Beauty by the Book Nancy Stafford, 2010-04-21 From celebrated Hollywood starlets to the covers of *Cosmo*, our society seems obsessed with beauty. Actress and *Main Floor* host Nancy Stafford (best known for her starring role as Michelle Thomas on *Matlock*) digs below our culture's fixation on outward appearance to show you that true beauty is more than skin-deep. Every woman has beauty, says Stafford, but not everyone sees it. I want you to see it. In *Beauty by the Book* she bares her heart to readers, laying out the Scriptures, promises, and truths women need to know to find their true value. Her liberating reflections will help you see yourself as God sees you -- worthy, lovable, and beautiful. "Mirror, Mirror, on the Wall..." What do you see when you look in the mirror? Do you see a unique individual created in the image of Beauty itself--one chosen, Cherished, and valued in the eyes of God? If not, you may be looking in the wrong mirror--one distorted by emotional wounds, lies from your past, or the unrealistic standards of our culture. "Everyone has beauty and worth," says Nancy Stafford, "but not everyone sees it. I want you to see it." Nancy shares her own poignant story and holds up the true mirror of God's Word--inviting you to see yourself as God sees you, to absorb His truth, and to know beyond a shadow of a doubt that the King is enthralled by your beauty!

Beauty around the World Erin Kenny, Elizabeth Gackstetter Nichols, 2017-06-22 Taking the concept of beauty seriously, this encyclopedia examines how humanity has sought and continues to seek what is beautiful in a variety of cultural contexts, giving readers an understanding of how to look at beauty both intellectually and critically. Is beauty ever more than skin deep? Arguably yes, considering that the concept of beauty--and the pursuit of it--has shaped cultures worldwide, across every time period, and has even served to change the course of history. Studying beauty practices yields insight into social status, wealth, political ideology, religious doctrine, and gender expectations, including gender nonconformity. A truly interdisciplinary text, *Beauty around the World: A Cultural Encyclopedia* presents an insightful perspective on beauty that draws from philosophy, literature, sociology, anthropology, psychology, and feminist studies, giving readers a unique view of world beauty practices. This volume offers information about beauty practices from the past to the present in alphabetical entries that address terms and topics such as beards, dreadlocks, Geisha, moko tattoos, and progressive muscularity. Readers will better comprehend how beauty shapes many social interactions in profound ways worldwide, and that the unspoken social agreements that shape ideals of attractiveness and desirability within any given culture can matter very much. The encyclopedia's entries challenge readers to consider the questions What is beauty? and Why does it matter? A comprehensive bibliography is a valuable resource for further research.

Six Names of Beauty Crispin Sartwell, 2013-08-21 Beauty may be in the eye of the beholder, but it's also in the language we use and everywhere in the world around us. In this elegant, witty, and ultimately profound meditation on what is beautiful, Sartwell begins with six words from six different cultures - ancient Greek's 'to kalon', the Japanese idea of 'wabi-sabi', Hebrew's 'yapha', the Navajo concept 'hozho', Sanskrit 'sundara', and our own English-language 'beauty'. Each word becomes a door onto another way of thinking about, and looking at, what is beautiful in the world, and in our lives. The earthy and the exalted, the imper.

Beauty Sick Renee Engeln, PhD, 2017-04-18 “[Beauty Sick] will blow the top off the body image movement...provocative and necessary.” – Rebellious Magazine An award-winning psychology professor reveals how the cultural obsession with women's appearance is an epidemic that harms women's ability to get ahead and to live happy, meaningful lives, in this powerful, eye-opening work in the vein of Peggy Orenstein and Sheryl Sandberg. Today’s young women face a bewildering set of contradictions when it comes to beauty. They don’t want to be Barbie dolls but, like generations of women before them, are told they must look like them. They’re angry about the media’s treatment of women but hungrily consume the outlets that belittle them. They mock modern culture’s absurd beauty ideal and make videos exposing Photoshopping tricks, but feel pressured to emulate the same images they criticize by posing with a skinny arm. They understand that what they see isn’t real but still download apps to airbrush their selfies. Yet these same young women are fierce fighters for the issues they care about. They are ready to fight back against their beauty-sick culture and create a different world for themselves, but they need a way forward. In Beauty Sick, Dr. Renee Engeln, whose TEDx talk on beauty sickness has received more than 250,000 views, reveals the shocking consequences of our obsession with girls’ appearance on their emotional and physical health and their wallets and ambitions, including depression, eating disorders, disruptions in cognitive processing, and lost money and time. Combining scientific studies with the voices of real women of all ages, she makes clear that to truly fulfill their potential, we must break free from cultural forces that feed destructive desires, attitudes, and words—from fat-shaming to denigrating commentary about other women. She provides inspiration and workable solutions to help girls and women overcome negative attitudes and embrace their whole selves, to transform their lives, claim the futures they deserve, and, ultimately, change their world.
