*Bag Lady* Lisa D. Foster, 2022-04-29 A billion plastic bags a day. That's how many bags Americans were throwing away in 2005 when Lisa D. Foster first switched to reusable bags. The impacts of all those bags on our environment and our taxes kept her up at night. It was wrong. Morally wrong. She believed that if American shoppers knew what she knew, they would switch to reusable bags too. So, she did what any good English teacher would do. She took the facts about bags and turned them into a story. Over the next 12 years, that story transformed Lisa into the Bag Lady, an eco-entrepreneur on a mission to save the world one reusable bag at a time. Because she was driven by purpose, she did a lot of things right. She sold a quarter of a million reusable bags her first year, 2 million her second year, and 8 million her third year. Each reusable bag had the potential to replace a thousand single-use bags, collectively eliminating billions of plastic bags. Lisa also did a lot of things wrong. One

out of ten startups fail, and odds are worse for people like her with no business experience or training. In the end, she built a thriving company, disrupted the plastic bag industry and changed the way America shops. It was a wild ride.

*Simply Modern Patchwork Bags* Janet Goddard, 2016-02-15 Everyone loves a bag! Why have one when you can have ten? Different bags are needed for various activities in our day to day lives shopping, working, relaxing, socialising, for home or holiday and my aim has been to put together a book showcasing ten different patterns; each one for a different purpose. There is a bag for every occasion. Simply modern patchwork means fresh, bright fabric choices with simple, stunning patchwork designs. This has been coupled with stylish, practical bag designs. I have chosen fabrics and bag designs that I love and I hope that you will too. Patchwork involves using two or more fabrics with a number of shaped pieces. Some of the bag patterns in this book use a selection of fabrics and it is the use of two, three or four fabrics and sometimes more which make the patchwork. Some bags feature squares, triangles or rectangles in a variety of patterns and the patchwork then is a real focal point in the bag.

states that the child has 1 hour to complete the test, answering the questions in the answer booklet. Read one text and answer the questions about that text, before moving onto the next text. There are three texts and three sets of questions in each booklet. The tests in this booklet are based on the KS2 Reading Assessment sample papers.
