with traditional TV, Google TV offers developers an important new channel for content. But creating apps for Google TV requires learning some new skills—in fact, what you may already know about mobile or desktop web apps isn't entirely applicable. *Building Web Apps for Google TV* will help you make the transition to Google TV as you learn the tools and techniques necessary to build sophisticated web apps for this platform. This book shows you how Google TV works, how it fits into the web ecosystem, and what the opportunities are for delivering rich content to millions of households. Discover the elements of a compelling TV web app, and what comprises TV-friendly navigation Learn the fundamentals for designing the 10-foot user experience Work with the Google Chrome browser on a TV display, and migrate an existing site Use examples for developing a TV web app, including the UI, controls, and scrolling Understand how to optimize, deliver, and protect video content for Google TV Help users discover your content by optimizing your site for Search—especially videos

**The App Generation** Howard Gardner, Katie Davis, 2013-10-22 No one has failed to notice that the current generation of youth is deeply--some would say totally--involved with digital media. Professors Howard Gardner and Katie Davis name today's young people The App Generation, and in this spellbinding book they explore what it means to be app-dependent versus app-enabled and how life for this generation differs from life before the digital era. Gardner and Davis are concerned with three vital areas of adolescent life: identity, intimacy, and imagination. Through innovative research, including interviews of young people, focus groups of those who work with them, and a unique comparison of youthful artistic productions before and after the digital revolution, the authors uncover the drawbacks of apps: they may foreclose a sense of identity, encourage superficial relations with others, and stunt creative imagination. On the other hand, the benefits of apps are equally striking: they can promote a strong sense of identity, allow deep relationships, and stimulate creativity. The challenge is to venture beyond the ways that apps are designed to be used, Gardner and Davis conclude, and they suggest how the power of apps can be a springboard to greater creativity and higher aspirations.

*Google Apps: The Missing Manual* Nancy Conner, 2008-05-27 Among its many amazing applications, Google now has web-based alternatives to many of the applications in Microsoft Office. This comprehensive and easy-to-follow new book enables you to explore Google's new office applications in detail. Once you do, you'll be in good company -- more than 100,000 small businesses and some corporations are already looking to take advantage of these free Google offerings. *Google Apps: The Missing Manual* teaches you how to use three relatively new applications from Google: Docs and Spreadsheets, which provide many of the same core tools that you find in Word and Excel; and Google Calendar and Gmail, the applications that offer an alternative to Outlook. This book

demonstrates how these applications together can ease your ability to collaborate with others, and allow you access to your documents, mail and appointments from any computer at any location. Of course, as remarkable as these applications are, Google's office suite is definitely a work-in-progress. Navigating what you can and can't do and -- more importantly -- understanding how to do it isn't always easy. And good luck finding enough help online. Google Apps: The Missing Manual is the one book you need to get the most out of this increasingly useful part of the Google empire. This book: Explains how to create, save and share each of Google's web-based office applications Offers separate sections for Docs and Spreadsheets, Google Calendar, and Gmail Demonstrates how to use these applications in conjunction with one another Gives you crystal-clear and jargon-free explanations that will satisfy users of all technical levels Many of you already use Gmail, but do you know its full potential? Do you know how you can increase its power by using Gmail with Doc and Spreadsheets and Google Calendar? You'll find out with Google Apps: The Missing Manual. You'll also come to understand why large corporations such as General Electric and Proctor & Gamble are taking a long, hard look at these applications.

**The Love Book** Allie Esiri, 2014-05-08 An exquisite collection of the very best writing on love. THE LOVE BOOK presents a new anthology of writing on all aspects of the most important emotion on earth. There's true love, unrequited love, erotic love, platonic love, thwarted love, comic love, mourned love and just about every other type of love, explored here in poetry, prose, letters and lyrics from the greatest writers in the English language. In one fabulously comprehensive volume, Allie Esiri brings together texts ancient and modern, from William Shakespeare to Sharon Olds, Catullus to Carol Ann Duffy, the bible to Bob Dylan; she offers us sonnets for wooing, lamentations for loss and perfect passages for weddings. Full of classics and all-time favourites, THE LOVE BOOK also includes lesser-known marvels, such as Mozart's love notes, Sappho's lesbian odes and a letter from Napoleon. Forget corny greeting cards and chocolate box cliché, this is the literature of love at its finest. Beautifully presented and helpfully divided into themed sections, it's an indispensable collection for anyone who's ever had a heart.
