

Basketball

Frank P. Jozsa

Basketball James Naismith,1996-01-01 James Naismith was teaching physical education at the Young Men's Christian Association Training College in Springfield, Massachusetts, and felt discouraged because calisthenics and gymnastics didn't engage his students. What was needed was an indoor wintertime game that combined recreation and competition. One evening he worked out the fundamentals of a game that would quickly catch on. Two peach half-bushel baskets gave the name to the brand new sport in late 1891. *Basketball: Its Origin and Development* was written by the inventor himself, who was inspired purely by the joy of play. Naismith, born in northern Ontario in 1861, gave up the ministry to preach clean living through sport. He describes Duck on the Rock, a game from his Canadian childhood, the creative reasoning behind his basket game, the eventual refinement of rules and development of equipment, the spread of amateur and professional teams throughout the world, and the growth of women's basketball (at first banned to male spectators because the players wore bloomers). Naismith lived long enough to see basketball included in the Olympics in 1936. Three years later he died, after nearly forty years as head of the physical education department at the University of Kansas. This book, originally published in 1941, carries a new introduction by William J. Baker, a professor of history at the University of Maine, Orono. He is the author of *Jesse Owens: An American Life and Sports in the Western World*.

Basketball Jonatha A. Brown,2004-07-19 Provides a brief description of basketball, including its history and objectives.

Basketball David L. Porter,2005-07-30 From its beginnings at the turn of the 20th century to its pervasive presence in 21st-century America, basketball has grown into an undeniably important sport. The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history. Entries include both classic players such as Kareem Abdul-Jabbar and Bob Cousy as well as more recently established and up-and-coming stars such as Carmelo Anthony, Kevin Garnett, and LeBron James. Entries for coaches such as the Boston Celtics' Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside, while the inclusion of female players and coaches such as Lisa Leslie, Diana Taurasi, and Pat Summitt show that basketball is not just a sport for men. From its beginnings at the turn of the 20th century to its pervasive presence in 21st-century America, basketball has grown into an undeniably important sport. The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history. This volume is an ideal reference for students seeking easily accessed information on the greats of the game.

Basketball Fundamentals Jon A. Oliver,2004 Table of contents

Basketball Skills and Drills Jerry Krause,Don Meyer,Jerry Meyer,2008 Provides photo-illustrated instructions and drills for basketball players, covering ball handling, shooting, offense, and defense; and including a DVD.

Hoops Thomas Aiello,2022-02-25 From its 19th-century roots to its position today as a global symbol of American culture, basketball has been a force in American society. This book presents the first cultural history of the sport from the street to the highest levels of professional mens and womens competition, chronicling the relationship between the sport and American society.

When March Went Mad Seth Davis, 2009-03-03 Davis recounts the dramatic story of how two legendary players--Earvin Magic Johnson and Larry Bird--burst on the scene in a 1979 NCAA championship that gave birth to modern basketball.

Basketball Jackie MacMullan, Rafe Bartholomew, Dan Klores, 2019-10-15 NEW YORK TIMES BESTSELLER • Inspired by a major ESPN film series, this is an extraordinary oral history of basketball—its eye-opening untold history, its profound deeper meaning, its transformative influence on the world—as told through an unprecedented series of candid conversations with the game’s ultimate icons. This is the greatest love story never told. It has passion and heartbreak, triumph and betrayal. It is deeply intimate yet crosses oceans, upends lives and changes nations. This is the true story of basketball. It is the story of a Canadian invention that took over America, and the world. Of a supposed “white man’s sport” that became a way for people of color, women, and immigrants to claim a new place in society. Of a game that demands everything of those who love it, yet gives so much back in return. To tell this story, acclaimed journalists Jackie MacMullan, Rafe Bartholomew and Dan Klores embarked on a groundbreaking mission to interview a staggering lineup of basketball trailblazers. For the first time hundreds of legends, from Kobe, LeBron and Steph Curry to Magic Johnson, Dr. J and Jerry West, spoke movingly about their greatest passion. Former NBA commissioner David Stern and iconic coaches like Phil Jackson and Coach K opened up like never before. Those who shattered glass ceilings, from Bill Russell and Yao Ming to Cheryl Miller and Lisa Leslie, explained what it really took to lay claim to their place in the game. At once a definitive oral history and something far more revelatory and life affirming, *Basketball: A Love Story* is the defining untold oral history of how basketball came to be, and what it means to those who love it.

Basketball in America Frank Hoffmann, Robert P Batchelor, Martin J Manning, 2016-05-23 Examine the social and cultural impact of basketball on America at the amateur and professional levels! *Basketball in America: From the Playgrounds to Jordan’s Game and Beyond* is a pioneering analysis of the history of basketball and its effect on popular culture from the 1970s to today. The popularity of basketball is undeniable, and the subject allows for such a broad range of interpretations in popular culture. It cuts across economic, racial, and social boundaries, and its major stars cross over into other forms of popular entertainment more than any other professional sport. This book examines the entire scope of modern basketball history, from the playgrounds, where people first learn the fundamentals, to the college and professional levels. *Basketball in America* is a collection of essays that explores the intersection of basketball and popular culture in America. The contributors are an eclectic mix of writers, scholars, journalists, former players, coaches, and sports enthusiasts who all share an undying love for the game of basketball. The authors analyze the sport from a cross-cultural and historical perspective—digging deep into the profound popular cultural influences of basketball and exploring the scope and depth of its influence. This is the first book that examines the social and cultural impact of basketball on American society to reveal how tightly it is woven into America’s cultural fabric. Also included are photographs and tables to enhance your understanding of the material. Topics covered in *Basketball in America* include: Elgin Baylor—the first “modern” basketball player Chocolate Thunder and Short Shorts: The NBA in the 1970s Dr. J, Bird, Magic, Jordan, and the Bad Boys: The NBA in the 1980s The Jordan Era: The NBA in the 1990s LeBron James and the future of the NBA the Nike brand and popular culture lessons learned from legendary UNC coach Dean Smith professional women’s basketball and much more! *Basketball in America* is a comprehensive analysis that will appeal to anyone interested in understanding how the sport has become an integral part of our national culture. It is an insightful read for sports fans as well as for sports historians. In addition, this book can be used as a textbook in sports history or sociology of sports

classes. It will entertain and inform those who treasure basketball and the role it plays in the American consciousness. Make it part of your collection today!

The Britannica Guide to Basketball Britannica Educational Publishing, 2011-05-01 Despite its American origins, the fast-paced and often acrobatic game of basketball commands the attention of audiences around the world. The sport's seeming simplicity put the ball in the basket is delightfully offset by the complexity of the athleticism and strategy required to be successful at the game. Recounting the evolution of basketball and profiling greats from George Mikan to Larry Bird, Michael Jordan, and beyond, this gripping volume examines the story of a game that continues to dazzle American and global audiences alike.

American Hoops Carson Cunningham, 2009 Those who avidly followed the on-court acrobatics and off-court celebrity of the OC Dream Team in Barcelona in 1992 would hardly recognize what passed as basketball fifty-six years earlier, when the United States first played the game in the 1936 Olympics. In those early days of men's Olympic basketball, many teams lacked basic skills, games were played in the pouring rain, only seven players could suit up, and the rules allowed only two substitutions and no time-outs. How this slow, low-scoring sport became the breakneck game that enraptures millions worldwide is the story of American Hoops. In this fascinating history of Olympic basketball on the world stage and behind the scenes, Carson Cunningham presents a kaleidoscopic picture of the evolution into the twenty-first century of one of America's most popular sports. From clashes between celebrated egos and thrilling action on the court to the intense rivalries of the Cold War and technological advances in everything from television to sports equipment off the court, American Hoops follows the fortunes of Olympic basketball, in the United States and internationally, as it developed and emerged as one of the most challenging and entertaining sports in the world. Cunningham traces how the modifications made by the International Olympic Committee and the International Basketball Federation have transformed the game of basketball over the years, from the Berlin to the Beijing Olympics. His book offers a remarkable view of the changing world through the prism of Olympic sport.

Basketball in the Pac-10 Conference Jeremy Harrow, 2008-01-15 The Pac-10 basketball conference consists of UCLA, Washington State, Oregon, USC, University of Arizona, Stanford, University of Washington, University of California, Oregon State, and Arizona State. It is a successful conference and UCLA, with eleven national titles, holds the current record for most NCAA division-I championships. Basketball in the Pac-10 Conference is packed with a wealth of fascinating information and statistics about one of the nation's most popular sports and most successful college conferences, including conference history; teams and mascots; player and coach profiles; conference rivalries; and important game and tournament highlights.

Martha's Vineyard Basketball Bijan C. Bayne, 2015-03-19 Martha's Vineyard Basketball: How a Resort League Defied Notions of Race and Class follows the rich history of basketball on the Island and tells the stories of the players and coaches themselves.

Game Strategies and Tactics for Basketball Kevin Sivils, 2009-09 Game Strategy and Tactics for Basketball: Preparing to Win the Sideline Battles is both a how-to book and a guide for how to plan strategy and tactics for basketball for an entire season or an individual game. Coaches often focus on X's and O's and overlook how and when a particular offense or defense should be applied and used during a game. Game Strategy and Tactics for Basketball: Preparing to Win the Sideline Battles serves as a planning guide and a master checklist for all the possible situations that a coach will face during a season. The book includes both traditional and some out-of-the-box strategies to the common situations that coaches face and provides both the pros and the cons of the approaches described.

It is not the author's intention to tell each coach exactly what to do, but to serve as a guide in the decision making process. About the author: A 24 year veteran of the coaching profession, with twenty-two of those years spent as a varsity head coach, Coach Kevin Sivils amassed 464 wins and his teams earned berths in the state playoffs 19 out of 22 seasons with his teams advancing to the state semi-finals three times. An eight time Coach of the Year Award winner, Coach Sivils has traveled as far as the Central African Republic to conduct coaching clinics. Coach Sivils first coaching stint was as an assistant coach for his college alma mater, Greenville College, located in Greenville, Illinois. His teams were always known for their discipline, intense effort, execution of fundamentals, and team play. Coach Sivils is also the owner of KCS Basketball Enterprises, LLC, an enterprise focused on providing coaches with information to improve their knowledge of the game of basketball and their ability to coach. If you have been looking for a rigorously thorough handbook on basketball tactics and strategy, you have found it Coach Doug Porter - Head Women's Coach, Olivet Nazarene University National Scoring leaders: 2005, 2006, 2007, 2008 Chicagoland Collegiate Athletic Conference Champions: 2000, 2005, 2007 His thought provoking approach makes for an easy read and will definitely stimulate thought and, most likely, change the way you go about coaching Rusty Rogers - Two time NAIA Division II Women's National Championship Coach and Two time NAIA National Coach of the Year Coach Sivils clearly brings his experience in the game of basketball to his writing. He is a great teacher who acquired great gifts over the years and it's great he wants to share those gifts with other coaches. Bill Reidy - Long time successful high school and AAU coach

The National Basketball Association Frank P. Jozsa, 2011 The National Basketball Association (NBA) is widely recognized as an entertaining and innovative league whose teams play regular season and postseason games in packed arenas at home and away sites in the United States and Canada. This book discusses the development, growth, and success of the 61-year-old NBA from a business perspective. Covering the late 1940s to 2009, it focuses on the league's expansions and mergers, team territories and relocations, franchise organizations and operations, basketball arenas and markets, and NBA domestic and international affairs. Readers will gain an insight into when, how, and why the NBA emerged, reformed, and gradually matured to become one of the world's most dominant, prosperous, and popular professional sports organizations today.

Basketball Jones Todd Boyd, Kenneth L. Shropshire, 2000-09 It began with Magic, Bird, and Dr. J. Then came Michael. The Dream Team. The WNBA. And, most recently, Spree Latrell Sprewell--American Dream or American Nightmare?--the embodiment of everything many believe is wrong--and others believe is exciting--about the game. Today, despite the NBA strike, despite home run derbies, despite football's headlock on network television ratings, despite the much-heralded return of baseball, basketball has assumed a role in American culture and consciousness impossible to imagine 20 years ago, when arenas were empty and the NBA finals were broadcast via tape delay in the wee hours. So what happened? How did a black sport, plagued by drug scandal and decimated by white flight, come to achieve such prominence? What are the subtle and not-so-subtle racial codes that define how the game is played and perceived, and the reception of its high-profile stars? What does the shift in popularity from the predominantly white, working-class ethos of baseball to the black, urban ethos of basketball suggest about contemporary life in America? What linkages exist between basketball and hip-hop culture and how did these develop? How has the arrival of women on the scene changed the equation? Bringing together journalists, cultural critics, and academics, this wide-ranging anthology has something for everyone, from hard-core fan to casual observer. Contributors: Todd Boyd, Kenneth L. Shropshire, Gerald Early, James Peterson, Susan J. Rayl,

Davis W. Houck, Mark Conrad, Charles J. Ogletree, Jr., Earl Smith, Sohail Daulatzi, Larry Platt, Tina Sloan Green, Alpha Alexander, Tara McPherson, Aaron Baker.

Wartime Basketball Douglas Andrew Stark, 2016-05-01 Wartime Basketball tells the story of basketball's survival and development during World War II and how those years profoundly affected the game's growth after the war. Prior to World War II, basketball--professional and collegiate--was largely a regional game, with different styles played throughout the country. Among its many impacts on home-front life, the war forced pro and amateur leagues to contract and combine rosters to stay competitive. At the same time, the U.S. military created base teams made up of top players who found themselves in uniform. The war created the opportunity for players from different parts of the country to play with and against each other. As a result, a more consistent form of basketball began to take shape. The rising popularity of the professional game led to the formation of the World Professional Basketball Tournament (WPBT) in 1939. The original March Madness, the WPBT was played in Chicago for ten years and allowed professional, amateur, barnstorming, and independent teams to compete in a round-robin tournament. The WPBT included all-black and integrated teams in the first instance where all-black teams could compete for a world series of basketball against white teams. Wartime Basketball describes how the WPBT paved the way for the National Basketball League to integrate in December 1942, five years before Jackie Robinson broke the color barrier in baseball. Weaving stories from the court into wartime and home-front culture like a finely threaded bounce pass, Wartime Basketball sheds light on important developments in the sport's history that have been largely overlooked.

Basketball Andrew Luke, 2016 No major sport is as uniquely American as basketball. The sport has come a long way since students at a Massachusetts YMCA started throwing balls into peach baskets nailed to the wall. Today, some of the world's most spectacular athletes soar through the air in feats of athleticism on the basketball court. With the advent of the shot clock and the three pointer, the game became more exciting over the years. The NCAA Men's Basketball Tournament is one of the most popular sporting events in the United States, and the NCAA superstars go on to thrill NBA audiences as professionals. Kids play basketball across the country, from urban playgrounds in New York and L.A. to the gyms of Chicago and dusty farmland courts in Indiana. All that is needed is a ball, a hoop, and a dream. Each book in the Inside the World of Sports series takes you from the very beginning of a sport to a look at its future. Inside these pages, learn more about basketball's greatest moments, iconic athletes, and what the future holds for the game. Each title in this series contains color photos throughout and back matter including: a chronology, glossary of terms for each sport, an index, and further reading lists for books and internet resources. Key Icons appear throughout the books in this series in an effort to encourage library readers to build knowledge, gain awareness, explore possibilities and expand their viewpoints through our content rich non-fiction books. Key Icons in this series are as follows: Educational Videos are offered throughout the first chapter, through the use of a QR code that when scanned takes the student to an online video showing a greatest moment in sports' history. This gives the readers additional content to supplement the text. Words to Understand are shown at the front of each chapter with definitions. These words are set in boldfaced type in that chapter, so that readers are able to reference back to the definitions--building their vocabulary and enhancing their reading comprehension. Text-Dependent Questions are placed at the end of each chapter. They challenge the reader's comprehension of the chapter they have just read, while sending the reader back to the text for more careful attention to the evidence presented there. Research Projects are provided at the end of each chapter as well and provide readers with suggestions for

projects that encourage deeper research and analysis.

On the Basketball Team Stephane Hillard, 2021-07-15 Basketball is a sport in which players must rely on teamwork in order to win games. This guide immerses readers in the world of basketball, relating exciting facts about the sport's history as well as its rules and positions. The text mentions different ways to enjoy basketball, but focuses on the importance of teamwork as a prerequisite of winning and having fun. Photographs of kids playing basketball and a handy guide to the sport's lingo allow readers to make meaningful connections with the text, helping them to get the most out of the reading experience.

Heads of State Mark Hostutler, 2010-11-29 The history of basketball spans more than a century, from its humble origin as a simple diversion during the harsh winters in America to today's perennial, rim-rattling show of international renown. Throughout the last 60 years, Pennsylvania has been at the forefront of the sports evolution, supplying the world with a steady stream of stars, from Wilt Chamberlain to Kobe Bryant, who have proven to be some of the best to ever play the game. In *Heads of State: Pennsylvanias Greatest High School Basketball Players of the Modern Era*, sportswriter Mark Hostutler sizes up the commonwealth to rank its 500 most-accomplished scholastic players from 1950-2010. With input from Sonny Vaccaro, Howard Garfinkel, and other hoops cognoscenti, the author canvassed the Keystone State, conducting hundreds of hours of research and interviews to assemble a list that is sure to stir passionate debate within an already buzzing community of roundball fans. Hostutler's unique compilation highlights the exploits of Billy Owens, Tom McMillen, Gene Banks, Tyreke Evans, Donyell Marshall, Jameer Nelson, Geoff Petrie, and several others, as they reminisce about their achievements as teenagers on the hardwood. Wonderfully crafted and jam-packed with information, the book is perfect for hard-core fans, stat junkies, or anyone in search of a good read.

Basketball Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the energy of words has are more evident than ever. They have the capacity to inspire, provoke, and ignite change.
